CITY OF WEST DES MOINES
CITY COUNCIL MEETING COMMUNICATION

4(l)

DATE: June 15, 2015

ITEM:

Resolution – Acceptance of Iowa Clean Air Attainment Program (ICAAP) Funds
Adaptive traffic signal controls on 50th Street and 60th Street

FINANCIAL IMPACT:

The estimated cost for the project is $497,450.00. The City is receiving $397,960.00 in ICAAP funds for the 50th Street/60th Street traffic adaptive signal controls project. The City's share in the cost will be $99,490.00. Payments for the City's share in cost will be made from budgeted account number 3506.75.820.6.7910.

BACKGROUND:

ICAAP funds were applied for by the City and award approved by the Iowa Department of Transportation to install adaptive traffic signal controls at six intersections on 50th Street from Ashworth Road to Corporate Drive and seven intersections along 60th Street from Ashworth Road to the Methodist West/Iowa Clinic access. With this project, 73 of our 111 signalized intersections will be under adaptive traffic control.

This resolution will accept the Iowa Clean Air Attainment Program (ICAAP) funds for the project and authorize the City Clerk to sign the agreement.

RECOMMENDATION:

City Council Adopt:

- Resolution accepting ICAAP funds for the installation of adaptive traffic signal control equipment at six intersections along 50th Street, seven intersections along 60th Street and authorizing the Mayor and City Clerk to sign the agreement.
