CITY OF WEST DES MOINES
CITY COUNCIL MEETING COMMUNICATION

ITEM: Alluvion Urban Renewal Area TIF Ordinance – City-initiated **DATE:** May 4, 2015

ORDINANCE: Approval of Second, Third Readings, and Final Adoption

FINANCIAL IMPACT: The City anticipates spending up to approximately $62 million, plus financing costs, which will include road improvements of up to $23 million, water storage/wells of up to $6 million, water distribution lines of up to $9.5 million, sanitary sewer improvements of up to $4 million, power line relocation of up to $3 million, and a public safety facility of up to $16 million. In addition, the City expects to provide economic development grants of up to $11 million to incent various costs related to the development of a fiber optic capable facility for the Microsoft Project. Each of these costs will be funded by incremental property tax revenues generated by properties within the Alluvion Urban Renewal Area.

BACKGROUND: The City Council approved the Alluvion Urban Renewal Plan on May 19, 2014 and amended the Plan on March 23, 2015 to incorporate additional land needed for the public improvements and to update projects and project costs. The TIF Ordinance is now ready for approval. The property subject to the TIF Ordinance encompasses only a portion of the Alluvion Urban Renewal Area, that being Lot 1 of Willow Creek Plat 1, which is the lot presently under construction. (See Exhibit I – Map of Alluvion Urban Renewal Area and Exhibit II – Willow Creek Plat 1.)

Since the Microsoft Alluvion project is a 4-phased project, there will be four TIF Ordinances based on each phase. Willow Creek Plat 1, which was recorded on April 6, 2015, divides the subject property into lots based on the phased construction. Future TIF Ordinances will be adopted to cover Lots 2, 3, and 4 of Willow Creek Plat 1 as construction commences.

> Lot 1 of Willow Creek Plat 1, an Official Plat, now included in and forming a part of the City of West Des Moines, Polk County, Iowa; and

WHEREAS, expenditures and indebtedness are anticipated to be incurred by the City of West Des Moines, State of Iowa, to finance urban renewal project activities carried out in furtherance of the objectives of the Urban Renewal Plan; and

[Note: The **Willow Creek Plat 1, Lot 1 Parcel** is the only portion of the Urban Renewal Area that will be included in this TIF Ordinance. The City anticipates that as other parcels develop (increase in value) in the future, the City will adopt a separate TIF ordinance(s) on other parcels/areas within the Urban Renewal Area. Therefore, it is likely that the various TIF ordinances in this Urban Renewal Area will have different frozen bases and different expiration dates.]

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WEST DES MOINES, STATE OF IOWA:

Section 1. That the taxes levied on the taxable property in the **Willow Creek Plat 1, Lot 1 Parcel** of the Urban Renewal Area legally described in the preamble hereof, by and for the benefit of the State of Iowa, City of West Des Moines, County of Polk, West Des Moines Community School District, and all other taxing districts from and after the effective date of this Ordinance shall be divided as hereinafter in this Ordinance provided.

1 Parcel of the Urban Renewal Area shall be paid into the funds for the respective taxing districts in the same manner as taxes on all other property.

Section 6. All ordinances or parts of ordinances in conflict with the provisions of this Ordinance are hereby repealed.
