West Des Moines City Council Proceedings
Monday, April 20, 2015

Mayor Steven K. Gaer opened the regularly scheduled meeting of the City Council of West Des Moines, Iowa, in the Council Chambers of the West Des Moines City Hall on Monday, April 20, 2015 at 5:30 PM. Council members present were: J. Mickelson, R. Messerschmidt, J. Sandager, K. Trevillyan, and R. Trimble.

Ryan Jacobson, City Clerk, stated staff is recommending an amendment to agenda item 7(d) Aspire Preliminary Plat/Site Plan, as it should be amended to reflect consideration of the preliminary plat only and consideration of the Aspire site plan will be forthcoming at a future council meeting.

On Item 1. Agenda. It was moved by Trevillyan, second by Sandager approve the agenda as amended.

Vote 15-136: Messerschmidt, Mickelson, Sandager, Trevillyan, Trimble...5 yes
Motion carried.

On Item 2. Public Forum: No one came forward.

On Item 3. Council/Manager/Other Entities Reports:

Council member Trimble reported he attended a meeting of the Parks and Recreation Advisory Board, where the board recommended against a proposed deck hockey rink and a proposed riverboat on Blue Heron Lake. He also reported the Art on the Campus grand opening will be held on April 30 and the Holiday Park Baseball Complex grand opening will be held on May 19. He also stated the West Des Moines Historical Society will be hosting Discover Decoration Day on May 17 at the Jordan House and Jordan Cemetery.

Council Member Messerschmidt reported the Public Works Subcommittee met and received an update on the Grand Technology Gateway study and potential flood control issues in that area. He also attended a Tomorrow Plan meeting on April 15, where presentations were given on urban waterways and the Tomorrow Plan's affordable housing plan.

City Manager Tom Hadden reported the riverboat on Blue Heron Lake proposal, which was recommended against by the Parks and Recreation Advisory Board, will not be moving forward to the Council. He then invited Jeff Dumermuth, Chief of Emergency Medical and Communication Services, to update the Council on the Smart 911 program.

Jeff Dumermuth, Chief of Emergency Medical and Communication Services, reported the Smart 911 program, which was implemented by the City of West Des Moines and other metro agencies on April 13, allows individuals to register their household and cell phone numbers so emergency

responders can quickly locate the house a call is coming from. The household profile also allows individuals to share details and medical information about the individuals living in the house, and this information will only be made available to emergency responders if a number associated with that household dials 911. He encourages everyone to sign up and create a profile online at www.smart911.com. He noted the system will also send an email after a year requesting that users update the information in their profile.

Council member Trimble commended the Parks and Recreation department for their efforts in developing the emerald ash borer management plan, which has become even more important with the recent finding of the emerald ash borer in Dallas County.

Council member Trevillyan inquired what concrete sections are being replaced as part of this project.

Bret Hodne, Public Works Director, responded there are some limited areas with settling issues on the east-west streets between 4th Street and 6th Street, and those concrete sections will be replaced with concrete.

Mayor Gaer inquired how staff will minimize this project's disruptions during Valley Junction special events.

Mr. Hodne responded staff has worked with the Historic Valley Junction Foundation to coordinate the project and it will be done one block at a time. He noted the Iowa Downtown Summit is scheduled to take place in Valley Junction in late-August, and it is intended for the project to be completed before that event.

On Item 7(e) Hy-Vee Corporate Expansion, 5820 Westown Parkway - Construction of a 152,000 sq. ft. Expansion of Office Space, Conference Center, and Underground Parking, initiated by Hy-Vee, Inc.

It was moved by Trimble, second by Trevillyan to adopt Resolution - Approval of Major Modification, subject to the applicant complying with all applicable City Code requirements and the following conditions of approval:

1. The City Council deferring the installation of up to 126 parking stalls until such time that on-site events in which parking on the grass or other non-designated parking areas occurs or parking off-site is occurring due to the lack of available parking stalls on-site. At the time when the existing parking is not sufficient to accommodate the events held on-site, the City reserves the right to provide the applicant notice to increase the number of parking stalls. The applicant will be required to provide the additional parking spaces in accordance with City regulations within the first available construction season; and
2. The applicant agreeing that landscaping required in the southeastern parking lot as shown on the approved site plan will be installed with the landscaping for the conference center expansion and prior to issuance of a final occupancy permit for either the Conference Center expansion or Office expansion, whichever occurs first.

Council member Messerschmidt requested clarification on the changes included in the proposed major modification.

Lynne Twedt, Director of Development Services, explained that the deferral of parking is for the parking stalls along the main drive, which Hy-Vee would prefer to defer until needed. She also stated the parking ramp is underneath the office.

Jill Boetger, Confluence, representing Hy-Vee, presented maps showing the proposed changes to the building's footprint, and she noted the conference center will be expanded to the south and to the east.
