CITY OF WEST DES MOINES
CITY COUNCIL MEETING COMMUNICATION

DATE: November 30, 2015

ITEM: Resolution – Accept Work – 2014 Concrete Trail Renovation

FINANCIAL IMPACT: The total construction cost of this project is $124,227.93. All costs of the project have been paid from the Miscellaneous Trail Improvements C.I.P. account (Account 6996.75.840.6.7910). Retainage will not be paid in less than 30 days.

BACKGROUND: PG Construction, Inc. of Des Moines, Iowa is working under an agreement dated May 19, 2014 for work related to the 2014 Concrete Trail Renovation project. Work is substantially complete.

The project involved repair and replacement of portions of existing concrete trail located in several areas of the city. The locations are shown on the attached map. The areas being addressed were identified as a high priority following the inspection of the entire trail system in the fall of 2013 by City staff. The majority of defects in the existing trail involved deflections and cracking of the concrete trail surface. Defective areas of the trail were replaced with 6" thick reinforced PCC (Portland Cement Concrete) to help prevent future problems. This will further extend the life of the new trail.

OUTSTANDING ISSUES: None

RECOMMENDATION: That the City Council approve the Resolution.

Lead Staff Member: Sally Ortgies
