PETITION

DE-CERTIFYING THE "NO SCHOOL PARKING" BAN NEIGHBORHOOD

We the undersigned agree and hereby consent to **de-certifying** the "No School Parking" ban which was established in our neighborhood in April, 2001. The original petition was created to promote public safety and insure the orderly flow of traffic within our neighborhood.

Over the last few years, Valley High School has made an enormous amount of improvements to their facility, to include increased parking for students and staff. These improvements have provided adequate parking upon the school grounds for students and a reduction in their needs for on-street parking within the area neighborhoods.

The residents within our neighborhood wish to re-established normal on-street parking regulations which allow for parking between the hours of 8:00 A.M. to 4:00 P.M. Monday through Friday the entire year.

The boundaries of our petition include:

- 700 block of 34th St. Place which encompasses the 24 homes with addresses between 700-767.

This petition to de-certify is in accordance with School Related Neighborhood Parking Issues as established by the City of West Des Moines and revised August 29, 2000.

Attached is the petition for signatures by the neighborhood residents reflecting those who wish to de-certify the "no school parking" ban and those who choose to the leave the parking regulations as they currently stand!
