CITY OF WEST DES MOINES
CITY COUNCIL MEETING COMMUNICATION

6(f)

ITEM: **DATE: December 12, 2016**

Public Hearing (5:35 p.m.)
South 60th Street Improvements Phase 2

FINANCIAL IMPACT:

The Engineering Estimate of Construction Cost was estimated to be $3,906,770.55 for South 60th Street Improvements Phase 2. There were ten (10) bids submitted with the low bid of $3,072,755.71 being submitted by Concrete Technologies, Inc. of Grimes, Iowa. Payments will be made from budgeted account no. 500.000.000.5250.490 with the ultimate funding intended to come from General Obligation Bonds and TIF.

BACKGROUND:

This is the second of two projects to complete grading, storm sewer, water, and paving of two lanes of South 60th Street from Grand Avenue to Mills Civic Parkway, with Phase 2 being on the north end from Pheasant Ridge Drive to Mills Civic Parkway.

This Public Hearing is on the matter of adoption of Plans, Specifications, Form of Contract, and Estimate of Cost for South 60th Street Improvements Phase 2. Upon completion of the Public Hearing, a Resolution should be passed adopting the Plans and Specifications, Form of Contract, Estimate of Cost, Waving Irregularities, and Awarding the Contract to Concrete Technologies, Inc. The bids received contained one irregularity where the high bidder had a mathematical error on the extended price of one bid item. The irregularity is noted on the bid tabulation. The irregularity did not impact the low bid. If approved this project will start in the near future. The entire project is anticipated to be completed by December 1, 2017.

OUTSTANDING ISSUES: None.

RECOMMENDATION:

City Council Adopt:

- Resolution adopting Plans, Specifications, Form of Contract, and Estimate of Costs;
- Motion receiving and filing Report of Bids;
- Resolution waiving bid irregularities and awarding the construction contract to Concrete Technologies, Inc.
