CITY OF WEST DES MOINES
CITY COUNCIL MEETING COMMUNICATION

DATE: **September 3, 2019**

ITEM:

Resolution - Approving Professional Services Agreement
Public Safety Station #19 Bay Heater & Exhaust System

FINANCIAL IMPACT:

The cost of the Professional Services Agreement associated with the design of this project is anticipated not to exceed $13,900.00 for Basic Services. In addition, the cost for performing Resident Consultant Services will not exceed $3,500.00. Should the cost for the professional services be projected to exceed the amounts set forth in the contract, staff would not authorize such expenditures without further approval by the City Council. All work will be billed on an hourly basis using the established hourly fee structure as set forth in the contract. All costs for these services can be paid from account no. 500.000.000.5250.495 with the ultimate funding intended to come from General Funds.

BACKGROUND:

Approval of this action authorizes Resource Consulting Engineers, LLC to perform the professional services necessary for improving heating capabilities in the apparatus bay of Public Safety Station #19 located at 8055 Mills Civic Parkway.

The Engineering Services Department retains professional consultants based on their past work experience, qualifications of their staff, familiarity with the project, manpower availability, and past performance. Once a firm has been selected based on the above criteria, City staff then negotiates a fee with the consultant for performing the desired scope of services. City staff attempts, whenever feasible, to distribute professional services work on an equitable basis to qualified firms maintaining local metropolitan area offices who have expressed interest in working for the City of West Des Moines.

OUTSTANDING ISSUES: None.

RECOMMENDATION:

City Council Adopt:

- Resolution Approving Professional Services Agreement for Public Safety Station #19 Bay Heater & Exhaust System.

C. The City may also terminate this Agreement at any time if it is found that the Consultant has violated any material term or condition of this Agreement or that Consultant has failed to maintain workers' compensation insurance or other insurance provided for in this Agreement. In the event of such default by the Consultant, the City may give ten (10) days written notice to the Consultant of the City's intent to terminate the Agreement. Consultant shall have ten (10) days from notification to remedy the conditions constituting the default.

D. In the event that this Agreement is terminated in accordance with paragraph C of this section, the City may take possession of any work and may complete any work by whatever means the City may select.
