CITY OF WEST DES MOINES
CITY COUNCIL MEETING COMMUNICATION

DATE: May 3, 2021

ITEM:

Resolution – Approving the Awarding of a Contract
South Grand Prairie Parkway – Stagecoach Drive to Mills Civic Parkway

FINANCIAL IMPACT:

The revised Engineering Estimate of Construction Cost was estimated to be $6,451,083.66 for South Grand Prairie Parkway – Stagecoach Drive to Mills Civic Parkway. The project scope was revised to include work associated with a temporary Iowa Interstate Railroad crossing along Raccoon River Drive just west of South Grand Prairie Parkway as well as additional road stone and weed spraying. There were eight (8) bids submitted on April 14, 2021 with the low bid of $5,023,662.14 being submitted by Concrete Technologies, Inc. (CTI) of Grimes, Iowa. Payment will be made from account no. 500.000.000.5250.490 with ultimate funding intended to come from Grand Prairie Parkway Urban Renewal Area General Obligation Bonds, with two exceptions: (1) the fiber conduit part of the project, which will receive its funding from (non TIF) 2020 General Obligation Bonds approved through previous Council action; and (2) King's Landing, LLC will be responsible for watermain, sidewalk, and streetlight costs along Stagecoach Drive per an Agreement approved by City Council on January 23, 2017 and amended on May 6, 2019 regarding stormwater facilities in the Sugar Creek drainage basin.

BACKGROUND:

The project consists of the extension of South Grand Prairie Parkway from Mills Civic Parkway to Stagecoach Drive as well as Stagecoach Drive from South Grand Prairie Parkway to its current terminus just west of South 100th Street. Initial construction of South Grand Prairie Parkway (major arterial roadway classification) will consist of the western three lanes of an ultimate six-lane divided roadway. Initial construction of Stagecoach Drive (minor arterial roadway classification) will consist of the southern two lanes of an ultimate four-lane divided roadway. The project will include grading, paving, storm sewer, storm culverts, watermain, shared multi-use path, sidewalk, and conduit for the City's open access conduit network. An interim completion date for the grading and paving of Stagecoach Drive is being set for November 19, 2021. The Iowa Interstate Railroad crossing at Raccoon River Drive shall be completed by June 18, 2021. All watermain on the project must be complete and placed in service by June 30, 2022. The project is anticipated to be completed by September 16, 2022.

The issuance of the general obligation bonds related to the Grand Prairie Parkway Urban Renewal Area cannot be issued until the associated public hearing has been conducted as scheduled on May 3, 2021. City Council conducted the public hearing for this project as scheduled on April 19, 2021, received and filed the report of bids on April 19, 2021, and then deferred action regarding the award of a construction contract to this Council meeting.

This agenda item was distributed to the Public Services Subcommittee by e-mail only since there was no meeting.
