Joel Gomez, 2002 Catalina Place, Marshalltown, stated he is the owner of JDA Construction, the low bidder for this project. He stated his company was contracted for a similar sidewalk project by the City of Urbandale, but only needed a two-year maintenance bond with a four-year personal guarantee and the City of Urbandale retained 1.5 percent of the total project cost. He inquired if the City of West Des Moines would consider such an arrangement for this project.

City Attorney Dick Scieszinski stated what Mr. Gomez is proposing would be a material change to the contract, which could put other bidders at a disadvantage because of the cost difference.
