CITY OF WEST DES MOINES
CITY COUNCIL MEETING COMMUNICATION

DATE: May 3, 2021

ITEM: Motion – Approval to Purchase Concession Food Service Equipment – MidAmerican Energy Company RecPlex

FINANCIAL IMPACT: Expenditure of $131,358.13. Expenses to be paid from G/L account 692.400.700.5250.490.

BACKGROUND: With the opening of the MidAmerican Energy Company RecPlex, the City of West Des Moines is undertaking a new endeavor by which all food and beverage operations will be operated in-house with City staff. Managing and operating all concessions operations will allow for the greatest flexibility and oversight of the user experience while providing for maximum revenue generation to sustain facility operations.

The RecPlex will feature four separate concession locations within the facility that can be operated independently or simultaneously to provide the best experience to visitors. Locations include a primary space in the main commons (The RP Grill), a mezzanine site that services the main ice arena during large events, and a fieldhouse concession that overlooks the basketball, pickleball and indoor turf areas. A concessions area in the northwest corner of the facility will provide service to the outdoor fields during seasonal events.

Items to be supplied under the proposed contract include: two fryers, walk-in freezer, three reach-in freezers, conveyor pizza oven, three residential refrigerators, two reach-in refrigerators, char broiler, work top freezer, dishwasher, storage shelving, work tables, and assorted hot dog, nacho, popcorn, coffee and hot chocolate machines. Hot and cold food merchandisers, microwaves, and required hand washing and food preparation sinks are also included.

The recommended vendor, Trimark USA, is part of the Sourcewell purchasing alliance. Since the Sourcewell contract has been competitively solicited and publicly awarded and provides the best discounting opportunity, a purchase can be made using that contract. However, staff requested pricing from other food service equipment vendors in the area to ensure the City was receiving good value. Comparative pricing in shown in the summary below:

Vendor	Cost to City of West Des Moines
Trimark USA	$133,629.99
Wasserstrom	$142,195.05
Bolton & Hay	$150,411.20

In addition to price, experience, service, support, knowledge, and financial benefit to the City were all factors that went into recommending Trimark USA. Trimark USA has been used by hundreds of independent restaurants, multi-unit restaurants, resorts, healthcare facilities, government, country clubs, and more. They provide a high level of service and knowledge in the field while offering top quality equipment and cost saving measures. They provide a complete experience for their customers by working hand in hand to come up with the best efficiencies for maximum utilization of space, offering the high quality equipment for the fairest price, and working in a timely fashion to complete projects.

OUTSTANDING ISSUES (if any): None.

RECOMMENDATION: That the City Council approve the purchase of concession stand equipment for the MidAmerican Energy Company RecPlex

Lead Staff Member: Ryan Penning, Superintendent of Recreation

Where permitted by applicable state laws, we impose a surcharge on credit cards that is not greater than our cost of acceptance. Certain fabricated items may not be placed in production until the site is ready for field measurements. If the job site is not ready at the time of initial scheduled delivery, re-delivery and/or storage charges will apply. There will be a 2% per month warehouse charge in all situations where payment is not received per agreement or within 10 days of projected delivery date.

Unless otherwise agreed to by TriMark's credit department, payment terms are 50% due at time of order, 45% due seven (7) days prior to the scheduled delivery, with the remaining 5% due, as adjusted for all approved change orders and other costs, within thirty (30) days of delivery.

INSTALLATION:

* Warehouse/Deliver/Uncrate/Assemble/Set-in-Place (limited to items supplied by TM).
* Caulk all equipment supplied by TM as required by code.
* Set up equipment to be ready for final hook-ups (final hook-ups by OTHERS).

HOOD INSTALL TO INCLUDE:

N/A - Hoods by Others

Dumpster provided by others.

PLEASE NOTE: OUR BID DOES NOT INCLUDE ANY PLUMBING, ELECTRICAL, CARPENTRY, OR HVAC WORK, EITHER "ROUGH-IN" OR "FINAL CONNECTIONS" (UNLESS SPECIFICALLY NOTED OTHERWISE).

The above proposal is based on submitted floor plan. TriMark reserves the right to adjust this proposal based on the necessity to change items due to any inaccuracies in the final floor plan, field conditions, or customer requesting changes or add-on orders.

Above prices are good for 30 days.

This Quote shall be subject to TriMark's Terms of Sale (http://www.trimarkusa.com/SiteMedia/SiteResources/Terms/TriMark-Terms-and-Conditions-of-Sale.pdf), which are incorporated herein by reference and shall govern. The parties specifically agree that no signature shall be required in order for this Quote or its applicable terms and conditions to be deemed legally binding and enforceable on Customer where the intent to be so bound can be inferred (including by acceptance or retention of products or services), notwithstanding contrary requirements under any law.
