WEST DES MOINES FIREFIGHTER’S MEMORIAL

The West Des Moines Firefighter’s Memorial (aka) The Harry Morris Memorial was started more than 20 years ago by the Harry Morris Family. This memorial is dedicated to honor the memory of firefighters who served the City of West Des Moines. There are two sections on the memorial to honor these firefighters: one is for non-service deaths and the other is for line of duty deaths. Funds are being raised to enhance the memorial site with more features so that we can better show the history of the men and women who served on the West Des Moines Fire Department.

Inscribed bricks are being sold to make this goal possible. Please help us achieve this goal before another 20 years passes by.

Bricks may be purchased using the following minimum donations: WDM Firefighters (active or retired) \$50.00, individuals or non-profits \$100.00, small businesses (1 to 10 employees) \$250.00, medium businesses (11 to 50 employees) \$500.00, and large businesses or corporations (over 50 employees) \$1000.00. Bricks may have up to four message lines at 14 spaces per line. Bricks will be installed once a year before the annual memorial service. The memorial committee reserves the right to reject any message that is deemed inappropriate.
