On Item 7(f) Removed

On Item 7(g) Request for Installation of Street Light - 1000 Block of 7th Street, initiated by Steven Boyt

Mayor Gaer stated staff has indicated a correction is needed on the council communication, as the Public Services Subcommittee actually recommended approval of the request by a unanimous vote.

City Manager Tom Hadden stated the Engineering Services department has recommended denial of this request because it does not meet the City policy; however, he agrees with the subcommittee members that the request should be approved.

It was moved by Sandager second by Trevillyan to adopt Motion - Approval of Street Light Installation Request.

The City Council discussed the request, and reached a consensus in support of approving it, because the cost to the City is minimal and nine out of ten residents in that area support the request.

Vote 19-461: Hardman, Mickelson, Sandager, Trevillyan, Trimble...5 yes Motion carried.

On Item 8 - Receive, File and/or Refer: no items

On Item 9 - Other Matters: none

The meeting was adjourned at 5:56 p.m.

It was moved by Trevillyan, second by Sandager to go into Executive Session per Chapter 21 of the Iowa Code, to discuss the potential acquisition/disposition of real estate.

## MEMORANDUM OF UNDERSTANDING BETWEEN PUBLIC SAFETY CADETS AND THE CITY OF WEST DES MOINES

## REGARDING A PROGRAM TO EDUCATE AND MENTOR YOUTH

1. **PARTIES.** The following Parties hereby enter into this Memorandum of Understanding (MOU): Public Safety Cadets, a Commonwealth of Virginia Nonstock, Nonprofit, Corporation and the following named agency/organization:

## City of West Des Moines

**BACKGROUND.** Public Safety Cadets (PSC) was established as a nonprofit corporation on September 11, 2018 to mentor young adults in order to help them become contributing members of the community by providing knowledge, skills and practical experiences through education and training delivered in the workplace by public safety professionals that build character, physical fitness, and respect for the rule of law and human and civil rights.

2. **PURPOSE.** The purpose of this MOU is to document the conditions for participating in the program and events operated and maintained by Public Safety Cadets in order to establish a mutually beneficial relationship by the Parties to foster a greater understanding between youth and the public safety organizations within their community through the use of PSC programs and resources.

## 3. **RESPONSIBILITIES.**

- A. <u>Public Safety Cadets:</u> Is responsible for:
  - 1. Providing outreach, support, service, structure, governance, guidance and standard operating procedures to assist the participating agency/organization succeed in their use of the PSC program.
  - 2. Obtaining general liability and supplemental accident medical insurance to cover all registered participants in their official and individual capacities against personal liability judgements arising from official Public Safety Cadet activities. Coverage details are available on the PSC website or by request.
  - 3. Providing education and training to adult Mentors and volunteers to include Public Safety Cadets Youth Safety Training.
  - 4. Organizing national and regional PSC events, to include conferences, competitions, leadership academies, career fairs and instructional seminars.
  - 5. Providing a library of resources to help implement, manage and grow a PSC

- unit successfully.
- 6. Seeking and promoting scholarship opportunities for PSC youth participants.
- 7. Establishing proficiency and special awards for recognition of achievement.
- 8. Seeking academic credits for community service by PSC participants.
- 9. Promoting the establishment of a recruiting pipeline and pathways for employment with public safety organizations.
- 10. Promoting the PSC organization and its goals nationally.

## B. Participating Agency/Organization: Is responsible for:

- 1. Designating an adult member of the agency/organization to act as the lead Mentor who will work directly with a registered unit. Each unit will be ledby a designated adult Mentor. Other adult mentors may be designated or participate as volunteers with registered units as determined by the participating agency/organization.
- 2. Conducting screening to assure that only adults found suitable for mentoring young adults are allowed to participate in the PSC program. Screening will include criminal history; motor vehicle operation certification and credit worthiness as may be applicable to the position within the PSC unit.
- 3. Assuring that each adult and youth participant is properly registered with the PSC organization.
- 4. Ensuring that all adults found suitable for mentoring young adults participating in the PSC program complete the required Public Safety Cadets Youth Safety Training within the specified time period.
- 5. Providing facilities adequate for program participants to assemble, hold meetings and associated training on a regular basis with time and place reserved.
- 6. Abiding by the PSC Standard Operating Procedures. The participating agency/organization may add more stringent requirements to unit SOPs, but may not dilute them as to impair the intent therein.
- 7. Participating in periodic self-assessments and program reviews with Public Safety Cadets to assure that mutual goals and expectations are being met.
- 8. Sharing, as practicable, information, metrics and associated data on PSC program participants that achieve employment in public safety professions.
- 4. **POINTS OF CONTACT.** All Parties will designate a POC who will be familiar with the provisions of this MOU and will be available during customary business hours or as practicable. The head of the agency/organization, or their authorized designee, will designate a Lead Mentor for each registered unit. The agency/organization POC may also be the same as the Lead Mentor. Contact information for the POC and designated Lead Mentor and any additional designated Mentors are set forth in Addendum A.
- 5. **LIABILITY.** PSC shall not be liable for participating agency/organization's acts or omissions, including participating agency/organization's failure to abide by the

responsibilities in this MOU. The Participating Agency/Organization shall not be liable for PSC's acts or omissions, including PSC's failure to abide by the responsibilities in this MOU. Except as otherwise provided herein, if both PSC and the Participating Agency/Organization are liable for any claims, damages or attorney fees arising from any negligent or illegal acts or omissions taken in connection to this MOU, then PSC and Participating Agency/Organization shall be liable for the portion of the claims, damages and attorney fees that arise from the negligent or illegal acts of that party as determined by the court adjudicating the matter or as agreed in any settlement. Nothing in this MOU waives or alters the Participating Agency/Organization's entitlement to governmental immunity pursuant to applicable law.

- 6. **INTELLECTUAL PROPERTY.** Either Party may use the other Party's name, logo, materials, and other data or materials as may be provided in connection with this MOU, pursuant to PSC's Standard Operating Procedures and/or other direction given by the disclosing Party.
- 7. **NO OBLIGATION OF FUNDS.** This MOU is not an obligation or commitment of funds, nor a basis for transfer of funds. Unless otherwise agreed in writing, each Party shall bear its own costs in relation to this MOU. Expenditures by each Party will be subject to budgetary processes and availability of funds and resources pursuant to applicable laws, regulations, and policies. Unit and Individual Registration Fees will be established and communicated by PSC in the year preceding collection.
- 8. **EQUIPMENT.** The Parties will use their own equipment and personnel to complete their portion of this MOU.
- 9. **REPORTING REQUIREMENTS.** The Parties agree to cooperate in meeting any reporting requirements and will coordinate with each other before responding to any such requirements.
- 10. <u>SETTLEMENT OF DISPUTES.</u> Disagreements between or among the Parties arising under or related to this MOU will be resolved only by consultation between or among the Parties. The Parties agree that the Polk County District Court in and for the State of Iowa shall have exclusive jurisdiction over the subject matter and enforcement of the terms and conditions of this agreement.
- 11. **OTHER PROVISIONS.** This MOU is not intended to conflict with current laws or regulations applicable to the Parties. If any term of this MOU is inconsistent with such authority, then the term shall be invalid, but the remaining terms and conditions of this MOU shall remain in full force and effect.
- 12. **CHANGE IN MANAGEMENT.** Should the head of agency/organization change, this MOU may be terminated early, or reissued bearing the name and signature of the new agency/organization head, or their authorized designee, as soon as practicable. The terms of this MOU will remain in effect until the reissued MOU is completed and the participating agency/organization remains registered in good standing with Public Safety Cadets.

- 13. **EFFECTIVE DATE.** The terms of this MOU will become effective on the date on which it is signed by all Parties. The MOU may be signed in counterparts.
- 14. **PERIODIC REVIEW.** The POCs designated by the Parties pursuant to this MOU may meet periodically or at the request of any Party to discuss and review the implementation of this MOU. Failure of the Parties to conduct periodic reviews will not result in the termination of activities provided for under this MOU.
- 15. **AMENDMENT.** This MOU may be amended at any time by the mutual written consent of the Parties. Modification within the scope of this MOU shall be made by the issuance of a fully executed addendum prior to any changes in responsibilities being performed. Addendum A may be modified by the written consent of the Parties.
- 16. **TERMINATION.** The terms of this MOU, as it may be amended, will remain in effect while the participating agency/organization remains registered annually in good standing with Public Safety Cadets. Either Party may terminate this MOU immediately upon written notice for a breach by the other Party that remains uncured after ten (10) days' notice. Either organization may also discontinue its participation in this MOU upon at least 30 days prior written notice. In the event of termination, each Party will continue with full participation up to the effective date of termination.
- 17. **NO PRIVATE RIGHTS.** This MOU is not intended, and should not be construed, to create any right or benefit, substantive or procedural, enforceable at law or otherwise by any third party against the Parties, their parent or component agencies, or the officers, employees, agents or other associated personnel thereof.

The foregoing represents the understanding reached by the Parties.

# CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

ITEM: DATE: October 7, 2019

Motion approving the Professional Services Agreement between the City of West Des Moines and Claudia Henning, Consultant, and the Professional Services Agreement between the City of West Des Moines and Jennifer Hahn, Consultant, for the Youth Justice Initiative ("YJI") Program.

#### FINANCIAL IMPACT:

The City of West Des Moines and the West Des Moines Community School District each pay a portion of the YJI program budget along with funding obtained through donations. The City's portion of the YJI program budget has already been included in the City's 2019-2020 budget.

#### BACKGROUND:

On August 7, 2000, the City entered into an Agreement with Claudia Henning for the purposes of creating and staffing the Youth Justice Initiative Program ("YJI"). Ms. Henning is an Independent Contractor, acting as the Director of YJI, affiliated with the Police Department and has successfully run YJI since then. Ms. Henning desires to transition to a part-time consultant role and has identified Jennifer Hahn as her replacement as Director of YJI. These contracts allow for: (1) the transition of Ms. Henning to a part-time consultant for YJI until June 30, 2020 with the option of one-year term renewals; and (2) the approval of Ms. Hahn as an Independent Contractor, acting as the new Director of YJI for a three (3) year term, ending June 30, 2022.

YJI is a community-based participatory justice process. The program is a collaborative effort of the West Des Moines Police Department, public and private schools, and other community non-profit organizations. The success of YJI depends upon community participation and community mobilization. YJI intervenes in cases of misconduct and criminality by West Des Moines youth or non-resident juveniles who perpetrate offenses within West Des Moines. YJI addresses misconduct within the community avoiding formal adjudication by the Juvenile Court when possible. While most accepted cases will be from West Des Moines police as a diversion from Court, cases can also be accepted from the Polk County Juvenile Court involving West Des Moines residents.

Recommendation

## AGREEMENT FOR PROFESSIONAL SERVICES

This Agreement is made and entered into this 1st day of September, 2019, by and between the City of West Des Moines, a municipal corporation, hereinafter referred to as "City", and Jennifer Hahn, with principal offices at 646 South 34th Court, West Des Moines, Iowa 50265, hereinafter referred to as "Consultant", as follows:

1. CONSULTANT SHALL PERFORM THE FOLLOWING WORK, PERSONAL SERVCIES, AND/OR FURNISH THE NECESSARY EQUIPMENT, SUPPLIES, OR MATERIALS TO THE CITY OF WEST DES MOINES:

Consultant agrees to perform the tasks as fully set forth in Attachment A to this Agreement in connection with the coordinated Juvenile Justice and Prevention Program.

2. The City of West Des Moines agrees to provide support to the Consultant in the performance of such services as fully set forth in Attachment B to this Agreement.

## 3. COMPENSATION.

- A. In consideration of the services, work, equipment, supplies, or materials provided herein, the City agrees to pay the Consultant the annual sum of NOT-TO-EXCEED \$77,800 per year, plus travel expenses not to exceed \$1,500 per year
- B. The Consultant shall invoice the City for services and any reimbursable expenses based upon services actually completed at the time of the invoice. Final payment shall be due and payable within 30 days of the City's acceptance of Consultant's final services report.
- C. In consideration of said payments, the Consultant agrees to perform all services, work, and/or provide all materials, supplies, and equipment, and to carry out the provisions of the Contract in a good and workmanlike manner to the satisfaction of the City. If the performance of this Contract involves the services of others or the furnishing of equipment, supplies, or materials, the Consultant agrees to pay for the same in full and at the time of payment by the City, to certify in writing to the City that said payments have been so made.

## 4. INSURANCE.

A. The Consultant shall also provide evidence of automobile liability coverage in the limits of at least \$1,000,000 bodily injury and property damage combined. Insurance cannot be cancelled or materially altered without consultant giving the City at least thirty (30) days written notice by registered mail, return receipt requested.

- B. The Consultant shall provide evidence of errors and omissions insurance, by an insurance company licensed to do business in the State of Iowa, in the limit of \$1,000,000 for claims arising out of the professional errors and omissions of the Consultant. The evidence shall also state the City as an additional insured, and that it cannot be canceled or materially altered without giving the City at least thirty (30) days written notice by registered mail, return receipt requested.
- 5. TERM OF CONTRACT. Unless earlier terminated under this agreement, or otherwise agreed in writing duly executed by the parties, the term of this agreement shall commence on the 1st day of September, 2019, and shall be completed on or before the 30th day of June, 2022. This Agreement shall be reviewed annually and may be suspended or terminated by the City as detailed below.
- 6. NOTICE. Any notice to the parties required under this agreement shall be in writing, delivered to the person designated below, by United States mail or in hand delivery, at the indicated address unless otherwise designated in writing.

FOR THE CITY:
City of West Des Moines
Attn: Chris Scott, Police Chief
250 Mills Civic Parkway
P.O. Box 65320
West Des Moines, IA 50265

FOR THE CONSULTANT:

Jennifer Hahn
646 S. 34<sup>th</sup> Ct
West Des Moines, IA, 50265

- 7. GENERAL COMPLIANCE. In the conduct of the services/work or the supplies, equipment, or materials contemplated hereunder, the Consultant shall comply with applicable state, federal, and local law, rules, and regulations, technical standards, or specifications issued by the City. Consultant must qualify for and obtain any required licenses prior to commencement of work.
- 8. STANDARD OF CARE. Services provided by the Consultant under this Agreement shall be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances.
- 9. INDEPENDENT CONSULTANT. Consultant understands and agrees that the Consultant is not a City employee. It is expressly understood and agreed that the Consultant is not entitled to any City payroll, insurance, unemployment, worker's compensation, retirement, or any other benefits whatsoever.
- 10. NON-DISCRIMINATION. Consultant will not discriminate against any Program Participant because of race, color, sex, national origin, religion, age, handicap, or veteran status.
- 11. HOLD HARMLESS. Consultant agrees to indemnify and hold harmless the City, its officers, agents, and employees from any and all claims, settlements and judgments, to include all reasonable investigative fees, attorney's fees, and court costs for any damage

- or loss which is due to or arises in whole or in part from the services performed under this agreement, a breach of this agreement, or any omission or negligence arising out of performance or nonperformance of this agreement.
- 12. ASSIGNMENT. Consultant shall not assign or otherwise transfer this agreement or any right or obligations therein without first receiving prior written consent of the City.
- 13. APPROPRIATION OF FUNDS. The funds appropriated for this contract are equal to or exceed the awarded contract amount. Performance of the City's obligations under this Agreement are expressly subject to appropriations of funds by the City Council. Further, in the event that funds are not appropriated in whole or in part sufficient for performance of the City's obligations under this contract, or appropriated funds may not be expended due to City spending limitations, then the City may terminate this Agreement without further compensation to the Consultant.

## 14. AUTHORIZED AMENDMENTS TO AGREEMENT.

- A. The Consultant and the City agree and acknowledge as a part of this agreement, that no amendments to this agreement, or other form or order or directive, may be issued by the City which requires additional compensable work to be performed, which work causes the aggregate amount payable under the agreement to exceed the amount appropriated for this agreement as listed above, unless the Consultant has been given a written assurance by the City that lawful appropriations to cover the costs of the additional work have been made.
- B. The Consultant and the City further agree and acknowledge as a part of this agreement that no agreement amendments, or other form or order or directive which requires additional compensable work to be performed under this agreement, shall be issued by the city unless funds are available to pay such additional costs, and the Consultant shall not be entitled to any additional compensation for any additional compensable work performed under this agreement, and expressly waives any rights to additional compensation, whether by law or equity, unless prior to commencing the additional work, the Consultant was given a written amendment describing the additional compensable work to be performed, and setting forth the amount of compensation to be paid, which amendment was signed by the authorized City representative. It is the Consultant's sole responsibility to know, determine, and ascertain the authority of the City representative signing any amendment to this agreement.
- 15. CONTRACT INTERPRETATION. No amendment or modification of this agreement shall be valid unless expressed in writing and executed by the parties hereto in the same manner as the execution of the contract. The laws of the State of Iowa shall govern this agreement. This is a completely integrated agreement and contains the entire agreement of the parties, and any prior written or oral agreements which are different from the norms, conditions, and provisions of the agreement shall be of no effect and shall not be binding upon either party. Any judicial action under the terms of this agreement shall be exclusively in the District Court for Polk County, Iowa.

16. COMPLIANCE WITH IMMIGRATION AND CONTROL ACT. Consultant certifies that Consultant has complied with the United States Immigration and Control Act of 1986. All persons employed by Consultant for performance of this agreement have completed and signed Form 1-9 verifying their identities and authorization for employment.

## 17. SOLICITATION AND PERFORMANCE.

- A. The Consultant warrants that it has not employed or retained any company or person, other than a bona fide employee working for the Consultant, to solicit or secure this Agreement, and that the Consultant has not paid or agreed to pay any company or person other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift or contingent fee.
- B. The Consultant shall not engage the services of any person or persons in the employ of the City at the time of commencing such services without the written consent of the City.

## 18. SUSPENSION AND TERMINATION OF AGREEMENT.

- A. The right is reserved by the City to suspend this agreement at any time. Such suspension may be effected by the City giving written notice of the reasons for the suspension to the Consultant, and shall be effective as of the date established in the suspension notice. Payment for the Consultant's services shall be made by the City for services performed to the date established in the suspension notice. Should the City reinstate the work after notice of suspension, such reinstatement may be accomplished by thirty (30) days written notice within a period of one (1) year after such suspension, unless this period is extended by written consent of the Consultant.
- B. In the event of a default by the Consultant, the City may give ten (10) days written notice to the Consultant of the City's intent to terminate the agreement. Consultant shall have ten (10) days from notification to remedy the conditions constituting the default.
- C. The City may terminate the agreement at any time if it is found that reasons beyond the control of either the City or Consultant make it impossible or against the City's interest to complete the agreement, including but not limited to a change in funding for the YJI Program. The City may also terminate this agreement at any time if it is found that the Consultant has violated any term or condition of this agreement, or that Consultant has failed to maintain worker's compensation insurance or other insurance provided for in this agreement in such case the Consultant shall have no claims against the City except for the value of the work performed up to the date the agreement is terminated.
- D. In the event that this agreement is terminated in accordance with this section, the City may take possession of any work and may complete any work by whatever

means the City may select. The cost of completing said work shall be deducted from the balance which would have been due to Consultant had the agreement not been terminated and work completed in accordance with contract documents.

- 19. SEVERABILITY. If any portion of this Agreement is held invalid or unenforceable by a court of competent jurisdiction, the remaining portions of this Agreement shall continue in full force and effect.
- 20. MISCELLANEOUS HEADINGS. Title to articles, paragraphs, and subparagraphs are for information purposes only and shall not be considered a substantive part of this Agreement.
- 21. FURTHER ASSURANCES. Each party hereby agrees to execute and deliver such additional instruments and documents and to take all such other action as the other party may reasonably request from time to time in order to affect the provisions and purposes of this Agreement.
- 22. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall constitute an original, no other counterpart needing to be produced, and all of which when taken together shall constitute the same instrument.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their duly authorized officers or agents on the day and year first above written.

ITEM: Professional Lobbying Services Engagement Letter with Davis Brown

FINANCIAL IMPACT: \$43,200 Annually, one year contract

100.600.610.5250.435 Contractual Services Lobbyist

### **BACKGROUND:**

For many years the City of West Des Moines has used the services of a professional lobbyist services. Two years ago, following an RFP selection, we began a two-year contract with Davis Brown Law Firm. We would like to extend this contract by one year. Over the last two years Davis Brown has been very successful for the City of West Des Moines and our residents, protecting our resident's ability to vote locally on sales tax elections, supported Supplemental Reimbursement for Medicaid funded Ground Transportation which allows WDM EMS transporting Medicaid patients to access supplemental reimbursements from CMS. We supported Healthcare for fallen officers and firefighters as well as the Governor's Future Ready lowa initiatives.

Following the 2019 elections, we may seek another RFP or renew for additional terms, depending on the outcome of elections.

### **OUTSTANDING ISSUES** (if any):

## **RECOMMENDATION:**

Approval of a one-year contract with Davis Brown Law Firm for lobbying services.

#### REPLY TO DES MOINES OFFICE

September 23, 2019

Jamie Letzring, Deputy City Manager City of West Des Moines, Iowa 4200 Mills Civic Parkway, Suite 1A West Des Moines, IA 50265

Re: Engagement of Davis Brown Law Firm

Dear Jamie:

This engagement letter ("Letter") outlines the services that the law firm of Davis, Brown, Koehn, Shors & Roberts, P.C. (the "Firm") and independent legal counsel Julie Smith propose to provide as lobbyists for the City of West Des Moines, Iowa (the "Client") and confirms that the Firm and Julie Smith are engaged by the Client to provide the services outlined below, on the terms described in this Letter. The purpose of this Letter is to explain our engagement as counsel and to provide the Client with certain information concerning our fees, billing and collection policies, and other terms and conditions that will govern our relationship.

The Firm is engaged to provide lobbying services. The scope of services includes:

- Identifying legislation of interest to or affecting the Client;
- Day-to-day monitoring/tracking of legislation of interest to or affecting the Client;
- Lobbying in favor of legislation benefiting the Client or against legislation detrimental to the Client:
- Monitoring of State agency proposals, including legislation and rulemaking affecting or potentially affecting the Client;
- Providing reports on a regular basis on issues of interest to or affecting the Client;
- Providing immediate reports on any legislation with a direct impact on the Client;
- Assisting the client in organizing advocacy efforts as needed;
- Attending meetings of subcommittees and committees to monitor legislation of interest to or affecting the Client;
- Working with Client, specific State agencies, and key legislators on new initiatives and funding sources;
- Assistance with Iowa's Congressional delegation and advocacy efforts at the federal level.

DAVIS BROWN KOEHN SHORS & ROBERTS P.C.

I will be your principal contact with the Firm on the Matter. Should a question arise, please feel free to call me at any time. If I am not available, please feel free to contact my assistant, Kim Tobin, at (515) 246-7872.

We may wish to communicate with you by email or by cell phone regarding this representation. The Iowa State Bar Association requires us to remind you that we cannot assure the confidentiality of our electronic messages and to obtain your permission before we communicate as such. Your signature on the enclosed consent will be your permission for us to communicate with you by email and cell phone, unless you notify us in writing (or by email) to the contrary. You may do so at any time.

Fees. The term of our representation is two years, beginning January 1, 2020 and running until December 31, 2021. Our fee for this Matter will be a flat fee of \$43,200 per year, to be billed \$21,600 on January 1, and \$21,600 on June 1, of each year. If the scope of the Matter expands or if you ask us to work on special projects in addition to the Matter, we reserve the right to propose additional fees.

<u>Costs and Expenses</u>. The Firm's bills to the Client will include charges for various extraordinary costs and expenses incurred on the Client's behalf. Costs may be incurred in-house by the Firm and include, but are not limited to, travel expenses.

Costs will be charged under the Firm's standard practices for assessing and charging costs to its Clients. Expenses will be passed through to the Client at actual cost. Whenever practical, the Firm will not commit to a major cost or expense item without first discussing it with the Client.

Billing. The Firm will send its bills to the Client as outlined above. Those bills are due and payable within thirty (30) days from their date. The Firm will provide in its bills a general description of the services performed, the fee charged relating thereto, and the costs and expenses incurred. A bill will not typically identify the actual individuals involved in rendering services, unless that is specifically requested. The Client will promptly raise and address with the Firm any questions that may arise with respect to the Firm's billing.

The Firm invites the Client to discuss freely with the Firm any questions Client may have concerning the fees that are charged. The Firm desires the Client to be satisfied with both the quality of services and the reasonableness of the fees charged for those services. The Firm will attempt to provide as much billing information as Client requires, and is willing to discuss any of the various billing formats available that best suit Client's needs.

General Responsibilities. We ask that you cooperate fully and candidly with the Firm and provide all information now or hereafter known by or available to you, which may aid the Firm in representing you. In the event you perceive any actual or possible disagreements with the Firm or the Firm's handling of this project, we ask that you promptly and candidly discuss the problem with the Firm. The Firm agrees to keep you informed of developments as necessary to perform its services, and will consult with you as necessary to ensure timely, effective, and

efficient completion of the representation. The Firm encourages you to participate in all major decisions involving the Matter.

Conflicts. As a relatively large law firm, the Firm represents many other entities and individuals. It is possible that some of the Firm's present or future Clients will have disputes with the Client during this engagement. Therefore, as a condition to the Firm's undertaking this engagement, the Client agrees that the Firm may continue to represent, or may undertake in the future to represent, existing or new Clients in any matter that is not substantially related to the Matter, to the extent consistent with the Iowa Rules of Professional Conduct for Lawyers. The Client's prospective consent to any such conflicting representation shall not apply in any instance where, as the result of the Firm's representation of the Client, the Firm has obtained sensitive, proprietary, or other confidential information that, if known to any such other Client of the Firm, could be used in any such other matter by such Client to the material disadvantage of the Client.

Termination. This Letter shall be interpreted and enforced in accordance with the laws of the State of Iowa. The Firm's services shall be governed by the Iowa Rules of Professional Conduct for Lawyers, without regard to where the services are actually performed. The Firm reserves the right to withdraw from the engagement if the Client fails to honor this Letter or for any other reason permitted by the Iowa Rules of Professional Conduct for Lawyers. The Client reserves the right to terminate this engagement without cause. Notification of termination or withdrawal shall be made in writing and shall be effective upon receipt. In the event of such termination or withdrawal, the Client shall promptly pay the Firm all fees, costs, and expenses incurred prior to the date of termination or withdrawal. Upon termination or withdrawal of this engagement, the Firm agrees to cooperate with any successor counsel to accommodate a smooth and orderly transition of the representation.

<u>Subsequent Matters</u>. In the event that the Client engages the Firm to handle subsequent or additional matters, then unless otherwise agreed in writing between the Firm and the Client, those subsequent or additional matters shall be governed by the terms and conditions of this Letter, except that the amount described under Fee in this letter will not apply unless agreed to in writing between the Firm and the Client.

<u>Integration</u>. This Letter contains the entire agreement between the Client and the Firm regarding the Matter and the fees, costs, and expenses relative to the Matter. This Letter shall not be modified except by written agreement signed by the Firm and the Client. This engagement letter shall be binding upon the Client and the Firm and their respective heirs, executors, legal representatives, and successors.

Please sign a copy of this letter in the space provided and return it promptly to the Firm. We appreciate the opportunity to work with you in connection with this matter, and look forward to a mutually satisfactory relationship.

Sincerely,

DAVIS, BROWN, KOEHN, SHORS & ROBERTS, P.C.

Timothy R. Coonan

## SECTION 4 - AWARD FOR GOOD CAUSE AND EMERGENCY PROCUREMENT

Award for Good Cause – a contract may be awarded for a supply, service, or public improvement item without competition when, under procedures promulgated by the City Manager it is determined in writing that there is good cause to purchase the required supply, service, or public improvement item from a particular vendor.

Emergency Procurements – Notwithstanding any other provision of this resolution, the City Manager, or designee, may make or authorize others to make emergency procurement in any amount, when there exists a threat to public health, welfare, or safety under emergency conditions as defined in procedures promulgated by the City Manager ("Extenuating Circumstances"); provided that such emergency procurement shall be made with such competition as is practicable under the circumstances. A written determination of the basis for the emergency and for the selection of the particular contractor shall be included in the contract file.

Contents of Record – The Finance Department shall maintain a record of all Awards for Good Cause and Emergency Procurement transactions. The records shall contain:

- (a) each contractors name;
- (b) the amount and type of each contract;
- (c) a listing of the supplies, services, or construction procured under each contract; and
- (d) the person authorizing the transaction.

### SECTION 5 – COMPETITIVE INFORMAL BIDDING

Except as otherwise provided by procedures promulgated by the City Manager, all purchases for less than \$10,000 may be awarded by means of informal competitive bidding. All informal competitive bidding purchases in excess of \$1,000 shall, wherever possible, be based on at least three competitive written quotes, and shall be awarded to the lowest responsible bidder in accordance with the standards set forth in the previous section ("Award of Contract"). Purchases expected to exceed \$250 but be less than \$1,000, may be solicited by means of three verbal or phone quotes. All informal competitive bids shall be obtained by the Department Director or designee by mail or telephone and the Department shall forward to the Finance Department original documents prescribed by the City Manager on all such transactions, and such records shall be open to the public for inspection.

### SECTION 6 - PETTY CASH AND DISCRETIONARY PURCHASES

Under procedures promulgated by the City Manager, purchases for less than \$50 may be obtained by means of petty cash when circumstances warrant such a purchase.

# CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

DATE: October 7, 2019

ITEM:

Motion - Approval of Agreement - Real Estate Donation Agreement, Whisper

Ridge

FINANCIAL IMPACT: None

BACKGROUND: The attached agreement between the City of West Des Moines and Whisper Ridge Development includes the deeding of a portion of an Outlot to the City for a future trail. Outlot 'W' in Whisper Ridge Plat 2 is utilized for stormwater detention for the Whisper Ridge development, and owned by the Whisper Ridge Two Owners Association, Inc. (still under management of original developer, William Lowry). This Outlot is immediately north of a new neighborhood park (Whisper Point Park) currently under construction, and east of a future greenway and trail along Fox Creek. As staff worked through the planning and design for the park and future greenway trail, it was found that a segment of the trail would work best if located on a portion of this Outlot. Staff approached Mr. Lowry about obtaining an easement within this Outlot for the location of a future trail. Mr. Lowry offered this portion of the Outlot in fee title to the City with the following conditions:

- 1. City to provide a 6 foot wide maintenance access to the remainder of the Outlot.
- 2. City to install a fence along any trail installed adjacent to the Outlot.
- 3. City to provide a perpetual access and stormwater easement to provide service to the remaining Outlot.

Staff presented this agreement at the 9/9/19 Public Services Council Committee and the committee recommended staff move forward with the agreement.

**OUTSTANDING ISSUES:** None.

**RECOMMENDATION:** That the Council approve the Agreement.

Lead Staff Member: David Sadler, Superintendent of Parks

## REAL ESTATE DONATION AGREEMENT

This Real Estate Gifting Agreement ("Agreement") is made and entered into by WHISPER RIDGE TWO OWNERS ASSOCIATION, INC., an Iowa company, (hereinafter referred to as "DONOR"), and the CITY OF WEST DES MOINES, IOWA, an Iowa municipal corporation ("CITY"), as of the date of the last signature set forth below ("Effective Date").

The DONOR hereby desires to gift to CITY and CITY desires to accept from DONOR, for the purpose of park land for public use, the real property ("Property") situated in the City of West Des Moines, Dallas County, Iowa, legally described as:

## See "Acquisition Plat"

and as further depicted on the attached "Outlot Exchange Exhibit" incorporated herein by this reference, together with any easements and appurtenant servient estates and subject to any reasonable easements of record for public utilities or roads, any zoning restrictions, customary restrictive covenants, and/or mineral reservations of record, if any, upon the following terms and conditions:

## 1. REAL ESTATE TAXES AND SPECIAL ASSESSMENTS.

- A. Unless otherwise provided in this Agreement, any outstanding property taxes attributable to the period of DONOR'S ownership of the Property and any outstanding taxes from prior years shall be the responsibility of the DONOR. The DONOR shall pay all special assessments on the Property which have been certified to the county treasurer for collection prior to Closing Date.
- B. CITY shall pay all subsequent real estate taxes to the extent required by law.
- 2. **LIABILITY**. DONOR shall bear the risk of all liability for property damage or bodily injury occurring with respect to the Property during DONOR'S possession of the Property and prior to closing or possession, whichever first occurs. In the event a suit for liability with respect to the Property is filed prior to closing, or in the event DONOR is notified or otherwise learns of an incident giving rise to a suit for liability at any time prior to closing, this Agreement shall, subject to CITY'S discretion, be declared null and void.
- - 4. **CONDITION OF PROPERTY.** The Property, as of the date of this Agreement, will

be preserved by DONOR in its present condition until possession. Except as otherwise provided in this Agreement, DONOR makes no warranties, expressed or implied, as to the condition of the property.

5. **ABSTRACT AND TITLE. CITY** may obtain an abstract of title at its expense. The abstract shall show marketable title in DONOR in conformity with this Agreement, Iowa law, and title standards of the Iowa State Bar Association. DONOR shall make every reasonable effort to promptly perfect title. If closing is delayed due to DONOR'S inability to provide marketable title, this Agreement shall continue in force and effect until either party rescinds the Agreement after giving ten (10) days' written notice to the other party.

## 6. ENVIRONMENTAL MATTERS.

- DONOR warrants to the best of its knowledge and belief there are no A. abandoned wells, solid waste disposal sites, hazardous wastes or substances or underground storage tanks located on the Property, the Property does not contain levels of radon gas, asbestos or urea-formaldehyde foam insulation which require remediation under current governmental standards, not identified in the Phase I Environmental Site Assessment completed in April 2006 by Stanley Consultants, Inc, and DONOR has done nothing to contaminate the Property with hazardous wastes or substances. DONOR warrants the Property is not subject to any local, state or federal judicial or administrative action, investigation or order, as the case may be, regarding wells, solid waste disposal sites, hazardous wastes or substances or underground storage tanks. At or prior to closing DONOR shall also provide CITY with a properly executed Groundwater Hazard Statement showing no wells, private burial sites, solid waste disposal sites, private sewage disposal system, hazardous waste and underground storage tanks on the Property unless disclosed in an addendum prepared by DONOR and attached hereto and incorporated herein by this reference.
- CITY may at its expense, at any time prior to closing, obtain a report from a В. qualified engineer or other person qualified to analyze the existence or nature of any hazardous materials, substances, conditions or wastes located on the Property. In the event any hazardous materials, substances, conditions or wastes are discovered on the Property, CITY'S obligation hereunder shall be contingent upon the removal of such materials, substances, conditions or wastes or other resolution of the matter reasonably satisfactory to CITY. However, in the event DONOR is required to expend any sum to remove any hazardous materials, substances, conditions or wastes, DONOR shall have the option to cancel this transaction and declare this Agreement null and void. The expense of any inspection shall be paid by CITY. Unless otherwise mutually agreed by the parties, the expense of any action necessary to remove or otherwise make safe any hazardous material, substances, conditions or waste shall be paid by DONOR, subject to DONOR'S right to cancel this transaction as provided above.
- 7. **DEED.** Upon satisfaction of all obligations and contingences required pursuant to this Agreement, DONOR shall convey the Property to CITY by Warranty Deed, free and clear of

all liens, restrictions, and encumbrances, except as provided in this Agreement. General warranties of the title shall extend to the time of delivery of the Deed excepting liens and encumbrances suffered or permitted by CITY.

- 8. **STATEMENT AS TO LIENS.** DONOR shall be and is responsible for satisfying any and all liens upon the Property, including any mortgage(s) at or prior to closing. CITY shall not be required to complete acceptance of the Property, as otherwise contemplated by this Agreement, absent the satisfaction of such liens.
- 9. **NOTICE.** Any notice under this Agreement shall be in writing and be deemed served when it is delivered by personal delivery or mailed by certified mail, addressed to the parties at the following addresses:

Whisper Ridge Two Owners Association, Inc. Attn: William K. Lowry, President 36539 Meadowbrook Circle Cumming, IA 50061

City of West Des Moines Attn: City Clerk 4200 Mills Civic Pkwy, P.O. Box 65320 West Des Moines, IA 50265

- 10. **GENERAL PROVISIONS.** In the performance of each part of this Agreement, time shall be of the essence. Failure to promptly assert rights herein shall not, however, be a waiver of such rights or a waiver of any existing or subsequent default. This Agreement shall apply to and bind the successors in interest of the parties. This Agreement shall survive the closing. This Agreement contains the entire agreement of the parties and shall not be amended, except by a written instrument duly signed by DONOR and CITY. Paragraph headings are for convenience of reference and shall not limit or affect the meaning of this Agreement. Words and phrases herein shall be construed as in the singular or plural number, and as masculine, feminine or neuter gender according to the context.
- 11. **NO REAL ESTATE AGENT OR BROKER**. Neither party has used the service of a real estate agent or broker in connection with this transaction.
- 12. **CERTIFICATION.** CITY and DONOR each certify that they are not acting, directly or indirectly, for or on behalf of any person, group, entity or nation named by any Executive Order or the United States Treasury Department as a terrorist, "Specially Designated National and Blocked Person" or any other banned or blocked person, entity, nation or transaction pursuant to any law, order, rule or regulation that is enforced or administered by the Office of Foreign Assets Control; and are not engaged in this transaction, directly or indirectly, on behalf of any such person, group, entity or nation. Each party hereby agrees to defend, indemnify and hold harmless the other party from and against any and all claims, damages, losses, risks, liabilities and expenses (including attorneys' fees and costs) arising from or related to any breach of the foregoing certification.

- 13. **INSPECTION OF PRIVATE SEWAGE DISPOSAL SYSTEM.** DONOR represents and warrants to CITY that the Property is not served by a private sewage disposal system, and there are no known private sewage disposal systems on the property.
- 14. **MISCELLANEOUS.** The City agrees to the following items as shown and noted on attached "Outlot Exchange Exhibit":
  - A. The City agrees to provide a graded 6' wide bench area and +/- 3' high rip rap retaining wall to provide maintenance access to the remaining storm water detention outlot.
  - B. The City agrees to install and maintain a protective rail/fence along any trail(s) adjacent to the conveyed Property. The fence shall be a black metal fence substantially similar in height and design to the existing fence at 170 91st Street, WDM, IA. The fence along the east side of the Property will be installed immediately after the completion of concrete trail install, grading, matting and seeding of the Property. The fence along the south side of the Property will be installed following the installation of future trail in that area.
  - C. The City agrees to provide a perpetual Access Easement and Stormwater Detention Easement to the benefit of the Donor for the purpose of access, maintenance and temporary stormwater storage on the property retained by Donor.
  - D. The City agrees that the remaining detention area on Outlot "W" of Whisper Ridge Plat 2, which is adjacent to Parcel 19-76 on the Acquisition Plat (the Property), has been certified by Civil Design Advantage confirming as-built it is in accordance with the approved Storm Water Maintenance Facility Agreement before Parcel 19-76 is conveyed to City. The City (or City's consultant) will confirm in writing to Donor that the detention area is in full compliance with City Ordinances, rules and regulations for use after conveyance of Parcel 19-76.
- 15. **COUNCIL APPROVAL.** This Agreement shall be of no force or effect whatsoever unless and until approved by the City Council of the City of West Des Moines, Iowa.
- 16. **COUNTERPARTS.** This Agreement may be executed in several counterparts, each of which, when so executed and delivered, shall be deemed an original, and all of which, when taken together, shall constitute the same instrument, even though all parties are not signatories to the original or the same counterpart. Furthermore, the parties may execute and deliver this Agreement by electronic means, such as PDF or a similar format. CITY and DONOR agree that delivery of the Agreement by electronic means shall have the same force and effect as delivery of original signatures and that each of the parties may use such electronic signatures as evidence of the execution and delivery of the Agreement by all parties to the same extent as an original signature.
- 17. **EXECUTION.** When and if executed by both DONOR and CITY, this Agreement shall become a binding contract.

## ITEM:

Motion – Approving Change Order No. 1 Fiber Conduit Interconnect - Green Route 0510-017-2017

## **FINANCIAL IMPACT:**

Contract Summary:

| Description           | Amount       | Date Approved | Remarks |  |
|-----------------------|--------------|---------------|---------|--|
| Construction Contract | \$589,856.50 | 7/1/2019      |         |  |
| Change Order 1        | \$135,415.00 | Pending       |         |  |
| Total                 | \$725,271.50 |               |         |  |

Cost for this change order items will be made from account no. 500.000.000.5250.490. The City is acting as the coordinating agency for the project. Microsoft is providing all funding and will reimburse the City as invoiced. These additional costs have been authorized by Microsoft.

## **BACKGROUND:**

During design of the Green Route the City and Microsoft agreed upon use of buried couplers between conduit access locations required for pulling fiber optic cable. Subsequently Microsoft personnel have determined buried couplers are not acceptable for long-term operations. Change Order No. 1 includes 23 additional pull boxes to replace the buried coupler connections as well as additional construction staking at each pull box.

At the I-35 crossing the Iowa DOT has required no structures be located in the State right-of-way. Due to the configuration of the existing right-of-way, the result is approximately 1,700 of continuous boring. This length is beyond the practical limits of common directional boring equipment. Iowa DOT has agreed to allow intermediate excavations, outside the I-35 fence, so the contractor can split the run into three separate bores. Change Order No. 1 includes addition of a 3" casing conduit. The casing conduit will be spliced at each bore pit. An uninterrupted design conduit will be pulled through in order to meet Microsoft continuity requirements.

The completion date for this contract will be extended to November 21, 2019.

This agenda item was distributed to the Public Services Subcommittee by e-mail only since there was no meeting.

## **OUTSTANDING ISSUES:** None.

## **RECOMMENDATION:**

City Council Adopt:

THE CONTRACT IS CHANGED AS FOLLOWS: Contract documents allow one conduit splice between structures. MS revised this requirement to eliminate all conduit splices. Estimated a total of 23 additional pull boxes needed to eliminate conduit splices. Any additional pull boxes (14 estimated) proposed by the contractor are deemed for facilitation of the work and will not be paid for. The I-35 bore shall be accomplished via a 3" SDR 9 sleeve to eliminate splices in the 7-Way multi-duct, per the attached e-mails. Additional construction survey cost will be required to locate all additional pull boxes for the as-built documentation. 3 additional weeks are granted for this additional work.

## CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

ITEM: Resolution – DATE: October 7, 2019

Approval of Updated Bond Disclosure Policy

FINANCIAL IMPACT: None.

**BACKGROUND:** On October 3, 2016, the City Council first adopted a Bond Disclosure Policy. At that time, in light of a Security Exchange Commission (SEC) directive towards the City and in order to formalize current city practices and industry best practices, staff worked closely with Bond Counsel at the time (Ahlers Law). The policy has served as a framework which has helped ensure continuing compliance.

The SEC recently added two more conditions to its existing list of material items requiring disclosure. This requires an amendment to the City's policy. In addition, since adopting the policy in 2016 the City switched Bond Counsel from Ahlers to Dorsey, and staff has discussed the current policy with Dorsey. Their staff suggests a re-write to make this policy appear consistent with those of other Dorsey clients. This will facilitate their ability to review items in the future.

This action will supersede the previous policy. A copy if the updated policy is attached with this communication.

**OUTSTANDING ISSUES** (if any): None.

**RECOMMENDATION:** Approve the resolution and adopt the Updated Bond Disclosure Policy, effective immediately.

Lead Staff Member: Tim Stiles, Finance Director

## CITY OF WEST DES MOINES, IOWA

## AMENDED AND RESTATED POLICIES AND PROCEDURES RE: MUNICIPAL SECURITIES DISCLOSURE

As an issuer of municipal securities (bonds and/or notes, referred to herein as "Bonds"), the City of West Des Moines, Iowa (the "Issuer") has adopted the policies and procedures set forth herein (collectively, the "Disclosure Policy") to guide the Issuer's actions with respect to complying with (1) the disclosure document (often referred to as the "official statement") for publicly-offered bond transactions and (2) ongoing continuing disclosures associated with outstanding contractual obligations resulting from bond issues (also known as "continuing disclosure"). This Disclosure Policy is designed to provide the necessary policy framework and accompanying procedures for compliance by the Issuer with its disclosure responsibilities. It should be noted, however, issuers of municipal securities are primarily responsible for the content of their disclosure documents including on-going compliance with respect to continuing disclosure.

This Disclosure Policy includes the following elements: (1) disclosure training for officials responsible for producing, reviewing and approving disclosure; (2) establishment of procedures for review of relevant disclosure, and (3) ensuring that any procedures established are followed.

#### **Background**

The anti-fraud provisions of federal securities laws apply to municipal securities such as the Issuer's Bonds. The U.S. Securities and Exchange Commission (the "SEC") can bring enforcement actions against the Issuer, members of its governing body, government employees and elected officials, and professionals working on the bond transaction. Government employees and elected officials can be, and have been, held personally liable with respect to securities laws violations related to the issuance of Bonds. Issuer's and members of the governing body can mitigate risks related to SEC enforcement by relying on professionals such as disclosure counsel. Issuer's may also seek affirmative assurances of compliance with the receipt of a legal opinion from disclosure counsel.

When bonds are issued and publicly offered, an official statement will be prepared on behalf of the Issuer. The official statement is the disclosure document that sets forth the terms associated with the bond issue. The official statement will be used to market and sell the Issuer's bonds. In addition, for transactions larger than \$1 million in size that include an official statement, the Issuer enters into a continuing disclosure certificate, agreement or undertaking (the "CDC"). The CDC is a contractual obligation of the Issuer, pursuant to which the Issuer agrees to provide certain financial information filings (at least annually) and material event notices to the public. The CDC is necessary to allow the bond underwriters to comply with SEC Rule 15c2-12, as amended (the "Rule"). As noted below, filings under the CDC must be made electronically at the Electronic Municipal Market Access (EMMA) portal (www.emma.msrb.org).

<sup>&</sup>lt;sup>1</sup> Under federal law issuers of municipal securities are primarily responsible for the content of their disclosure documents (the official statement), regardless of who prepared the document. An issuer does not discharge its disclosure obligations by hiring professionals to prepare the official statement. An issuer has "an affirmative obligation" to know the contents of its official statement, including the financial statements. Finally, executing an official statement without first reading the document to ascertain whether it is accurate may be reckless (the basis for certain anti-fraud causes of action by the SEC).

Accordingly, this Disclosure Policy addresses the following three aspects of disclosure: (1) preparation and approval of official statements in connection with new ("primary") bond issues; (2) on-going continuing disclosure requirements under a CDC; and (3) education of staff and elected officials with respect to disclosure matters.

### 1. Primary (New) Offerings of Bonds – Official Statements of the Issuer

In connection with the issuance of its publicly-offered Bonds (Bonds sold via the public market, through a broker-dealer known as an "underwriter"), the Issuer will prepare (or cause its hired professionals to prepare) a disclosure document commonly known as an "official statement." The official statement is the document that describes the issuance of the Bonds to the marketplace and as such, under federal law, the official statement cannot contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

To ensure the Issuer's official statements are properly prepared and reviewed, the Issuer adopts the procedures set forth in Appendix I hereto.

## 2. Continuing Disclosure Compliance (CDC Compliance)

The Issuer has entered into, or may in the future enter into, CDCs in connection with its bond issues. Under these contractual agreements, the Issuer has agreed to provide to the marketplace certain financial information and notices of material events. The Issuer will file, or cause to be filed, necessary items under the CDCs in a searchable electronic format at the Electronic Municipal Market Access (EMMA) portal (<a href="www.emma.msrb.org">www.emma.msrb.org</a>). The determination of whether a material event has occurred will be made pursuant to the Rule and SEC Release No. 34-83885, in conjunction with consultation with disclosure counsel.

To ensure compliance with its contractual continuing disclosure obligations, the Issuer adopts the procedures set forth in Appendix II hereto.

### 3. Systematic Training of Staff and Governing Body Members

In addition to the specific procedures adopted under this Disclosure Policy, the Issuer understands that ongoing training of both staff and members of the governing body is essential to successful compliance with the Issuer's disclosure obligations. The training noted below may be accomplished by various methods, including in-person webinars or other electronic means, or through review of written materials. Accordingly, the Issuer has implemented the following training procedures which may be implemented with the assistance of disclosure counsel to the Issuer:

A. Annual Training. The Finance Director is responsible for scheduling annual training of Issuer employees regarding disclosure and financial reporting requirements of the federal securities laws. Such training shall include a complete review of this Disclosure Policy, Rule 15c2-12 and the material events required to be reported pursuant to such Rule, and a complete overview of the Issuer's obligations under the federal securities laws. Not later than 90 days after the end of each fiscal year, the Finance Director shall provide written certification to the City Council that the annual disclosure training has been completed.

B. Specific Training. When appropriate, the Finance Director shall conduct (or cause to be conducted) training with individuals on those persons' specific roles and responsibilities in the disclosure and financial reporting process.

### Appendix I

## Written Procedures for Preparing Official Statements

- 1. At the commencement of a financing, Finance Director shall develop or cause the City Manager, the City Attorney and the City Clerk (its "Finance Team") to develop a plan for preparation of the official statement and a schedule that allows sufficient time for all required work, including appropriate review and participation by members of the Finance Team.
- 2. The Finance Director shall be responsible for managing the preparation process for the official statement, and shall obtain the assistance of other participants within the Issuer and engage legal and financial professionals, as necessary and appropriate.
- 3. The Finance Director shall be responsible for developing a program for coordinating staff review of the disclosure information, as necessary, and obtaining formal sign-off from staff on the disclosure documents.
- 4. The Finance Director shall ensure that any previous failure to fully comply with continuing disclosure obligations during the prior five-year period is disclosed in the official statement by reviewing compliance with all outstanding continuing disclosure agreements, reviewing continuing disclosure review documentation prepared by independent parties and contacting disclosure counsel to discuss any questions or concerns.
- 5. The Issuer's governing body shall be given not less than 5 BUSINESS days to review an official statement prior to being asked to vote on its approval, absent extenuating circumstances. Elected representatives on the governing body shall be directed to contact the Finance Director during the review period to discuss potential issues, concerns or comments on the official statement.

### Appendix II

#### Written Procedures Re: Continuing Disclosure

- 1. The Finance Director shall be responsible for compliance with the Issuer's obligations under continuing disclosure agreements, undertakings or certificates (the "CDC"), including without limitation annual filings, material event notice filings, voluntary filings and other filings required by the CDC.
- 2. Prior to execution of a CDC in connection with a bond issue, the CDC shall be discussed with disclosure counsel, the underwriter and municipal advisor, if any, to ensure a full understanding of issuer obligations.
- 3. The Finance Director shall have the primary responsibility to confer with the City Manager, City Attorney and City Clerk bi-weekly following each governing body meeting to monitor compliance with respect to "material events" as defined in the Rule.

The Finance Director shall be responsible for (i) determining whether any of the following "material events" has taken place (questions regarding their interpretation shall be directed to disclosure counsel), (ii) gathering information material to making that determination from other departments, and (iii) if a material event has occurred, discussing the same with disclosure counsel to determine the form of notice of material event and causing the filing of notice to be made on EMMA within ten (10) business days of the occurrence of the event:

- 1. Principal and interest payment delinquencies;
- 2. Non-payment related defaults, if material;
- 3. Unscheduled draws on debt service reserves reflecting financial difficulties;
- 4. Unscheduled draws on credit enhancements reflecting financial difficulties;
- 5. Substitution of credit or liquidity providers, or their failure to perform;
- 6. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the security, or other material events affecting the tax status of the security;
- 7. Modifications to rights of security holders, if material;
- 8. Bond calls, if material, and tender offers;
- 9. Defeasances:
- 10. Release, substitution, or sale of property securing repayment of the securities, if material:
- 11. Rating changes, including rating upgrades and downgrades;
- 12. Bankruptcy, insolvency, receivership or similar event of the obligated person;
- 13. The consummation of a merger, consolidation, or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- 14. Appointment of a successor or additional trustee or the change of name of a trustee, if material;
- 15. Incurrence of a financial obligation of the obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other

- similar terms of a financial obligation\* of the obligated person, any of which affect security holders, if material; and
- 16. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the obligated person, any of which reflect financial difficulties.

The determination of whether a material event has occurred will be made pursuant to the Rule and SEC Release No. 34-83885, in conjunction with disclosure counsel.

\*"Financial obligation" is to mean a (i) debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) a guarantee of (i) or (ii).

- 4. The Finance Director shall have primary responsibility for ensuring that statements or releases of information relating to the Issuer's finances to the public that are reasonably expected to reach investors and the financial markets, including website updates, press releases and market notices, are accurate and not misleading in any material respect. The Finance Director shall work together to ensure that all public statements and information released by the Issuer are accurate and not misleading in all material respects.
- 5. The Finance Director shall be responsible for compiling and maintaining a list of all outstanding bond issues subject to continuing disclosure, noting the applicable filing dates [see attached table format, Part I, for tracking this information (the "Disclosure Table")].
- 6. The Finance Director shall be responsible for assembling and maintaining copies of the final CDC and final Official Statements for each applicable bond issue, together with any third-party Dissemination Agent Agreements, if applicable.
- 7. The Finance Director shall document and track the required information to be filed, including dates such information is filed [see attached Disclosure Table, Part II].
- 8. The Finance Director shall be responsible for registering for continuing disclosure filing email reminders from the "EMMA" website (http://emma.msrb.org).
- 9. At least 60 days prior to the earliest filing deadline listed on the Disclosure Table, the Finance Director shall begin the process of compiling necessary information required by the CDCs (and coordinate with outside professionals hired to compile this information, if applicable).
- 10. At least 30 days prior to each filing deadline, the Finance Director shall determine whether all necessary items have been compiled for filing pursuant to the CDC requirements, including review with disclosure counsel, if necessary.
- 11. At least 5 days prior to each filing deadline, the Finance Director shall file (or cause any Dissemination Agent to file) the necessary items on the EMMA website in a word-searchable PDF configured to be saved, printed, and retransmitted by electronic means. After filing, the Finance Director shall confirm that all items have, in fact, been filed on EMMA as required, and shall note the filing date on the Disclosure Table.
- 12. The Finance Director shall be the primary contact person for responding to inquiries from investors and for maintaining the investor relations portion of the Issuer's website, if any.

## CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

DATE: October 7, 2019

### **ITEM:**

Resolution - Accepting Work 2018 HMA Resurfacing Program

## **FINANCIAL IMPACT:**

The total construction cost for the 2018 HMA Resurfacing Program was \$2,140,450.71 which was paid from account no. 500.000.000.5250.490 with ultimate funding intended to come from Road Use Tax. The original cost of the project was \$2,100,274.90. There were six (6) Change Orders on the project that totaled \$40,175.81.

### **BACKGROUND:**

Des Moines Asphalt & Paving was working under an agreement dated May 14, 2018 for construction services for the 2018 HMA Resurfacing Program. Work on this project included Portland Cement Concrete (PCC) street repairs and hot mixed asphalt (HMA) overlays at various locations throughout the City of West Des Moines.

The 2018 HMA Resurfacing Program was completed in May of 2019 with all of the HMA work completed in 2018. There were a number of Premark pavement symbols that were installed that failed over the course of last Winter. In discussion w/ Ennis-Flint, manufacturer of the Premark pavement symbols, they have indicated that the installation method of the symbols had to be adjusted due to the use of 'H' binder in the HMA per the new IDOT mix design specifications that started in 2018. This was widespread throughout Iowa, Wisconsin and Minnesota and had to due with how the Premark pavement symbol bonds to the binder in the hot mix asphalt. Removal and replacement will be completed by utilizing a 2-part epoxy sealer between the HMA surface and the Premark pavement symbol per the manufacturer's recommendation. This will be completed on all 171 damaged or incomplete Premark pavement symbols/markings that were installed as part of the 2018 HMA Resurfacing Project. This work will be completed no later than July 31, 2020. Attached is a letter from Ennis-Flint stating that they will complete this work as described. Des Moines Asphalt will provide the standard 4-year maintenance bond to the City of West Des Moines from the date of final acceptance. If work is not completed by July 31, 2020 as promised, City Staff will seek involvement from the bonding company to complete the work.

This action accepts the public improvements and authorizes staff to pay the retainage no sooner than 30 days.

This agenda item was distributed to the Public Services Subcommittee by e-mail only since there was no meeting.

## **OUTSTANDING ISSUES:** None.

### **RECOMMENDATION:**

City Council Adopt:

- Resolution Accepting Work for 2018 HMA Resurfacing Program.

#### RE: 0510-003-2018 2018 HMA RESURFACING, PROJECT CLOSEOUT

#### Dear Jason.

The 2018 HMA Resurfacing Project for the City of West Des Moines is still awaiting closeout, acceptance and release of retainage. ISG has been working with Clint Carpenter, Des Moines Asphalt and Iowa Plains and Signing on issues pertaining to the Premark symbols installed as part of this project. There were a number of Premark symbols that were installed that failed over the course of last winter, most notably on the intersection of 8th and Grand.

#### PREMARK INSTALLATION FAILURE

In discussion w/ Ennis-Flint, manufacturer of the Premark symbols, they have indicated that the installation method of the symbols had to be adjusted. This was due to the use of 'H' binder in the HMA per the new IDOT mix design specifications that started in 2018. This was widespread throughout lowa, Wisconsin and Minnesota. This was due to how the Premark symbol bonds to the binder in the hot mix asphalt.

#### CORRECTIVE ACTION

The existing symbols will be removed from the surface with a method to be determined. Heating the symbol and manual removal has been the method of choice to date. Installation will be completed by utilizing a 2 part epoxy sealer between the HMA surface and the Premark symbol per the manufactures recommendation. This will be completed on all 171 damaged or incomplete Premark symbols/markings that were installed as part of the 2018 HMA resurfacing Project. This work will be completed no later than July 31, 2020. Attached is a letter from Ennis-Flint stating that they will complete this work as described.

#### MAINTENANCE BOND

The 2018 HMA Resurfacing construction was completed in May of 2019 with all of the HMA work completed in 2018. Des Moines Asphalt will provide the standard 4 year maintenance bond to the City of West Des Moines from the date of final acceptance. This has in essence provided an additional year of possible maintenance due to the acceptance date. Iowa Plains and Signing will also provide a 4 year maintenance bond specific to the Premark symbols to Des Moines Asphalt and the City of West Des Moines.

#### RECOMMENDATION

Based on the above, ISG recommends that the City accept this course of corrective action and move forward with acceptance of the project. ISG recommends that a Pay Application for a reduction of retainage to \$20,000 be presented for approval and the final Pay Application for Retainage at the October 7<sup>th</sup> Council Meeting.

Sincerely,

Nick Frederiksen

## CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

DATE: October 7, 2019

ITEM:

Resolution – Accept Work – 2019 Concrete Trail Renovation

**FINANCIAL IMPACT:** The total construction cost of this project is \$145,862.50. All costs of the project have been paid from the Woodland Hills Park C.I.P. (G/L Acct 500.000.000.5250.490, Project No. 0510 035 2018). The original contract amount of the project was \$132,700.00, with one change order for additional quantities for further work found in the field for a total of \$13.162.50.

**BACKGROUND:** Concrete Connection, LLC of Johnston, lowa is working under an agreement dated May 6, 2019 for construction services related to the 2019 Concrete Trail Renovation. Work is substantially complete. This action accepts the improvements and authorizes staff to pay retainage no sooner than 30 days.

The project involved the repair and replacement of portions of existing concrete trail located primarily along S. 50<sup>th</sup> Street (Wistful Vista to Grand Avenue) and Mills Civic Parkway (I35 to Waterford Drive). The locations are shown on the attached map. The areas addressed were identified as a higher priority following the inspection of the entire trail system by City staff.

**OUTSTANDING ISSUES: None** 

**RECOMMENDATION:** That the City Council approve the Resolution.

Lead Staff Member: David Sadler, Superintendent of Parks

DATE: October 7, 2019

ITEM: Resolution – Accept Work – Woodland Hills Park Loop Trail

**FINANCIAL IMPACT:** The total construction cost of this project is \$103,461.94. All costs of the project have been paid from the Woodland Hills Park C.I.P. (G/L Acct 500.000.000.5250.490, Project No. 0525 058.0510 089 2017). The original contract amount of the project was \$97,426.88, with two change orders for a total of \$6,035.06.

**BACKGROUND:** JAS Construction, LLC of Altoona, Iowa is working under an agreement dated March 19, 2018 for construction services related to the Woodland Hills Park Loop Trail. Work is substantially complete. This action accepts the improvements and authorizes staff to pay retainage no sooner than 30 days.

The project involved the construction of a concrete trail around the perimeter of Woodland Hills Park. Portions of the trail loop had been completed with other park projects along the southern and western side of the park, and this project completed the loop. The project generally included construction survey, excavation, subgrade preparation, 5" reinforced concrete trail, erosion control measures, site restoration and other related items.

**OUTSTANDING ISSUES: None** 

**RECOMMENDATION:** That the City Council approve the Resolution.

## **ITEM:**

Resolution – Approving Proposal from MidAmerican Energy Company to Extend Electrical Services City Entrance Enhancements – Phase 1B

#### **FINANCIAL IMPACT:**

The cost of this work is estimated to be \$80,692.63 for extending underground electric services to each of the four (4) City Entrance Enhancement Signs, broken down as follows: 1) \$9,238.06 for 98th & University sign location, 2) \$38,030.77 for I-80/35 & Westown sign location, 3) \$17,688.33 for I-235 & 8th Street sign location, and 4) \$15,735.47 for IA-5 & White Crane Road sign location. The actual costs may vary from estimates and will be determined at the time of construction. These improvements can be paid from account no. 500.000.000.5250.490 with the ultimate funding intended to come from General Obligation Bonds.

### **BACKGROUND:**

Phase 1A of the project, including fabrication and installation of four (4) branded monument signs to denote key roadway entrances to the City of West Des Moines, was awarded to Graphic House, Inc. of Wausau, Wisconsin on July 1, 2019. Sign locations include eastern corporate limits along IA-5, eastern corporate limits along I-235, northern corporate limits along I-35/80, and 98th & University. Fabrication of the signs is to be completed by November 1, 2019 with installation to be completed by December 13, 2019 in coordination with Phase 1B.

Phase 1B of the project was bid on October 2, 2019 and includes the construction of concrete foundations and associated site work for the branded monument signs. Extension of underground electric services by MidAmerican Energy to each of the signs is to be coordinated as part of Phase 1B. Foundation work, utilities, and earthwork for this phase of the project is anticipated to be completed by December 13, 2019 with site restoration to occur prior to June 1, 2020.

#### MIDAMERICAN ENERGY COMPANY

# REFUNDABLE ADVANCE FOR CONSTRUCTION UNDERGROUND ELECTRIC SERVICE EXTENSION PROPOSAL FOR SPECULATIVE USE – WMIS 2763510

MidAmerican Energy Company, an Iowa corporation and The City of West Des Moines ("Applicant"), agree as follows:

- 1. MidAmerican Energy Company will extend its electric lines underground to serve a City Entrance Sign north of Highway 5 on SE White Crane Rd and S 8<sup>th</sup> St as shown on the attached drawings.
- MidAmerican Energy Company will furnish the necessary labor and materials required to fulfill its undertaking, as specified above, and will commence such work as soon as reasonable and practicable after the execution of this Proposal and receipt of Applicant's cash deposit indicated below, and will prosecute such work to completion with reasonable diligence.
- In consideration of the receipt of a payment in the amount of \$15,735.47 which \$15,735.47 is a refundable Advance for Construction, MidAmerican Energy Company agrees to construct necessary electric facilities as set forth above. Please submit payment with Applicant's signed acceptance of this Proposal. If MidAmerican Energy Company is caused by Applicant to work during the winter construction season, Applicant agrees to pay in cash an additional sum of \$4.96 per trench foot as a refundable Advance for Construction for all required trenching.
- 4. The Advance for Construction shall be subject to refund by MidAmerican Energy Company to Applicant based upon the following terms and conditions:
  - a. Advances shall not accrue interest and shall be subject to refund from the date of original advance payment. This will span a sixyear period at the rate of fifty percent (50%) of the annual metered electric service bill of the above Applicant.
  - b. If additional customers are connected to the above described line extension, the above Applicant shall receive refunds equal to three times estimated base revenue for each additional new customer to the extent the base revenue exceeds the additional distribution construction costs incurred by MidAmerican Energy Company. Base revenue shall be estimated annual kilowatt hours based on similarly situated customers, less the cost of fuel.

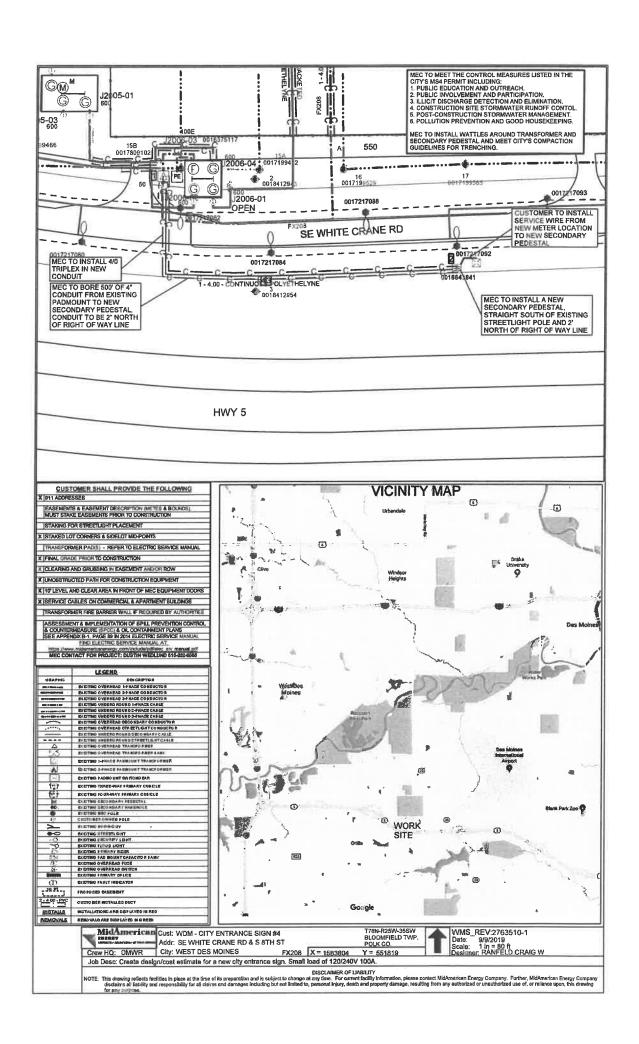

- c. Refunds shall be made on the anniversary date of the original advance payment or sooner at the option of MidAmerican Energy Company.
- d. Revenue for un-metered private lighting shall not be included in any refund.
- e. No refunds shall be made for revenue received after six (6) years from the date of the original advance payment.
- f. Never shall the total of refunds exceed the refundable portion of the payment stated above.
- g. No refunds shall be made for customers served from a further extension of the above described electric line extension.
- Except as may hereinafter be provided, MidAmerican Energy Company shall:
  - a. Not tamp the backfill. Applicant agrees to indemnify and hold MidAmerican Energy Company harmless from any and all damages that may result from the non-tamping of backfill operations conducted by MidAmerican Energy Company. In case any action is brought against MidAmerican Energy Company, or any of its agents or employees, relative to such backfill operations, the Applicant shall assume full responsibility for the defense thereof. Upon failure to do so on proper notice, MidAmerican Energy Company reserves the right to defend such action and charge all costs to the Applicant provided, however, that nothing herein shall be construed as an assumption of liability by the Applicant for damages and claims attributable to MidAmerican Energy Company negligence.
- 6. Applicant shall provide, without cost to MidAmerican Energy Company, such easements as are necessary and incidental to such installation and use of MidAmerican Energy's facilities on private property within the area served. If a 3<sup>rd</sup> party easement is required any cost associated in obtaining the easement will be paid by the applicant.
- 7. Applicant shall be responsible for complying with all aspects of compliance as required by any local, state, or federal permit or plan associated with storm water pollution prevention or erosion control. It is specifically understood and agreed that MidAmerican Energy Company is providing the service requested by the Applicant solely for the Applicant. MidAmerican Energy Company will not become or agree to become a co-permittee or operator for the purpose of applicants' compliance with any local, state or federal permit or plan associated with storm water pollution prevention or erosion control.

- 8. Applicant shall be responsible for locating and marking all privately owned systems such as water services, culverts, irrigation systems, drain pipes, septic lines, and underground wiring before MidAmerican Energy Company's construction.
- 9. It is specifically understood and agreed that any distribution systems, or other facilities constructed or installed by MidAmerican Energy Company under terms of this Proposal shall remain the sole property of MidAmerican Energy Company and MidAmerican Energy Company shall determine, as its own judgment indicates, the manner and method of utilization thereof and to extend the same or connect other facilities there to and serve other customers there from as it shall see fit, subject only to such obligations as MidAmerican Energy Company shall have assumed in this Proposal; and no other person shall have any right, title, interest or claim, in or to the said distribution system or other facilities by virtue of any provision of this Proposal.
- 10. Applicant shall furnish, install, own and maintain all 4-inch ducts as shown on attached prints. All ducts shall be black w/red stripe or grey in color, PVC type schedule 40 or schedule 40 HDPE coil-able. Applicant shall install ducts a minimum of forty-two (42) inches and a maximum of forty-eight (48) inches below finish grade with capped and staked ends and equipped with pull wires. MidAmerican Energy Company will provide marker balls for the duct ends. These are available at MidAmerican Energy Company's storeroom. Applicant is responsible for correct placement and depth of conduit. Note: No more than ten (10) conduits allowed within the secondary compartment of the transformer pad.

Proposed this 19th day of September, 2019.

Upon failure to do so on proper notice, MidAmerican Energy Company reserves the right to defend such action and charge all costs to the Applicant provided, however, that nothing herein shall be construed as an assumption of liability by the Applicant for damages and claims attributable to MidAmerican Energy Company negligence.
- 6. Applicant shall provide, without cost to MidAmerican Energy Company, such easements as are necessary and incidental to such installation and use of MidAmerican Energy's facilities on private property within the area served. If a 3<sup>rd</sup> party easement is required any cost associated in obtaining the easement will be paid by the applicant.
- 7. Applicant shall be responsible for complying with all aspects of compliance as required by any local, state, or federal permit or plan associated with storm water pollution prevention or erosion control. It is specifically understood and agreed that MidAmerican Energy Company is providing the service requested by the Applicant solely for the Applicant. MidAmerican Energy Company will not become or agree to become a co-permittee or operator for the purpose of applicants' compliance with any local, state or federal permit or plan associated with storm water pollution prevention or erosion control.

- 8. Applicant shall be responsible for locating and marking all privately owned systems such as water services, culverts, irrigation systems, drain pipes, septic lines, and underground wiring before MidAmerican Energy Company's construction.
- 9. It is specifically understood and agreed that any distribution systems, or other facilities constructed or installed by MidAmerican Energy Company under terms of this Proposal shall remain the sole property of MidAmerican Energy Company and MidAmerican Energy Company shall determine, as its own judgment indicates, the manner and method of utilization thereof and to extend the same or connect other facilities there to and serve other customers there from as it shall see fit, subject only to such obligations as MidAmerican Energy Company shall have assumed in this Proposal; and no other person shall have any right, title, interest or claim, in or to the said distribution system or other facilities by virtue of any provision of this Proposal.
- 10. Applicant shall furnish, install, own and maintain all 4-inch ducts as shown on attached prints. All ducts shall be black w/red stripe or grey in color, PVC type schedule 40 or schedule 40 HDPE coil-able. Applicant shall install ducts a minimum of forty-two (42) inches and a maximum of forty-eight (48) inches below finish grade with capped and staked ends and equipped with pull wires. MidAmerican Energy Company will provide marker balls for the duct ends. These are available at MidAmerican Energy Company's storeroom. Applicant is responsible for correct placement and depth of conduit. Note: No more than ten (10) conduits allowed within the secondary compartment of the transformer pad.

Proposed this 2<sup>nd</sup> day of October, 2019.

# REFUNDABLE ADVANCE FOR CONSTRUCTION UNDERGROUND ELECTRIC SERVICE EXTENSION PROPOSAL FOR SPECULATIVE USE – WMIS 2763511

MidAmerican Energy Company, an lowa corporation and The City of West Des Moines ("Applicant"), agree as follows:

- 1. MidAmerican Energy Company will extend its electric lines underground to serve a City Entrance Sign at the intersection of Westown Pkwy and I80/I35 as shown on the attached drawing.
- 2. MidAmerican Energy Company will furnish the necessary labor and materials required to fulfill its undertaking, as specified above, and will commence such work as soon as reasonable and practicable after the execution of this Proposal and receipt of Applicant's cash deposit indicated below, and will prosecute such work to completion with reasonable diligence.
- 3. In consideration of the receipt of a payment in the amount of \$38,030.77 which \$38,030.77 is a refundable Advance for Construction, MidAmerican Energy Company agrees to construct necessary electric facilities as set forth above. Please submit payment with Applicant's signed acceptance of this Proposal. If MidAmerican Energy Company is caused by Applicant to work during the winter construction season, Applicant agrees to pay in cash an additional sum of \$4.96 per trench foot as a refundable Advance for Construction for all required trenching.
- 4. The Advance for Construction shall be subject to refund by MidAmerican Energy Company to Applicant based upon the following terms and conditions:
  - a. Advances shall not accrue interest and shall be subject to refund from the date of original advance payment. This will span a sixyear period at the rate of fifty percent (50%) of the annual metered electric service bill of the above Applicant.
  - b. If additional customers are connected to the above described line extension, the above Applicant shall receive refunds equal to three times estimated base revenue for each additional new customer to the extent the base revenue exceeds the additional distribution construction costs incurred by MidAmerican Energy Company. Base revenue shall be estimated annual kilowatt hours based on similarly situated customers, less the cost of fuel.

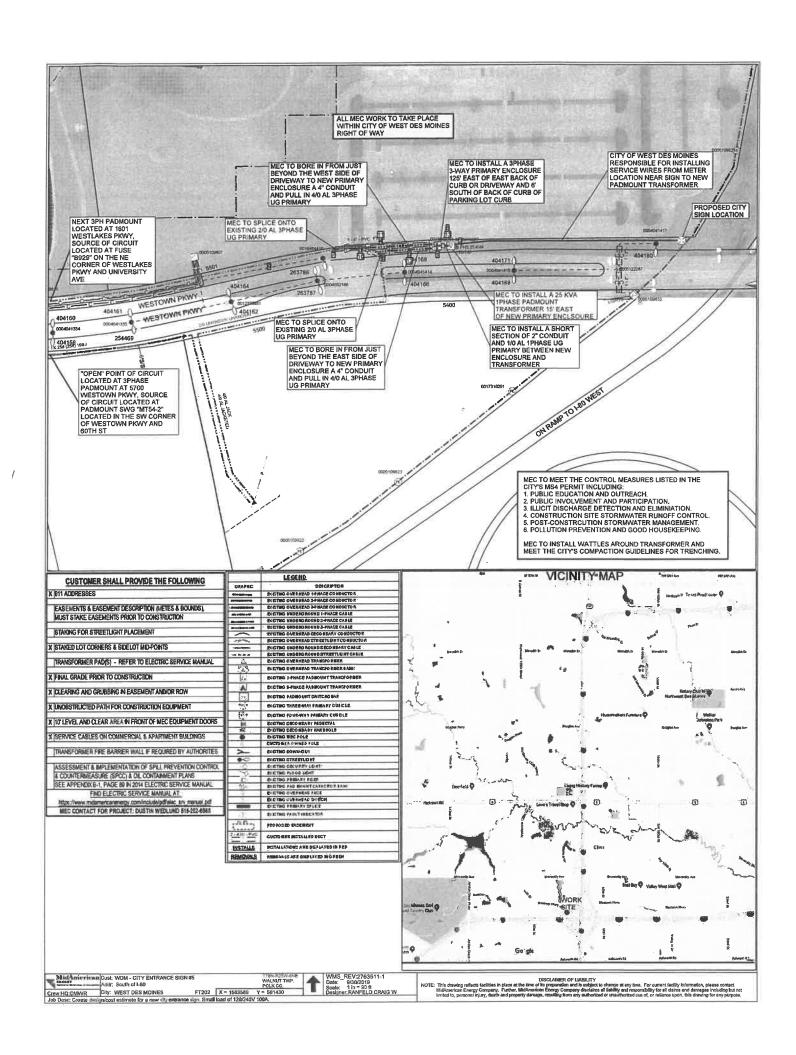

- c. Refunds shall be made on the anniversary date of the original advance payment or sooner at the option of MidAmerican Energy Company.
- d. Revenue for un-metered private lighting shall not be included in any refund.
- e. No refunds shall be made for revenue received after six (6) years from the date of the original advance payment.
- f. Never shall the total of refunds exceed the refundable portion of the payment stated above.
- g. No refunds shall be made for customers served from a further extension of the above described electric line extension.
- 5. Except as may hereinafter be provided, MidAmerican Energy Company shall:
  - a. Not tamp the backfill. Applicant agrees to indemnify and hold MidAmerican Energy Company harmless from any and all damages that may result from the non-tamping of backfill operations conducted by MidAmerican Energy Company. In case any action is brought against MidAmerican Energy Company, or any of its agents or employees, relative to such backfill operations, the Applicant shall assume full responsibility for the defense thereof. Upon failure to do so on proper notice, MidAmerican Energy Company reserves the right to defend such action and charge all costs to the Applicant provided, however, that nothing herein shall be construed as an assumption of liability by the Applicant for damages and claims attributable to MidAmerican Energy Company negligence.
- 6. Applicant shall provide, without cost to MidAmerican Energy Company, such easements as are necessary and incidental to such installation and use of MidAmerican Energy's facilities on private property within the area served. If a 3<sup>rd</sup> party easement is required any cost associated in obtaining the easement will be paid by the applicant.

# CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

DATE: October 7, 2019

#### ITEM:

Approve Lease for Library Temporary Storage Library Interior Renovations

#### **FINANCIAL IMPACT:**

The Commercial Real Estate Lease (attached) associated with the temporary storage of items located in the Public Library located at 4000 Mills Civic Parkway is anticipated not to exceed \$113,194.00. If the leasing term extends beyond June 30, 2021, an additional fee of \$5,500 per month will be charged. All costs for these services can be paid from account no. 100.480.700.5230.578 with the ultimate funding intended to come from General Obligation Bonds, Private Contributions, and/or Local Option Sales Tax.

#### **BACKGROUND:**

Approval of this lease allows City Staff to place items from the Public Library into temporary storage at 175 South 9th Street (Lots 17, 18 & 19) while interior renovations are being completed at the Public Library. The lease does not include utility costs or any improvements that may be needed to the storage space (i.e. dehumidification).

This agenda item was distributed to the Public Services Subcommittee by e-mail only since there was no meeting.

#### **OUTSTANDING ISSUES: None**

#### **RECOMMENDATION:**

- Approving Lease for Library Temporary Storage.

#### COMMERCIAL REAL ESTATE LEASE

**PREMISES.** Landlord, in consideration of the lease payments provided in this Lease, leases to Tenant - (the "Premises") located at, 175 S 9<sup>th</sup> St, Lots 17, 18, 19. West Des Moines, Iowa.

TERM. The lease term will be, to begin on 10-14-2019 and will terminate on 6/30/2021.

LEASE PAYMENTS. Tenant shall pay to Landlord monthly installments of <u>\$5,500</u>, for lease payable on the first day of each month. Payments shall be made to the Landlord at 2208 Woodlands Pkwy, Clive, IA 50325. First months rent will be prorated for 18 days (18/31), thus \$3,194 will be due.

POSSESSION. Tenant shall be entitled to possession on the first day of the term of this Lease and shall yield possession to Landlord on the last day of the term of this Lease, unless otherwise agreed by both parties in writing. At the expiration of the term, Tenant shall remove its goods and effects and peaceably yield up the Premises to Landlord in as good a condition as when delivered to Tenant, ordinary wear and tear excepted.

**PROPERTY INSURANCE.** Tenant shall maintain appropriate insurance for their respective interests in the Premises and property located on the Premises. Tenant is responsible for maintaining casualty insurance on its own property.

MAINTENANCE. Landlord shall always have the responsibility to maintain the Premises in good repair. Landlord is only responsible to maintain the structure and tenant is responsible for maintenance of any improvements they chose to make.

UTILITIES AND SERVICES. Tenant shall be responsible for all utilities and services incurred in connection with the Premises.

**TAXES.** Taxes attributable to the Premises or the use of the Premises shall be allocated as follows:

REAL ESTATE TAXES. Landlord shall pay all real estate taxes and assessments for the Premises.

**DEFAULTS.** Tenant shall be in default of this Lease if Tenant fails to fulfill any lease obligation or term by which Tenant is bound. Subject to any governing provisions of law to the contrary, if Tenant fails to cure any financial obligation within 5 days (or any other obligation within 10 days) after written notice of such default is provided by Landlord to Tenant, Landlord may take possession of the Premises without further notice (to the extent permitted by law), and

without prejudicing Landlord's rights to damages. In the alternative, Landlord may elect to cure any default and the cost of such action shall be added to Tenant's financial obligations under this Lease. Tenant shall pay all costs, damages, and expenses (including reasonable attorney fees and expenses) suffered by Landlord by reason of Tenant's defaults. All sums of money or charges required to be paid by Tenant under this Lease shall be additional rent, whether such sums or charges are designated as "additional rent". The rights provided by this paragraph are cumulative in nature and are in addition to any other rights afforded by law.

**HOLDOVER.** If Tenant maintains possession of the Premises for any period after the termination of this Lease ("Holdover Period"), Tenant shall pay to Landlord lease payment(s) during the Holdover Period at a rate equal to the normal payment rate set forth in the Renewal Terms paragraph.

CUMULATIVE RIGHTS. The rights of the parties under this Lease are cumulative and shall not be construed as exclusive unless otherwise required by law.

NON-SUFFICIENT FUNDS. Tenant shall be charged \$\_50.00\_ for each check that is returned to Landlord for lack of sufficient funds.

REMODELING OR STRUCTURAL IMPROVEMENTS. Tenant shall have the obligation to conduct any construction or remodeling (at Tenant's expense) that may be required to use the Premises as specified above. Tenant may also construct such fixtures on the Premises (at Tenant's expense) that appropriately facilitate its use for such purposes. Such construction shall be undertaken, and such fixtures may be erected only with the prior written consent of the Landlord which shall not be unreasonably withheld. Tenant shall not install awnings or advertisements on any part of the Premises without Landlord's prior written consent. At the end of the lease term, Tenant shall be entitled to remove (or at the request of Landlord shall remove) such fixtures and shall restore the Premises to substantially the same condition of the Premises at the commencement of this Lease.

ACCESS BY LANDLORD TO PREMISES. Subject to Tenant's consent (which shall not be unreasonably withheld), Landlord shall have the right to enter the Premises to make inspections, provide necessary services, or show the unit to prospective buyers, mortgagees, tenants or workers. As provided by law, in the case of an emergency, Landlord may enter the Premises without Tenant's consent. During the last three months of this Lease, or any extension of this Lease, Landlord shall be allowed to display the usual "To Let" signs and show the Premises to prospective tenants.

DANGEROUS MATERIALS. Tenant shall not keep or have on the Premises any article or thing of a dangerous, flammable, or explosive character that might substantially increase the danger of fire on the Premises, or that might be considered hazardous by a responsible insurance company, unless the prior written consent of Landlord is obtained and proof of adequate insurance protection is provided by Tenant to Landlord.

COMPLIANCE WITH REGULATIONS. Tenant shall promptly comply with all laws, ordinances, requirements and regulations of the federal, state, county, municipal and other authorities, and the fire insurance underwriters. However, Tenant shall not by this provision be required to make alterations to the exterior of the building or alterations of a structural nature.

MECHANICS LIENS. Neither the Tenant nor anyone claiming through the Tenant shall have the right to file mechanics liens or any other kind of lien on the Premises and the filing of this Lease constitutes notice that such liens are invalid. Further, Tenant agrees to (1) give actual advance notice to any contractors, subcontractors or suppliers of goods, labor, or services that such liens will not be valid, and (2) take whatever additional steps that are necessary in order to keep the premises free of all liens resulting from construction done by or for the Tenant.

ASSIGNABILITY/SUBLETTING. Tenant may not assign or sublease any interest in the Premises, nor effect a change in the majority ownership of the Tenant (from the ownership existing at the inception of this lease), nor assign, mortgage or pledge this Lease, without the prior written consent of Landlord, which shall not be unreasonably withheld.

GOVERNING LAW. This Lease shall be construed in accordance with the laws of the State of Iowa.

ENTIRE AGREEMENT/AMENDMENT. This Lease Agreement contains the entire agreement of the parties and there are no other promises, conditions, understandings or other agreements, whether oral or written, relating to the subject matter of this Lease. This Lease may be modified or amended in writing, if the writing is signed by the party obligated under the amendment.

**SEVERABILITY.** If any portion of this Lease shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Lease is invalid or unenforceable, but that by limiting such provision, it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

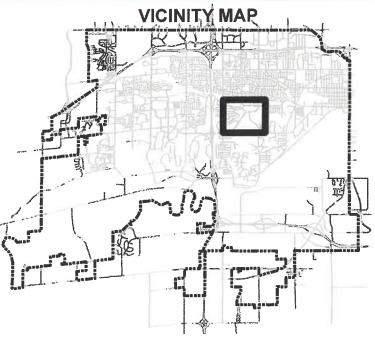

WAIVER. The failure of either party to enforce any provisions of this Lease shall not be construed as a waiver or limitation of that party's right to subsequently enforce and compel strict compliance with every provision of this Lease.

**BINDING EFFECT.** The provisions of this Lease shall be binding upon and inure to the benefit of both parties and their respective legal representatives, successors and assigns.

## CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

DATE: October 7, 2019

#### **ITEM**:

Resolution – Approval of Agreement for Transfer of Public Road Jurisdiction Wendover Road along I-80 Iowa Department of Transportation

#### **FINANCIAL IMPACT:**

No additional costs for maintenance are expected.

#### **BACKGROUND:**

The City of West Des Moines currently maintains Wendover Road in the corporate limits of the City. The Iowa Department of Transportation (IDOT) currently holds title to the land beneath Wendover Road. The IDOT originally acquired property necessary to construct I-80. Construction of I-80 caused Wendover Road to be realigned along the south right of way of the interstate. The normal IDOT practice was to deed any surplus property including local roads to the local jurisdiction when the I-80 construction was complete. In this case, the IDOT retained title to the land in case any widenings of the interstate would occur. The IDOT has completed their studies regarding expansion of I-80 and are now comfortable with the transfer.

This agenda item was distributed to the Public Services Subcommittee by e-mail only since there was no meeting.

**OUTSTANDING ISSUES:** 

None.

| Agreement No.        | 2019-TJ-001        |  |
| Commission Order No. |                    |  |

This Agreement entered into by and between the Iowa Department of Transportation, hereinafter designated the "STATE", and the city of West Des Moines, Iowa, a Local Public Agency, hereinafter designated the "LPA"; and in consideration of these premises and the mutual covenants hereinafter set forth, it is hereby agreed as follows:

#### WITNESSETH, that

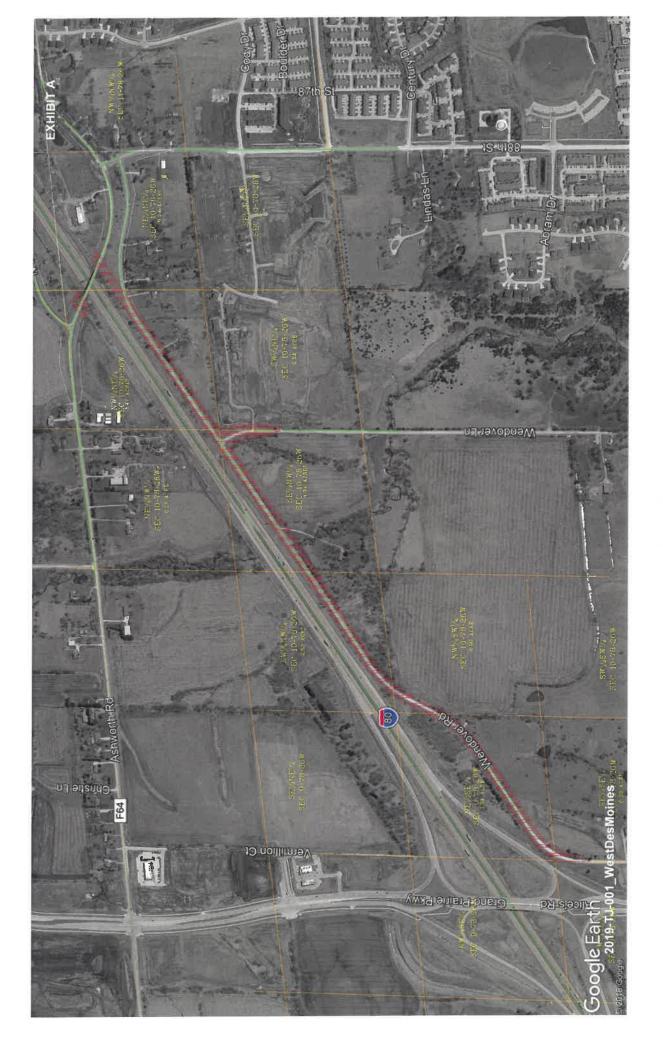

- In accordance with the provisions of lowa Code Sections 313.2 and / or 306.42, the STATE hereby agrees to transfer jurisdiction of the following public road segment(s), including all structures and right-of-way, to the LPA:
  - a. That portion of Wendover Road on the south side of I-80, a length of approximately 1.57 miles, as shown on Exhibit A attached.
- 2. The LPA agrees to accept the road segment(s) described in this Agreement into its road system and maintain them in accordance with all applicable laws, regulations and administrative rules.
- 3. The LPA and the STATE have examined the physical condition of the public road segment(s) described in this Agreement and have agreed that:
  - i. The road segment(s) shall be transferred in its(their) present condition.
- 4. The transfer of jurisdiction of the public road segment(s) described in this Agreement shall take place following the execution of this agreement by both the LPA and the STATE as follows:
  - i. The LPA shall assume jurisdiction of the public road segment(s) described in this Agreement upon receipt of written notification to the LPA (by certified mail) of the time and date of the STATE's intention to transfer.
- 5. The LPA has inspected the public road segment(s) described in this Agreement and agrees to accept said road subject to the conditions set forth herein. In accordance with Iowa Code Section 306.42(6), neither the LPA nor the STATE shall be held liable for any claim for damage for any act or omission relating to the design, construction, or maintenance of the public road segment(s) described this Agreement that occurred prior to the effective date of the transfer.
- The STATE shall transfer to the LPA by quit-claim deed all its legal or equitable title or interest in the right-of-way, except as noted in Section 7 following, of the public road segment(s) described in this Agreement. The LPA shall accept said deed, pursuant to lowa Code Section 306.42.
- 7. If the STATE has acquired access rights by warranty deed for the public road segment(s) described in this Agreement, the LPA shall not, within 150 feet of the edge of any at-grade intersecting primary highway, either alter those rights or allow any new access.

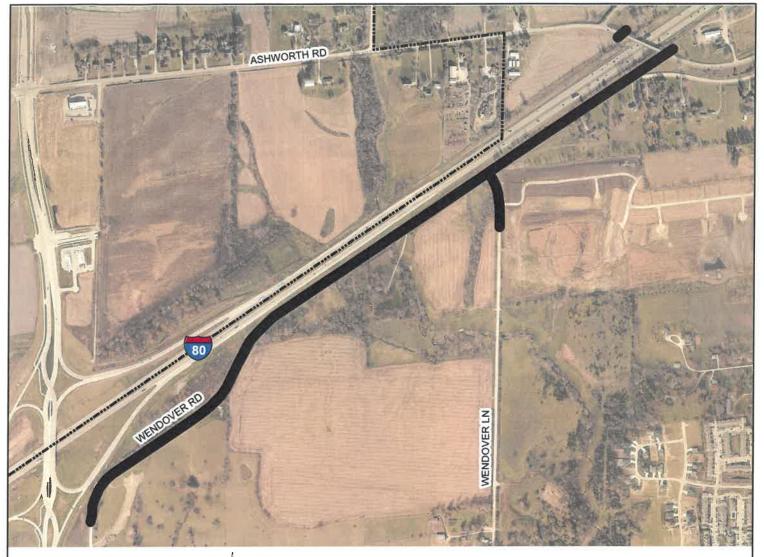

#### August 2013

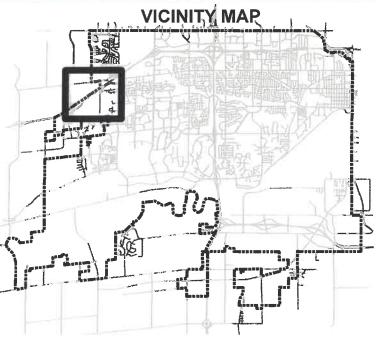

- 8. Once the transfer of jurisdiction is complete, the LPA shall be responsible for signing the road segment. Procedures to modify the secondary route numbering system are outlined in Instructional Memorandum (IM) 4.01. The LPA shall also be responsible for any requests to modify the Farm to Market (FM) road system as outlined in IM 4.210 and 4.220.
- 9. If any section, provision, or part of this Agreement is found to be invalid or unconstitutional, such finding shall not affect the validity of the Agreement as a whole or any section, provision, or part thereof not found to be invalid or unconstitutional.
- 10. This Agreement shall be executed in two counterparts, each of which shall constitute but one and the same instrument.
- 11. This Agreement including referenced exhibits, constitutes the entire Agreement between the LPA and the STATE concerning this transfer of jurisdiction. Representations made before the signing of this Agreement are not binding, and neither party has relied upon conflicting representations in entering into this Agreement. Any change or alteration to the terms of this Agreement must be in the form of an addendum to this Agreement. Said addendum shall become effective only upon written approval of the STATE and the LPA.

## CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

Date: October 7, 2019

ITEM: Approval and Acceptance of Hold Harmless & Maintenance Agreement - Railroad Park
Holiday Lighting - Historic Valley Junction Foundation - 425 Railroad Ave - Approval of a
Hold Harmless and Maintenance Agreement related to the installation of holiday lighting in
Railroad Park and the 5<sup>th</sup> Street arch - MML2-004473-2019

RESOLUTION: Approval and Acceptance of Hold Harmless & Maintenance Agreement

FINANCIAL IMPACT: Undetermined.

BACKGROUND: The Historic Valley Junction Foundation is proposing to install holiday lighting in the City-owned Railroad Park located adjacent to Railroad Avenue between 4th and 5th streets. The lights will be installed and maintained by the Foundation. The holiday lighting is part of a larger initiative to install accent lighting, both permanent and temporary, in the park. At this time, the permanent installation of accent lighting cannot be approved due to conflicts with city code; however, the City Attorney is working on an amendment to city code that would allow community benefit projects (with no connection to a commercial entity or activity) that otherwise would be prohibited by code. Since the City does not regulate holiday lighting, the proposed accent lighting can be installed on a temporary basis. The applicant is aware that there is no guarantee on the part of the City that the lights will be allowed other than in conjunction with holidays. Because the installation will occur within City-owned property, staff believed it was appropriate to execute a Hold Harmless Agreement to protect the City, as well as a maintenance agreement outlining installation, maintenance and repair responsibilities to the Historic Valley Junction Foundation. For policy and title purposes, formal acceptance by the City Council of the agreements is required.

**CITY COUNCIL SUBCOMMITTEE:** Due to timing of this matter and desire to order and install the lighting, this item was not presented to the Development and Planning City Council Subcommittee.

**OUTSTANDING ISSUES:** There are no outstanding issues.

**RECOMMENDATION:** Adopt a resolution approving and accepting the Hold Harmless and Maintenance Agreement for the placement of holiday lighting within City owned Railroad Park and on arch over 5<sup>th</sup> Street.

## HOLD HARMLESS AND MAINTENANCE AGREEMENT BETWEEN THE CITY OF WEST DES MOINES, IOWA AND HISTORIC VALLEY JUNCTION FOUNDATION FOR THE VALLEY JUNCTION RAILROAD PARK ENHANCEMENT LIGHTING PROJECT

This Agreement (hereinafter "Agreement") is entered into by and between the City of West Des Moines, a municipality organized under the laws of the State of Iowa (hereinafter "City") and Historic Valley Junction Foundation, an Iowa non-profit organization (hereinafter "Foundation") to establish and define the installation and maintenance responsibilities of the Foundation for the accent lighting fixtures installed in Historic Valley Junction, specifically within Railroad Park and adjacent right-of-way, including the arch structure over 5<sup>th</sup> Street.

Whereas, the Foundation is a non-profit organization focused on historic preservation, economic development, business relations, and special event planning and management in the Historic Valley Junction.

Whereas, the Foundation desires to install enhancement lighting in the Historic Valley Junction as more particularly depicted on Exhibit 1 (hereinafter "Lighting Area"). The Project is more specifically defined as (hereinafter "Lighting"):

- a. Installation of lighting enhancements, with controllable, color changing LED lighting, both permanent and temporary.
- b. Installation of string lighting on the roof structures located in the park, the arch structure over 5<sup>th</sup> Street, hidden within the underside of the fence top rail, and on the rail car.
- c. Installation of glowing spheres to be suspended from trees.
- d. Installation of ground mounted flood lights to light groupings of trees.
- e. Installation of flood lights to light the rail car, which will be ground mounted on the south and mounted to existing poles on the north.
- f. Installation of string lights on one tree next to the bandshell, which will include an audio interactive control.
- g. Installation of string lights on tree trunks of the twelve (12) large trees in the park, and the five (5) trees on the north side of the parking area.
- h. All installations shall be temporarily installed on or after October 1 of each year and removed by January 31 of each year.

Whereas, the City is the owner of said property upon which the Foundation intends to install Lighting.

NOW THEREFORE, be it agreed by the City and Foundation as follows:

#### 1. City's Rights and Obligations.

a. The City hereby consents to the temporary installation of the Lighting as shown on Exhibit 1 ("Lighting Area") from the time of installation on or after October 1 until removal by January 31 of each year.

- b. The City hereby grants and creates a limited right of access to the Foundation, its licensees, agents, contractors, subcontractors, successors and assigns, for ingress and egress on, over and across the property upon which Lighting is to be installed for the sole purpose of installation and maintenance of lighting and associated electrical wiring and equipment.
- c. The City reserves the right to inspect any Lighting element to determine whether its placement will cause damage to tree(s), structure(s), or other City property.
- d. The City reserves the right to remove any lighting element, including electrical wiring and equipment, at any time and for any reason. The City shall not be responsible for re-installation of any removed lighting element.

## 2. Foundation Rights and Obligations.

- a. The Foundations shall take reasonable steps to ensure that all work performed by the Foundation will be initiated and completed within a reasonable period. Following completion of the work performed by the Foundation, the City's property shall be restored to a condition similar to that which existed prior to the performance of work.
- b. The Foundation shall not place any permanent lighting in a manner that could potentially cause damage to any tree(s), structure(s) (i.e. caboose, shelter, fence, light poles, etc.), or other City property.
- c. The Foundation will be responsible for ensuring the electrical service(s) utilized for the Lighting is sufficient to support the electrical load required by the Lighting and all other electrical needs currently being served by the electrical service.
- d. The Foundation shall be responsible for removal of any Lighting element upon request from the City for any future improvement projects within the Lighting Area.
- e. The Foundation shall not place any flood lights in any mown turf area or paved area. The Foundation shall place flood lights solely in landscape beds, mulched areas around trees, or rock mulch around the rail car.
- f. The Foundation shall be responsible for any necessary repairs due to any disturbance and/or damage to City property, including but not limited to pavement, grass, landscape beds, during installation or maintenance of the Lighting or associated electrical wiring and equipment.
- g. The Foundation will be solely responsible for replacement of any Lighting element or associated electrical wiring and equipment.

## 3. Hold Harmless.

The Foundation agrees to defend, indemnify and save the City, its officials, employees, agents, contractors or assigns harmless from any and all loss, damage or expense, including reasonable attorney fees which the City may suffer, incur or sustain, or for which the City may become liable, arising or growing out of any injury or damage whatsoever to persons or property, real or personal, occurring as a result of the installation or maintenance of Lighting in or on the Lighting Area, unless such loss, damage, injury or expense is due to the negligence of the City, its officials, employees, agents, contractors, or assigns.

#### 4. Duration.

This agreement is effective upon execution and final approval by the City of West Des Moines, Iowa City Council. This Agreement shall be effective unless otherwise terminated by either party for any reason.

## 5. Jurisdiction and Venue

The Grantor(s) agree that the District Court in and for the State of Iowa shall have exclusive jurisdiction over the subject matter and enforcement of the terms and conditions of this Easement and said parties shall consent to the jurisdiction of Polk County, Iowa.

### 6. Words and Phrases

Words and phrases herein shall be construed as in the singular or plural number, and as masculine, feminine, or neuter gender, according to the context.

## 7. Parties

The term "City" as used herein shall refer to the City of West Des Moines, Iowa, its elected officials, agents, employees, officers, contractors, successors and assigns. The term "Foundation" shall refer to the Historic Valley Junction Foundation, its assigns, successors-in-interest, or lessees, if any.

## 8. Integration

This Agreement shall constitute the entire Agreement between the parties and no amendments or additions to this Agreement shall be binding unless in writing and signed by both parties.

## 9. Paragraph Headings

The paragraph headings in this Agreement are included solely for convenience and shall not affect or be used in connection with, the interpretation of this Agreement.

## CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

DATE: October 7, 2019

ITEM:

Resolution - Approval and authorization for the Mayor to sign the Pole Attachment Contract

with MidAmerican Energy

**FINANCIAL IMPACT:** The City has committed \$422,885.14 of Community Development Block Grant Program funds to this initiative. Microsoft has donated \$250,000. Any fees associated with usage of the MidAmerican poles will be done within the existing budget.

**BACKGROUND:** The City's Department of Community and Economic Development is presently engaged in the Valley Junction Broadband Equity Pilot. The Pilot is designed to pursue the City's goal of universal broadband access and has been undertaken in conjunction with a series of public and private partners, including Microsoft, West Des Moines Community School District, Valley Junction Historical Foundation and the Federal Department of Housing and Urban Development's Community Development Block Grant (CDBG) program. The first phase of the Pilot has been successfully completed and the second phase is ready to proceed.

As part of the second phase of this Pilot, we will be expanding the Public Wi-Fi system in the Valley Junction area. The most effective and cost-efficient means to accomplish that would be to use existing infrastructures such as City buildings and MidAmerican utility poles. In order to access MidAmerican utility poles the City will need to complete a "make ready" study and enter into a Pole Attachment Contract with MidAmerican. The purpose of the "make ready" study is to assure that any proposed Wi-Fi attachments meets MidAmerican, State and National compliance and safety requirements.

The "make ready" study has been completed and a Pole Attachment Contract with MidAmerican has been prepared.

**RECOMMENDATION:** Resolution approving and authorizing the Mayor to sign the Pole Attachment Contract with MidAmerican.

THIS POLE ATTACHMENT CONTRACT (this "Contract"), dated as of \_\_\_\_\_\_, 2017 (the "Effective Date"), is entered into by and between MIDAMERICAN ENERGY COMPANY, an Iowa Corporation, hereinafter "MidAmerican or Licensor," and the CITY OF WEST DES MOINES, "Licensee", an Iowa municipal corporation.

WHEREAS, MidAmerican is engaged in the business of providing electric service to customers in certain areas within the state of Iowa; and

WHEREAS, Licensee is a municipal corporation working in conjunction with a broadband communications provider in the City of West Des Moines, Iowa; and

WHEREAS, Licensee desires to attach its communications facility equipment, including but not limited to antennas, coaxial and fiber optic lines, base station equipment, conduit and other Equipment to Poles owned by MidAmerican within the city of West Des Moines, Iowa and MidAmerican desires to grant Licensee access to such Poles in accordance with the terms and conditions of this Contract.

NOW, THEREFORE, the Parties agree as follows:

#### Article I. **DEFINITIONS**

The following terms, when used herein with initial capitalization, whether in the singular or in the plural, shall have the meanings specified in this Article I:

- "Administrative Fees" means charges to requests for data/document support and necessary internal processing of Applications and Contracts.
- "Application" means an action where Licensee requests permission to add or modify its Attachments(s), or sends notification of its removal of previous Attachments(s). For each Application received, Licensor analyzes the data, updates its records and responds to Licensee at least once per Application, regarding its approval or acknowledgement of the application.
- "Application Fees" means data and document support, engineering analysis and review, post-installation field audit and any other costs incurred by MidAmerican that are caused by or attributable to Licensee's equipment attachment.
- "Attachment" means each individual contact of Licensee's Equipment to a Pole.
- "Attachment Fee" means annual fee Licensee shall pay each year for each of its attachment.
- "Business Days" means days other than a Saturday, Sunday, or state or federal holiday when banks are authorized to be closed.
- "Board" means the Iowa Utilities Board.
- "Distribution Standards and Conditions" means the current MidAmerican Distribution Standards and Conditions attached as Exhibit C, and any subsequent revisions to Exhibit C.

"Equipment" means cables, wires, conductors, fiber optics, splice cases, insulators, connectors, fasteners, transformers, capacitors, nodes, switches, batteries, amplifiers, power supplies, devices, structures, materials, machines, appurtenances, articles, or apparatus of any sort, whether electrical or physical in nature, or otherwise, including without limitation all support equipment such as guy wires, anchors, anchor rods, grounds, and other accessories. Equipment specifically excludes Licensee wireless communication devices.

"FCC" means the Federal Communications Commission.

"Inspection" means examination by MidAmerican of its Poles and all proposed or existing Attachments for the purpose of verifying the number and location of all Attachments and any other pole-mounted Equipment of Licensee, or determining whether Licensee is in compliance with the terms of this Contract.

"Iowa Electrical Safety Code" means the standard minimum requirements for the installation and maintenance of electric substations, generating stations, and overhead and underground electric supply or communications lines as provided in 199 IAC Chapter 25 of the Board rules.

"Make-ready Work" means all work including, but not limited to, engineering analysis, site inspections, review of the design, strength and loading characteristics of the affected Poles(s) and performance of such tests, calculations, analyses, and other items reasonably necessary to calculate the make-ready work, including without limitation, work related to transfers, rearrangements and replacements of existing equipment, and/or the addition of new equipment.

"National Electrical Safety Code" or "NESC" means the current edition published by the Institute of Electrical and Electronics Engineers, Inc., as may be amended or supplemented from time to time. The most recent NESC code or successor code adopted by the State in which the Equipment is located shall apply.

"Occupancy Survey" means a periodic effort to collect information through Inspection by MidAmerican of all or any number of Poles that may have Licensee Attachments.

"Party" means MidAmerican or Licensee, as the context requires; "Parties" means MidAmerican and Licensee.

"Periodic Inspection" means any inspection done at the option of MidAmerican to review the safety and integrity of its Poles. Periodic Inspections do not include pre-construction activities, post construction inspections or Occupancy Surveys.

"Pole" means any pole owned by MidAmerican that is designed to carry electric distribution facilities.

"Service Drop" means any telecommunications line or Equipment that originates from and is attached directly to MidAmerican's Pole and ends at a house or business.

"Survey" means all work including, but not limited to, engineering analysis, inspections, review of the design, strength and loading characteristics of the affected Pole(s), and performance of such tests, calculations, analyses, and other items reasonably necessary to calculate the Make-ready Work.

#### Article II. SCOPE OF CONTRACT

## Section 2.01 Grant of License; Geographic Scope

Licensee's use of Poles shall be confined to the Attachments which MidAmerican may give Licensee prior written permission to install for the sole purpose of providing; communication (the "Permitted Purpose") services.

In the event Licensee intends to expand or modify its Permitted Purpose, Licensee shall provide at least ninety (90) days advance written notice to MidAmerican. Following receipt of such notice, MidAmerican shall determine in its sole discretion, consistent with 47 USC 224, 47 CFR 1.1401 et seq. and 199 IAC 25.1 et seq., whether to permit the modification or expansion and if permitted, whether this Contract shall be amended accordingly or whether Licensee shall be required to enter into a new contract. For Service Drop and over-lashing installation, Licensee shall provide Licensor with the notice requirements provided in Sections 5.04 and 6.09.

MidAmerican will permit Attachments only to poles or towers which are designed to accommodate MidAmerican's electric distribution facilities (15 kV or less). Nothing in this Contract shall be construed to obligate MidAmerican to grant Licensee permission to use any particular pole(s), duct(s) or tower(s).

## Section 2.02 License Denial

The parties agree that License(s) shall not be issued to Licensee when Licensor determines, in its commercially reasonable discretion that such License(s) should be denied for (i) insufficient capacity, or (ii) for reasons of (a) safety, (b) reliability, or (c) generally applicable engineering purposes. Such denial shall be in writing delivered to the Licensee no later than 45 days after application submission. Such written denial shall include all relevant evidence supporting denial, and how such evidence relates to denial for lack of capacity, safety, reliability or engineering standards.

#### Section 2.03 Maintenance of Poles

Licensor assumes or accepts no responsibility or obligation to maintain its Facilities in any manner inconsistent with its then current maintenance practices due to the presence of Attachments.

## Article III. REQUIREMENTS FOR ATTACHMENT TO POLES

#### Section 3.01 Location

Licensee shall locate Attachments only on the Pole as provided per Licensor's instructions.

Licensee shall not permit any other party to physically attach cables, facilities or equipment on MidAmerican's poles.

## Section 3.02 Non-Interference

Licensee shall have the obligation and duty to verify that the Licensor's and other Licensee's service requirements will not be disrupted.

#### Article IV. APPLICATION FOR PERMISSION TO INSTALL ATTACHMENT

## Section 4.01 Application Process Generally

Licensee shall not begin installing any of its Attachments, including, without limitation, any power supply equipment, to any of Licensor's Poles without first making application for a License and obtaining written approval of the License from Licensor as provided in Section 4.02.

## Section 4.02 Application Process for Attachments

Licensee shall submit a completed Application, as provided in Exhibit D, for attaching or modifying any of its Attachments, identifying the Poles involved and such other information required in Exhibit D. Licensor shall timely notify Licensee of errors in an incomplete application and return the application to Licensee for resubmittal. The following provisions shall apply with respect to Licensee's Attachment requests, subject to applicable law:

- a. <u>Survey.</u> After Licensor's receives of a complete Application (a "Complete Application"), Licensor shall grant or deny an attachment request submitted by Licensee and provide Licensee written notification of acceptance or denial ("Application Notification").
- b. <u>Estimate.</u> If Licensor does not deny Licensee's Complete Application as set forth in Section 2.01, Licensor shall present to Licensee an estimate of charges to perform all Make-Ready Work (the "Estimate").
- c. <u>Acceptance.</u> Licensee shall be entitled to accept the Estimate by making payment to Licensor of the amount set forth in the Estimate (the "Make-Ready Payment"), 14 days after receipt of the Estimate.
- d. <u>Make-Ready</u>. If in the sole judgment of MidAmerican, the accommodation of any of Licensee's Attachments placement necessitates Make-ready Work, MidAmerican shall provide the estimated cost of the Make-ready Work in its response to the respective application.

In the event Licensee fails to complete installation of its Attachments within the prescribed time limit, MidAmerican may grant Licensee additional time to place Attachments upon the Pole(s) upon Licensee request, so long as Licensee has begun its installation. If Licensee has failed to begin installation within the one hundred eighty (180) day time period commencing the day following the conclusion of all Makeready Work, the permission granted to Licensee shall automatically terminate and Licensee shall be required to reapply and receive permission to do so, all as prescribed in Section 4.02 as applicable to the initial application. Licensee's failure to actually install its Equipment, after it has received approval from MidAmerican, shall not constitute entitlement for any refund or reduction of fees or rental charges incurred for its proposed attachments. Licensee shall provide written notice to MidAmerican of its completion within five (5) Business Days of the actual installation.

## Section 4.03 Disclosure of Applications

To the extent necessary to accommodate Licensee's Attachments or the Attachments of other Licensees, requests for access may be shared with all other Licensees.

## Section 4.04 NESC Compliance

All Attachments, including temporary Attachments, shall comply with the current edition of the NESC, including, without limitation, Rules 232, 235, 238, 239, 264a and Section 43 and any other requirements of this Contract.

#### Article V. LICENSEE'S USE OF POLES

## Section 5.01 Installed Attachments; Maintenance and Repairs by Licensee

Licensee shall, at its own expense, install all Attachments in a safe condition and maintain the same in good repair and Licensor's Distribution Standards and Conditions and any reasonable manner suitable to Licensor and so as not to conflict with the use of the Pole by Licensor. Only certified and trained electrical line workers authorized by Licensor may perform Licensor specified rearrangement or modifications of electrical facilities. Certification and training includes the qualifications to operate within and to create 40 inches of communication safety space. Additionally, only such certified and trained electrical workers shall service telecommunications facilities within the 40 inches of communications safety space or at any location on any pole where an electrical or mechanical hazard may be present. All persons performing work associated with Licensors power facilities shall be trained and follow work procedures consistent with OSHA standards. Licensee shall be responsible for assuring its representatives, contractors or subcontractors are familiar with MidAmerican's pole standard tagging to identify the general condition of the pole at the ground line (Exhibit 1). Upon execution of this Contract, Licensor shall make available to Licensee on an annual basis a reasonably sufficient and upto-date list of authorized contractors permitted to perform work and other duties outlined in this Section 5.01.

#### Section 5.02 Jointly Owned

Some of MidAmerican electric distribution poles are jointly owned with an incumbent telephone company, in addition to the terms and conditions of this Contract, the Applicant shall make application to, receive authorization from, and comply with all joint owner requirements pertaining to the installation of Licensee's facilities. Third party use of jointly owned poles requires the consent of all joint owners; MidAmerican may not unilaterally authorize the use of a jointly owned pole.

### Section 5.03 Operation

When a License is issued pursuant to this Contract, Attachments shall be installed and maintained in accordance with the requirements and specifications of the then current editions of the American National Standards Institute, Iowa Board Safety Rules, National Electrical Code (NEC), and the NESC, both of which are incorporated by reference in this Contract, and the rules and regulations of the Occupational Safety and Health Act of 1970 (OSHA) and in compliance with any lawful rules, regulations, or orders now in effect or that may hereafter be issued by Licensor, Governmental Authority, or other authority having jurisdiction.

Licensee must furnish, own, install, operate and maintain Attachments at its own expense. In the event there are changes in any such requirements or specifications, including but not limited to changes in required clearances, Licensee shall modify its Equipment to comply with such changes at its sole risk and expense.

## Section 5.04 Adjacent Facilities

Licensee recognizes that Licensor will need to use, or otherwise have access to, the Sites or the area surrounding the sites in conjunction with the operation and maintenance of Licensor's electric distribution system. Licensee agrees to subordinate its rights under this Contract in favor of Licensor's rights to perform necessary, emergency, or otherwise expedient operations on such surrounding or adjacent Facilities.

#### Section 5.05 Service Attachments

Licensee shall have the right to install Service Drops prior to, but still subject to, notice to MidAmerican. When Licensee installs Service Drops, Licensee must notify MidAmerican within thirty (30) days of the Service Drop. Service Drops attachments not reported to MidAmerican within thirty (30) days of installation will be treated by MidAmerican as unauthorized installations. If Licensee has not removed its Attachments or fails to contact MidAmerican requesting a reasonable extension within the five (5) Business Day period, or in the case of emergencies, within the period specified by MidAmerican, MidAmerican may remove Licensee's Equipment at Licensee's sole risk and expense, and Licensee shall pay, upon demand, for all costs thereby incurred by MidAmerican.

## Article VI. LICENSEE'S INSTALLATION RESPONSIBILITIES

## Section 6.01 <u>Identification of Equipment</u>

Licensee shall clearly mark each new Attachment with suitable identification as determined in advance by MidAmerican. Licensee's identification must be visible from the ground and not interfere with other facility identification.

#### Section 6.02 Grounding

Licensee, including its employees and contractors, shall not enter MidAmerican's electric utility space for any purpose including, but not limited to making connections to the MidAmerican neutral. If Licensee requires grounding on an existing Pole where a grounding conductor does not exist, Licensee shall request that MidAmerican install grounding at Licensee's sole expense. Licensee, its employees and its contractors, shall at all times exercise Licensee's rights and perform Licensee's responsibilities under the terms of this Contract in a manner that treats all MidAmerican electric facilities as energized.

#### Section 6.03 Nonconforming Equipment

If any Attachment is not placed and maintained in accordance with the requirements and specifications of Sections 4.04 and 5.03, MidAmerican will notify Licensee in writing. The notice shall include the address and pole location where the alleged violation occurred, a description of the alleged violation, and suggested correction action. Licensee shall have sixty (60) days to provide a plan for corrective action and provide MidAmerican with the date when the corrective action will be made or that the attachment is not Licensee's or that the violation was not caused by Licensee. Licensee shall have 180 days of the date of notification to correct the violation, unless good cause is shown in accordance with 199 IAC 25.4. If Licensee fails to follow the plan for corrective action and does not correct the attachment to conform to the electrical safety standards, MidAmerican reserves the right to correct the condition and such work shall be performed at Licensee's sole risk and expense.

Notwithstanding the foregoing, if MidAmerican determines the non-conforming Attachments pose an immediate threat to the safety of utility workers or the public, interfere with the performance of MidAmerican's service obligations, or pose an immediate threat to the integrity of MidAmerican's Poles, Equipment, or electric reliability, MidAmerican may perform such work, without prior notice, at Licensee's sole risk and expense. As soon as practicable thereafter, MidAmerican will notify Licensee in writing of the work performed. Licensee shall pay, upon demand, costs incurred by MidAmerican to correct the non-conforming Attachments.

Licensee is responsible for paying any sanctions MidAmerican incurs as a result of Licensee's failure to correct a violation.

## Section 6.04 Pole Replacement for Licensee's Benefit

Where an existing Pole is prematurely replaced by a new Pole for the benefit of the Licensee, the Licensee shall reimburse MidAmerican for all costs, including, but not limited to, the cost to replace the Pole, transfer of existing MidAmerican Equipment, lower and haul of the existing Pole, and topping of the existing Pole when performed either as an accommodation to Licensee or as required by the NESC, Iowa Electric Safety Code or Board Rules. MidAmerican shall remove and may retain or dispose of its Pole. Any rental fees associated with Attachments shall not entitle Licensee to ownership or ownership rights of any part of the Poles.

## Section 6.05 Mid-span Poles

Any Poles erected by Licensee shall not interfere with, or be in-line with MidAmerican's Poles, and shall not create a structure conflict as defined in the NESC, or the Iowa Electric Safety Code. If Licensee requires placement of a Pole in-line with any existing Poles ("i.e., a mid-span Pole"), Licensee shall notify MidAmerican of its need and MidAmerican shall determine whether it is reasonable to place Pole facilities in such location. Licensee shall pay, upon demand, MidAmerican for all costs incurred by MidAmerican in installing such additional Poles. MidAmerican will have sole ownership of the mid-span Pole and Licensee will pay rental fees to MidAmerican in accordance with Section 7.01 and the attached Exhibit A.

## Section 6.06 <u>Vegetation Management</u>

All initial vegetation management in connection with the initial placement of wires or other Equipment shall be accounted for as part of the Make-ready Work undertaken entirely by the party placing the Attachments and associated Equipment at such party's sole risk and expense. Vegetation management must be conducted following safety guidelines set forth in ANSI Z133.1, Section 4 Electrical Hazards. Appropriate minimum approach distances shall be maintained at all times. If work cannot be accomplished within the minimum approach distance, Licensee shall contact MidAmerican for further directions. Unless agreed to otherwise, each Party shall be responsible for any and all vegetation management related to Licensee's Equipment attached to Poles. If Licensee fails to fulfill its obligations of this section, MidAmerican shall provide written notice to Licensee that if the issue is not resolved within thirty (30) days, MidAmerican will perform the required remedy at Licensee's sole risk and expense.

## Section 6.07 Third-party Consents, Permits, Licenses, or Grants

Licensee shall be solely responsible for obtaining from public authorities and private owners of real property and maintaining in effect any and all consents, permits, licenses or grants necessary for the lawful exercise by Licensee of the permission granted by MidAmerican. MidAmerican, at any time, may require Licensee to submit written documentation of compliance with this Section. Upon notice from MidAmerican to Licensee that necessary permission for the use of any Pole or Poles has expired, or has not been secured from property owners or public authorities, any permission granted covering the use of such Pole or Poles shall immediately terminate and Licensee shall remove its Attachment and associated Equipment from the affected Pole or Poles within sixty (60) days of said notice, or within the period required by the property owners or public authorities, whichever is shorter. If Licensee has not removed its Equipment within said period, MidAmerican may remove Licensee's Equipment from such Poles without incurring any liability and Licensee shall, upon demand, pay MidAmerican all costs incurred by MidAmerican in the removal of Licensee's Equipment.

## Section 6.08 Facility Modifications by Licensor

Licensor will not be required to provide advance notice for Facility modifications made by reason of emergency or routine maintenance activities but shall provide twenty (20) days advance notice for non-routine maintenance. Where Licensor must replace or relocate a Pole and such replacement or relocation is not caused by the addition of a new Attachment, an emergency or routine maintenance, Licensor shall provide Licensee reasonable advance notice before undertaking such replacement or relocation. Licensee shall transfer Attachments within sixty (60) days of receiving notice that the new Pole is in place. Where MidAmerican replaces its Pole and cannot remove the replaced Pole due to Licensee's Attachment, MidAmerican shall remove the top of the Pole to allow the Licensee to relocate its Attachment to the new Pole and make a return trip to remove the replaced Pole. Licensee shall reimburse MidAmerican for the reasonable costs incurred for the return trip.

#### Section 6.09 Over-lashing

Licensee shall notify MidAmerican seven days (7) prior to over-lashing its Equipment to any existing Attachments or other Equipment already attached to Pole(s) by providing an e-mail containing the information requested in Exhibit D. Licensee must ensure that all Attachments are installed and maintained in compliance with all provisions of the NESC in effect at the time of installation and in accordance with Sections 4.04 and 5.03.

## Section 6.10 Removal of Attachments by Licensee

Licensee may at any time remove its Attachments from any of the Poles and, in each case; Licensee shall immediately give MidAmerican written notice of such removal. Inspection fees will apply to notices to remove Attachments pursuant to the Fee Schedule in Exhibit A. Removal of the Attachments from any Pole shall constitute a termination of Licensee's right to use such Pole. Licensee shall not be entitled to a refund of any rental on account of any such removal. When Licensee removes Attachments, the applicable Attachment count will be reduced in the next annual billing cycle following Licensee's proper notice to MidAmerican of the removal.

In the event the Licensee abandons any Attachment and associated Equipment and fails to notify MidAmerican in writing of such abandonment, MidAmerican may remove Licensee's Attachment(s) and associated Equipment from such Poles without incurring any liability and Licensee shall, upon demand, pay MidAmerican all costs incurred by MidAmerican in the removal of Licensee's Equipment.

## Section 6.11 Damage to Equipment

Licensee shall exercise all necessary precautions to avoid causing damage to MidAmerican's Poles, Equipment and third party Equipment; Licensee shall assume responsibility for any and all loss from any such damage and shall reimburse MidAmerican for the entire expense incurred in making repairs, loss of revenue and legal claims as a result of the damages.

## Section 6.12 <u>Inspections and Occupancy Survey</u>

- (a) Inspections. MidAmerican shall have the right to perform an Inspection of each of Licensee's Attachments and other Equipment upon and in the vicinity of MidAmerican Poles at any time. Except for routine periodic inspections, MidAmerican may charge Licensee for the expense of any such Inspections, including Inspections for Make-ready Work, pre-construction Inspections, Inspections during installation of Licensee's equipment, post-construction Inspections, and any other Inspections requested by the Licensee or deemed necessary by MidAmerican. The frequency of periodic Inspections will be determined in MidAmerican's reasonable discretion.
- Occupancy Survey. MidAmerican may conduct an Occupancy Survey any time after the effective date of this Contract and not more often than every fifth year subsequent to each such Occupancy Survey. MidAmerican shall give Licensee at least thirty (30) days prior notice of such Occupancy Survey. Licensee shall advise MidAmerican if Licensee desires to participate in the planning scope of the Occupancy Survey with MidAmerican not less than fifteen (15) days prior to the scheduled date of such Occupancy Survey. MidAmerican shall provide Licensee with a summary report of such Occupancy Survey within a reasonable time after its completion. The inventory data from MidAmerican's Occupancy Survey shall be used to update MidAmerican's Attachment billing records where applicable. Licensee shall make any objections to the inventory data within sixty (60) days of receipt of the summary report or such objections shall be waived. Objections raised to inventory data from an Occupancy Survey shall resolved pursuant to Section 7.06, Dispute Resolution, below. Licensee shall reimburse MidAmerican for Licensee's portion of MidAmerican's expenses incurred in performing the Occupancy Survey, which expenses shall be allocated among all attaching parties, including MidAmerican, if applicable, based on each count of Attachments inventoried.

#### Section 6.13 Tax Liability

Licensee shall promptly pay any tax, fee, or charge that may be levied or assessed against MidAmerican's Poles or property resulting from use by Licensee. If Licensee should fail to pay any such tax or assessment on or before the date such tax or assessment becomes delinquent, MidAmerican, at its own option, may pay such tax on account of Licensee and Licensee shall, upon demand, reimburse MidAmerican for the full amount of tax and any penalties so paid.

#### Article VII. FEE SCHEDULE

#### Section 7.01 Fee Schedule

Licensee shall pay, as set forth on <u>Exhibit A</u>, (a) an Attachment application fee ("Application Fee") at the time it files a Complete Application. The costs for Surveys are included in the Application Fee provided for in <u>Exhibit A</u>.

Licensee shall pay each year the Pole Attachment fees ("Annual Pole Attachment Fee") set forth in Exhibit A for each of its Attachments as determined by Licensor in accordance with Licensor's internal records. The parties acknowledge and agree that the Annual Pole Attachment Fee is a reasonable rate given the size, location, amount of space used, and nature of the Attachment(s) and was negotiated at arm's length in good faith. Licensee's equipment attached for a portion, but not the entirety of, a calendar year will be pro-rated for such year for the purpose of calculating the Attachment fee for such year. As soon as practicable after the end of each calendar year, Licensor will provide to Licensee an invoice setting forth the amount of the fees for all Attachments during the current calendar year. The amount due under each invoice shall be due to Licensor within forty-five (45) days after the date of the applicable invoice.

The rental rate, the components of the rental rate, and the methodology employed to determine the rental rate specified in the Fee Schedule (Exhibit A) of this Contract, may be modified or replaced at MidAmerican's option, upon sixty (60) days written notice to Licensee and subject only to limitations imposed by Applicable Law.

Licensee will be required to pay in advance of making any Attachment the estimated cost for all Make-Ready Work necessary to accommodate access or modification to Poles or other Facilities for an Attachment, including, without limitation, the cost of any Pole replacement.

#### Section 7.02 Unauthorized Attachments

Licensee shall not make Attachments to MidAmerican's Poles without obtaining MidAmerican's written permission as provided for in this Contract. MidAmerican may charge Licensee the amounts contained in the Fee Schedule attached in Exhibit A upon the discovery of unauthorized Attachments, on each Pole, belonging to Licensee. The imposition of such charges shall be without prejudice to MidAmerican's right to utilize additional other remedies, including, but not limited to, the remedies available for default under Article X of this Contract and any remedies available under FCC rules. The Licensee may avoid unauthorized attachment fees, except back rent, if it self-discloses unpermitted attachments and provides an application for said attachment permits prior to MidAmerican's discovery.

#### Section 7.03 Billing and Payments

MidAmerican shall send invoices to Licensee via regular U.S. Mail at the address specified below, or at such other address as Licensee may designate from time to time in writing. Licensee shall pay all charges within forty-five (45) days of the invoice date. Late charges and interest shall be imposed on any delinquent amounts as specified in Section 7.04.

In the event Licensee disputes an invoice, Licensee shall provide written notice of the dispute to MidAmerican within forty-five (45) days of the date of the disputed invoice, otherwise Licensee shall forfeit its right to dispute the invoice. Notice shall include an explanation of the Licensee's dispute. MidAmerican reserves the right to impose late fees and/or interest as specified in Section 7.04 in the event the dispute is unfounded.

Licensee's billing address:

City of West Des Moines Attn: Christine Gordon 4200 Mills Civic Parkway West Des Moines, IA 50265

#### Section 7.04 Interest on Late Payments

All amounts payable under the provisions of this Contract shall, unless otherwise specified, be payable within forty-five (45) days of the invoice date. An interest charge at the maximum rate allowed by applicable law shall be assessed against all late payments.

#### Section 7.05 Adequate Assurances

MidAmerican shall have the right to request adequate assurances from Licensee, including, but not limited to, the posting of security, collateral or a cash deposit, in the event, the credit rating of Licensee falls below the rating level of BBB- by Standards and Poor's and Baa by Moody's. In the event of a credit rating downgrade below the levels outlined above, MidAmerican may demand adequate assurances from Licensee in a form acceptable to MidAmerican within ten (10) Business Days.

## Article VIII. INDEMNIFICATION; LIMITATIONS OF LIABILITY; WARRANTIES

## Section 8.01 Indemnification/Release

To the fullest extent permitted by law, Licensee shall indemnify, protect, and hold harmless MidAmerican and its directors, officers, employees and agents (collectively, the "MidAmerican Indemnified Parties") against and from any and all claims, demands, suits, losses, costs and damages of every kind and description, including attorneys' fees and/or litigation expenses, brought or made against or incurred by the MidAmerican Indemnified Parties resulting from Licensee's, or arising out of Licensee's negligence, any act, omission, fault, or any negligence, any act omission, fault of Licensee's employees, agents, representatives or contractors, their employees, agents or representatives in the performance or nonperformance of Licensee's obligations under this Contract or in any way related to this Contract except to the extent that such claim, demand, loss, cause of action, or costs arises from MidAmerican's gross negligence or willful misconduct. Licensee shall also indemnify and release, protect and hold harmless the MidAmerican Indemnified Parties from and against any and all claims, demands, causes of action, costs (including attorneys' fees), or other liabilities arising from any interruption, discontinuance, or interference with Licensee's service to its customers which may be caused, or which may be claimed to have been caused, by any action of MidAmerican undertaken in furtherance of the purposes of this Contract, except to the extent such claims, costs and damages arise from the gross negligence or willful misconduct of MidAmerican. In addition, Licensee shall, upon demand, and at its own sole risk and expense, defend any and all suits, actions, or other legal proceedings which may be brought against MidAmerican, or its successors or assigns, on any claim, demand, or cause of action arising from any interruption, discontinuance, or interference with MidAmerican's service to MidAmerican's customers which may be caused, or which may be claimed to have been caused, by any action of Licensee. Licensee shall pay and satisfy any judgment or decree which may be rendered against MidAmerican, or its successors or assigns, in any such suit, action, or other legal proceeding; and further, Licensee shall reimburse MidAmerican for any and all legal expenses, including attorneys' fees, incurred in connection therewith, including appeals thereof. Licensee hereby releases MidAmerican from any liability for damage to Equipment or for any interruption, discontinuance or interference with Licensee's service to its customers, caused by or resulting from such removal, including damages caused by MidAmerican's negligence.

## Section 8.02 Warranty

MidAmerican warrants that its work in constructing and maintaining the Pole(s) covered by this Contract shall be consistent with prudent utility practices. MIDAMERICAN DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE WARRANTY OF MERCHANTABILITY, FITNESS FOR PARTICULAR PURPOSE, AND SIMILAR WARRANTIES. Under no circumstances shall MidAmerican be liable for economic losses, costs or damages, including but not limited to special, indirect, incidental, punitive, exemplary or consequential damages.

#### Article IX. INSURANCE AND BOND

## Section 9.01 Insurance

Prior to beginning Attachment to or placement on Licensor's Facilities, and at all times during the term of the License and this Contract, the Licensee shall, at its own expense, maintain such insurance as will protect Licensee from liability and claims for injuries and damages which may arise out of or result from the Licensee's operations under the Contract and for which Licensee may be legally liable, whether such operations are by Licensee or by a Subcontractor or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable.

Licensor intends that this Contract shall also be one of indemnity, and that such indemnification shall be covered by insurance. For the further protection of Licensee and Licensor, but without restricting or waiving any obligations of Licensee herein contained, Licensee shall insure the risks associated with the work and this Contract with minimum coverage's and limits as set forth below:

a. Commercial General Liability Insurance, written on an Occurrence Basis with limits not less than \$1,000,000 per occurrence / \$2,000,000 general aggregate (on a per location and/or per job basis) Bodily Injury and Property Damage, including the following coverage's:

Premises and Operations Coverage
Independent Contractor's Coverage
Contractual Liability covering liabilities assumed under this Contract
Products and Completed Operations Coverage
Broad Form Property Damage Liability endorsement
Personal Injury Liability, including Contractual

b. Workers' Compensation Insurance and Occupational Disease Insurance (or maintenance of a legally permitted and governmentally-approved program of self-insurance) in accordance with statutory requirements of the state and/or Federal Regulations (FELA, USL&H, Jones Act) and Employers' Liability Insurance with limits not less than:

| Bodily Injury by Accident | \$500,000 | Each Accident |
|---------------------------|-----------|---------------|
| Bodily Injury by Disease  | \$500,000 | Policy Limit  |
| Bodily Injury by Accident | \$500,000 | Each Employee |

And covering location of all work places involved in this Contract.

- c. Comprehensive Automobile Liability Insurance covering owned, hired and non-owned vehicles with limits of \$1,000,000.00 per occurrence Bodily Injury and Property Damage combined single limits, including Sudden and Accidental Pollution Liability, as appropriate.
- 4. Umbrella Liability Insurance with a minimum combined single limit of \$5,000,000.00 each occurrence / aggregate where applicable to be excess of the coverage and limits required in a, b and c. above.

All above policies shall contain provisions that the insurance companies will have no right of recovery or subrogation against Licensor, its parents, divisions, affiliates, subsidiary companies, co-lessees, or coventures, agents, directors, officers, employees, servants and insurers, it being the intention of the parties that the insurance as affected shall protect all parties.

All required insurance policies shall provide that the policy is primary and will not contribute with any policy carried by Licensor.

MidAmerican Energy Company, its parent, divisions, affiliates, subsidiary companies, co-lessees, or co-ventures, agents, directors, officers, employees and servants shall be named as an additional insured in each of Licensee's insurance policies, except statutory Workers' Compensation. Licensee shall be permitted to self-insure any or all of the insurance required under this Contract.

## Section 9.02 Proof of Compliance

Licensee shall provide written proof of current compliance with this Article in a form acceptable to MidAmerican on an ongoing basis. Licensee's proof shall also contain written verification from its insurance provider that Licensee's insurance shall not be terminated, reduced or cancelled unless MidAmerican is provided advance notice of not less than thirty (30) days.

#### Section 9.03 Bonding

MidAmerican may require Licensee to furnish a bond to cover the faithful performance by Licensee of its obligations hereunder. Any such bond shall be issued by a commercial bonding company selected by Licensee and satisfactory to MidAmerican; shall not be subject to termination or cancellation except upon one hundred twenty (120) days prior notice to MidAmerican; shall be in such form and in such amount as MidAmerican shall specify from time to time; and, subject to termination or cancellation, shall be maintained in full force and effect throughout the term of this Contract, including any renewals thereof. Such bond shall be furnished within ninety (90) days written notice to Licensee by MidAmerican. The furnishing of a bond shall not relieve Licensee of any of its obligations under this Contract, and the bond shall not be released until all of Licensee's obligations under this Contract have been discharged.

## Article X. TERM, DEFAULT AND TERMINATION

## Section 10.01 Term and Termination

This Contract shall be for a period of five (5) years. Thereafter, this Contract shall continue until terminated as follows: (a) by mutual consent, or (B) by either party by giving the other party at least sixty (60) days' prior written notice of its intent to terminate, or (c) by a party if the other party (i)

terminates or suspends it business, (ii) becomes subject to any bankruptcy or insolvency proceeding under federal or state law, (iii) becomes insolvent or unable to pay its obligations as they accrue, or (iv) becomes subject to direct control by a trustee, receiver or similar authority.

On the date of termination specified in such notice, all rights and privileges of Licensee hereunder shall cease; provided however that Licensee shall not be released from any liability hereunder, which may accrue or be accruing or which arises out of any claim that may have accrued or may be accruing at the time of termination. Should Licensee fail to remove its Equipment within such agreed upon period, MidAmerican may remove and dispose of Licensee's Equipment at Licensee's sole risk and expense.

#### Section 10.02 Default

The following shall constitute a default hereunder if not cured within thirty (30) days following notice: (a) any material breach of this Contract; (b) violation of the Iowa Electric Safety Rules and has not provided a compliance plan pursuant to 199 IAC 25.4; (c) the appointment of a receiver to take possession of all of the assets of Licensee; (d) a general assignment for benefit of creditors; (e) any action taken or suffered by Licensee under any insolvency or bankruptcy act.

#### Section 10.03 Notice of Default/Cure Period

The non-defaulting Party shall provide written notice of the default to the other and the defaulting party shall have thirty (30) days from receipt of said notice to cure the default.

#### Section 10.04 Remedies for Default

MidAmerican may utilize any and all remedies available to it at law and in equity in the event Licensee fails to cure a default within the time period set forth above. Such remedies may include, without limitation: (a) refusal to authorize any additional Attachments until the default is cured; (b) termination, in whole or in part, of this Contract; (c) withhold amounts due to Licensee from MidAmerican pursuant to this Contract or another Contract; (d) cure the default at Licensee's sole cost and expense.

#### Article XI. GENERAL PROVISIONS

## Section 11.01 Confidentiality

Additionally, each of the Parties agrees to keep strictly confidential the terms of this Contract, and not to disclose the same except: (a) to its employees, agents and representatives to the extent necessary to perform its obligations hereunder, (b) to the extent required by law or the rules of any regulatory agency, or (c) if compelled by order of any court or governmental agency of competent jurisdiction, provided that with respect to (b) and (c) above, the disclosing Party shall give the non-disclosing Party prompt prior written notice of any disclosure request, application for court order, court order or other governmental process, before making any disclosure and shall give the non-disclosing Party an opportunity to object to and seek to prevent or omit such disclosure.

#### Section 11.02 Business Ethics

Licensee, its employees, officers, agents, representatives and Subcontractors shall at all times maintain the highest ethical standards and avoid conflicts of interest in the performance of Licensee's obligations under this Contract. In conjunction with its performance under this Contract, Licensee and its employees, officers, agents and representatives shall comply with, and cause its Subcontractor and its employees, officers, agents and representatives to comply with, all applicable laws, statutes, regulations and codes prohibiting bribery, corruption, kick-backs or similar unethical practices including, without limitation, the United States Foreign Corrupt Practices Act and the United Kingdom Bribery Act 2010. Without limiting the generality of the foregoing, Licensee specifically represents and warrants that neither Licensee nor any Subcontractor, employees, officers, representatives or other agents of Licensee have made or will make any payment, or have given or will give anything of value, in either case to any government official (including any officer or employee of any governmental authority) to influence his, her, or its decision or to gain any other advantage for MidAmerican or Licensee in connection with the obligation to be performed under this Contract. Licensee shall maintain and cause to be maintained effective accounting procedures and internal controls necessary to record all expenditures in connection with this Contract and to verify Licensee's compliance with this section. MidAmerican shall be permitted to audit such records as reasonably necessary to confirm Licensee's compliance with this section. Licensee shall immediately provide notice to MidAmerican of any facts, circumstances or allegations that constitute or might constitute a breach of this section and shall cooperate with MidAmerican's subsequent investigation of such matters. Licensee shall indemnify and hold MidAmerican harmless for all fines, penalties, expenses or other losses sustained by MidAmerican as a result of Licensee's breach of this provision. The Parties specifically acknowledge that Licensee Licensee's failure to comply with the requirements of this section shall constitute a condition of default under this Contract.

## Section 11.03 Entire Contract

This Contract constitutes the entire Contract of the parties and supersedes and terminates any prior contracts. Any amendments hereto shall be in writing.

## Section 11.04 Governing Law, and Jury Waiver

In the event of any matter or dispute arising out of or related to this Contract, it is agreed between the parties that the law of the State of Iowa (including statute of limitations provisions) will be given the interpretation, validity and effect of this Contract without regard to the place of execution or place of performance thereof, or any conflicts of law provisions. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH OF THE PARTIES HERETO WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS CONTRACT. EACH PARTY FURTHER WAIVES ANY RIGHT TO CONSOLIDATE ANY ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED. Notwithstanding the foregoing, should the dispute be subject to the exclusive jurisdiction of a regulatory body, including, but not limited to, the Federal Communications Commission, any such dispute will be heard in such regulatory body.

## Section 11.05 Changes in Law

The Parties agree to negotiate in good faith any changes to this Contract necessitated to conform to changes in regulations or law.

## Section 11.06 Severability

If any provision or part of this Contract is or becomes invalid under any applicable statute, regulation, or law and such invalidity does not materially alter the essence of this Contract with respect to either Party, the invalidity shall not render this entire Contract unenforceable and such provision or part shall be deemed void.

#### Section 11.07 Encumbrances

Licensee shall prevent any and all liens or other encumbrances from attaching, as result of Licensee's activities hereunder, to MidAmerican's property.

## Section 11.08 Headings and Exhibits

The captions and headings herein are for convenience in reference only and not for interpretation purposes. All exhibits referred to herein and recitals are incorporated by reference.

## Section 11.09 Force Majeure

Except for the payment of monies due under this Contract, neither Party shall be deemed in default hereunder to the extent that any delay or failure in the performance of its obligations hereunder is caused by an event of Force Majeure, including acts of the United States of America or any state, territory or political subdivision thereof, acts of God or a public enemy, fire, flood, freight embargos, civil disturbances or any other cause beyond the reasonable control of the party claiming Force Majeure. The Party claiming Force Majeure shall provide prompt written notice to the other Party and shall immediately commence default and so notify the other Party once it is reasonably practicable to do so.

## Section 11.10 Assignments

Licensee shall not voluntarily or involuntarily assign, transfer, sublease or sublet this Contract, in whole or in part, or any right, privilege or obligation hereunder, without MidAmerican's prior written consent, at which time MidAmerican may require that the proposed assignee or successor enter into a new contract or other reasonable conditions. MidAmerican's consent shall not be unreasonably withheld. Approval of assignment may require application to remove from each pole by the Assignor and an application to attach to each pole by Assignee if the record of attachments is in dispute.

In the event Licensee changes its name or reorganizes its operations, Licensee may send MidAmerican a thirty (30) day notice of the name change or reorganization pursuant to Section 7.16. The notice shall include an acknowledgement form. If MidAmerican fails to return the acknowledge form within sixty (60) of such notice, the consent of the name change or reorganization shall be deemed granted and the Contract deemed updated to reflect the change.

#### Section 11.11 Waiver

Failure by either Party to enforce any of the terms or provisions of this Contract shall not be construed as a waiver hereunder.

## Section 11.12 No Partnership

Nothing herein shall be construed to create a partnership, trust, joint venture, or association between the Parties.

#### Section 11.13 No Third Party Beneficiaries

This Contract shall not be construed for the benefit of any third party, including without limitation, customers of either Party.

## Section 11.14 Attorneys' Fees

If either Party files any action or brings any proceeding against the other arising from or related to this Contract, the prevailing Party shall be entitled to recover, in addition to any judgment or decree for costs, such reasonable attorneys' fees as it may have incurred in such suit, action, or other legal proceeding, together with other reasonable litigation expenses.

## Section 11.15 Notices

Both Parties will provide notice to each other in writing and shall be considered given if personally delivered, transmitted by e-mail, facsimile, sent via overnight delivery, or via US Mail, shall be addressed to the Party to be notified at the addresses set forth below or at such other address as a Party may designate for itself from time to time by notice:

DATE: October 7, 2019

ITEM:

Termination of a Development Agreement between Chelious, LLC, Tea Times Two, LLC,

Judy Ks, and the City of West Des Moines

**RESOLUTION:** Termination of Development Agreement

FINANCIAL IMPACT: Per the Development Agreement, the amount of the Grant that must be repaid upon an Event of Default will be reduced by 20% each December 31 after the date of the Agreement. Therefore, Chelious, LLC issued a check in the amount of \$2,700, or 60% of the original Grant amount.

**BACKGROUND:** On June 12, 2017, the City Council adopted a resolution authorizing the execution of a Development Agreement between the City, Chelious, LLC, Tea Times Two, LLC, and Judy Ks for a mechanical update of their property at 232 and 234 5<sup>th</sup> Street. Chelious, LLC was the entity undertaking the project, and was approved for \$4,500 from the Regulatory Compliance Fund (RCF).

On August 12, 2019 staff notified the representative of Chelious, LLC that the Developer was in breach of the Agreement due to the sale of the property to another party. Following the notice of default, an immediate response from the Developer was received in an effort to timely cure the default and terminate the Agreement.

The Developer has paid the outstanding portion of the grant, and the City acknowledges receipt of payment.

**OUTSTANDING ISSUES:** There are no outstanding issues.

**RECOMMENDATION:** Adopt the resolution terminating the Development Agreement.

RESOLUTION TERMINATING THE AGREEMENT FOR PRIVATE DEVELOPMENT BETWEEN CHELIOUS, LLC, TEA TIMES TWO, LLC, JUDY KS, AND THE CITY OF WEST DES MOINES

WHEREAS, on June 12, 2017, the City of West Des Moines, Chelious, LLC, an Iowa limited liability company (the "Developer"), Tea Times Two, LLC, an Iowa limited liability company, and Judy Ks, an Iowa sole proprietorship (collectively, the "Tenants") entered into a Development Agreement (the "Agreement") under the Regulatory Compliance Fund program; and,

WHEREAS, the Agreement imposed conditions on each party to the Agreement, which, if unfilled, would constitute a breach of the Agreement and may constitute an event of default; and,

WHEREAS, pursuant to Article V of the Agreement, in the event of a breach, the non-breaching party is required to provide notice to allow the breaching party an opportunity to cure its failure to perform; and,

WHEREAS, on August 12, 2019, City staff notified the representative of Chelious, LLC that the Developer was in breach of the Agreement due to the sale of the property to another party; and,

WHEREAS, following the notice of default by the City, an immediate response from the Developer was received in an interest to immediately cure the default and terminate the Agreement; and,

WHEREAS, the Developer has cured the default by paying the outstanding portion of the grant as a remedy, of which the City acknowledges receipt; and,

WHEREAS, the Developer, Tenants, and the City are released from their obligations under the Agreement, and the Agreement is hereby terminated.

Resolution – Releasing Lot 2 of Osmium West Plat 1 from the Development and Minimum Assessment Agreements between the City of West Des Moines and Microsoft Corporation for Project Osmium

FINANCIAL IMPACT: None

SYNOPSIS: In November, 2016 the City and Microsoft Corporation entered in to a Development Agreement for the construction of the Osmium data center. The parties also entered into a Minimum Assessment Agreement to ensure that the assessed taxable value of the data center is sufficient to provide adequate funding for bond reimbursement. The Development and Minimum Assessment Agreements included a portion of the property platted for the center that is owned by MidAmerican Energy Company and on which the electric substation is to be operated. Because Iowa code requires an electric utility to be assessed and taxed directly by the Iowa Department of Revenue, this portion of the property (Lot 2) should not have been included in the original Agreements. The attached Resolution removes Lot 2 from both the Development and Minimum Assessment Agreements for the purpose of taxation.

## RESOLUTION

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST DES MOINES RELEASING LOT 2 OF OSMIUM WEST PLAT 1 FROM THE DEVELOPMENT AND MINIMUM ASSESSMENT AGREEMENTS BETWEEN THE CITY OF WEST DES MOINES AND MICROSOFT CORPORATION FOR PROJECT OSMIUM

WHEREAS, on or about November 14, 2016 the City of West Des Moines and Microsoft Corporation entered in to a Development Agreement as evidenced by a Memorandum of Agreement filed in Book 2016, Page 3961 in the Office of the Madison County, Iowa Recorder, as amended and shown in Book 2019, Page 258 in the Office of the Madison County, Iowa Recorder; and

WHEREAS, in conjunction with the Development Agreement, the parties executed a Minimum Assessment Agreement, dated on or about November 14, 2016 and filed in Book 2016, Page 3962 in the Office of the Madison County, Iowa Recorder; and

WHEREAS, the Development and Minimum Assessment Agreements included Lot 2 of OSMIUM WEST PLAT 1, an official plat of the City of West Des Moines, Madison County, Iowa, which is owned by MidAmerican Energy Company and on which electric utility substation is located and operated;

WHEREAS, as provided by Iowa code, as a utility, the property tax paid by MidAmerican Energy Company is centrally assessed by the State of Iowa and not assessed by Madison County, Iowa as contemplated by the Development and Minimum Assessment Agreements; and

WHEREAS, for the purpose of taxation, Lot 2 of OSMIUM WEST PLAT 1, an official plat of the City of West Des Moines, Madison County, Iowa should be released from the Development Agreement and Minimum Assessment Agreement.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WEST DES MOINES, IOWA THAT:

- 1. Lot 2 of OSMIUM WEST PLAT 1, an official plat in the City of West Des Moines, Madison County, Iowa is released for the purpose of taxation from both the *Development Agreement between the City of West Des Moines and Microsoft Corporation for Project Osmium* as evidenced by the Memorandum of Agreement filed in Book 2016, Page 3961 in the Office of the Madison County, Iowa Recorder (as amended and shown in Book 2019, Page 258 in the Office of the Madison County, Iowa Recorder) and the Minimum Assessment Agreement dated on or about November 14, 2016 and filed of record in Book 2016, Page 3962 in the Office of the Madison County, Iowa Recorder.
- 2. No other property is released and from and no other changes are made to the Development Agreement or Minimum Assessment Agreement.
- 3. This Resolution shall be filed in the Office of the Madison County, Iowa Recorder.

## NO CHANGES FROM FIRST READING

## CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

DATE: October 7, 2019

ITEM:

Ordinance - Approval of the second reading, waive third and adopt in final form the

vacation of a portion of Booneville Road right of way.

**FINANCIAL IMPACT:** 

None

**SYNOPSIS:** 

Easements recorded on August 19, 1977 (Book 547, Pages 47 and 51) and October 4, 1977 (Book 547, Page 182) for the construction of Booneville Road contained inaccurate legal descriptions and do not encompass Boonville Road as-built. New Warranty Deeds reflecting the as-built location of Booneville Road have been provided by the property owners. The appropriate City staff have determined the original, inaccurate easements to be unnecessary surplus property that should be vacated to clear title for the affected property owners.

The attached ordinance vacates that portion of the right of way no longer needed for Booneville Road.

#### **RECOMMENDATION:**

Approve - Second reading, waive third reading and adopt in final form the Ordinance vacating a portion of Booneville Road right of way.

# CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

Date: October 7, 2019

ITEM: The Preserve, Generally south of Raccoon River adjacent to the future extension of SW Grand Prairie Parkway – Amend Comprehensive Plan Land Use Map to designate Single Family Residential (SF), Medium Density Residential (MD), Neighborhood Commercial (NC), and Open Space (OS) land use and establish The Preserve Planned Unit Development and Agricultural/Open Space (OS) zoning – Raccoon River Land Company, LLC – CPA-004077-2018/ZC-004078-2018

RESOLUTION: Approval of Comprehensive Plan Land Use Map Amendment

ORDINANCE: Approval of First Reading of Ordinance ORDINANCE: Approval of First Reading of Ordinance

FINANCIAL IMPACT: Undetermined.

**BACKGROUND:** The applicant, Raccoon River Land Company, LLC, is requesting approval of both a Comprehensive Plan Land Use Amendment and Rezoning, with the establishment of a Planned Unit Development (PUD), for property located north and south of Raccoon River adjacent to the future extension of SW Grand Prairie Parkway. The applicant is proposing single family residential development, medium density development, and neighborhood commercial development on the property. Also, to be included within the PUD area in the future will be public facilities consisting of one or two parks, a fire station and a water tower. Access to the site will be via SW Grand Prairie Parkway, which is crossing through the ground encompassed in the PUD. The SW Grand Prairie Parkway extension is a city project and is currently under construction. A preliminary plat has not yet been developed for the site, so it is undetermined at this time how many single-family and medium-density units there will be with this development; however, given the acreage at maximum allowable density for each type of residential, there could be up to 1,740 single-family dwellings (290 ac x max 6 DU/ac) and up to 828 dwellings within the medium-density ground (69 ac x 12 DU/ac).

In addition, on behalf of the Iowa Natural Heritage Foundation, the City is proposing to designate Agricultural/Open Space zoning on ground that is owned by the applicant and is to be preserved from development.

Specifically, the following changes are proposed with this request:

- Amend the Comprehensive Plan Land Use Map for approximately 16 acres (Section 34 Township 78 Range 26 SW) to change from Neighborhood Commercial to Medium Density Residential; and
- Amend the Comprehensive Plan Land Use Map for approximately 192 acres (Section 33 Township 78 Range 26 NE and Section 34 Township 78 Range 26 NE and NW) to change from Medium Density Residential and Single Family Residential to Open Space; and
- Amend the Comprehensive Plan Land Use Map for approximately 90 acres (Section 3 Township 77
  Range 26 NW) from Medium Density Residential and High Density Residential to Single Family
  Residential; and
- Amend the Comprehensive Plan Land Use Map for approximately 79 acres (Section 3 Township 77 Range 26 NW) from Single Family Residential and High Density Residential to Medium Density Residential, Neighborhood Commercial and Agricultural/Open Space; and
- Designate Agricultural/Open Space (OS) zoning on 192 acres (Section 33 Township 78 Range 26 SW and Section 34 Township 78 Range 26 NE and NW) immediately south of the Raccoon River; and
- Designate Agricultural/Open Space (OS) zoning on approximately 112 acres (Section 32 Township 78 Range 26 NE, Section 28 Township 78 Range 26 NE and Section 33 Township 78 Range 26 NW) to the northwest of the 192 acres described above; and
- Establish The Preserve Planned Unit Development which includes:
  - Underlying zoning of Single Family Residential (R-1) zoning on approximately 290 acres (Section 3 Township 77 Range 26 NW, Section 33 Township 78 Range 26 SE and Section 34 Township 78 Range 26 SW) west of SW Grand Prairie Parkway; and

- Underlying zoning of Residential Medium Density (RM-12) zoning on approximately 50 acres (Section 34 Township 78 Range 26 SW) situated east of SW Grand Prairie Parkway; and
- o Underlying zoning of Residential Medium Density (RM-12) zoning on approximately 19 acres (Section 3 Township 77 Range 26 NW) situated west of SW Grand Prairie Parkway; and
- Underlying zoning of Neighborhood Commercial (NC) zoning on approximately 19 acres (Section 3 Township 77 Range 26 NW and NE) situated east of SW Grand Prairie Parkway; and
- Underlying zoning of Agricultural/Open Space (OS) zoning on approximately 10.5 acres (Section 3 Township 77 Range 26 NE) situated east of SW Grand Prairie Parkway; and
- Underlying zoning of Residential Medium Density (RM-12) zoning on approximately 57 acres (Section 3 Township 77 Range 26 NE) situated east of SW Grand Prairie Parkway.

#### Plan and Zoning Commission Action:

Vote: 4-0 approval with Commissioners Costa and Erickson abstaining and Commissioner Crowley absent.

Date: September 23, 2019

Motion: Adopt a resolution recommending the City Council approve the proposed Comprehensive Plan Land Use Map Amendment

Motion: Adopt a resolution recommending the City Council approve the ordinance to create The Preserve Planned Unit Development

Plan & Zoning Commission Discussion: Misty Wittern Lee, an adjacent property owner to the south of the subject property, spoke about the request. She sent a letter to staff (attached as Exhibit IV) asking for a delay of a decision to allow her more time to review the request and the potential impact of the zoning changes to her adjacent property. Mrs. Wittern Lee was specifically concerned about the proposed single-family zoning directly adjacent to the office and commercial zoning that she has on her property. Aimee Staudt, representing Knapp Properties, owner of the Preserve property, stated the first part of the development will be single family on the north end of the site and there will be plenty of time to work through the details with the platting process. Staff stated that there is a street planned between the Preserve development and Mrs. Wittern Lee's property at the time of platting of the property, regardless of whether it is zoned high density or single family.

**COMPREHENSIVE PLAN LAND USE AMENDMENT RECOMMENDATION:** Based upon the preceding review and a finding of consistency with the goals and policies of the Comprehensive Plan, the Plan and Zoning Commission recommends the City Council adopt a resolution to approve the Comprehensive Plan Land Use Map amendment as illustrated in Exhibit A attached to the resolution which results in approximately 90 acres of Single Family Residential (SF), approximately 73 acres of Medium Density Residential (MD), approximately 19 acres of Neighborhood Commercial (NC), and approximately 195 acres of Open Space (OS), subject to the applicant meeting all City Code requirements.

**ZONE CHANGE RECOMMENDATION**: Based upon the preceding review and a finding of consistency with the goals and policies of the Comprehensive plan, the Plan and Zoning Commission recommends the City Council approve the first reading of the ordinance to change the zoning of the property to designate 5:\ Files 2B Uploaded\CPA-004077-2018 ZC-004078-2018 SR\_The Preserve 10-07-2019 CC 1st Reading.Docx

- Underlying zoning of Agricultural/Open Space (OS) zoning on approximately 10 acres (Section 3 Township 77 Range 26 NE) situated east of SW Grand Prairie Parkway; and
- Underlying zoning of Residential Medium Density (RM-12) zoning on approximately 57 acres (Section 3 Township 77 Range 26 NE) situated east of SW Grand Prairie Parkway.

<u>History</u>: The majority of the property was annexed into the City in 2010 as a part of the Raccoon River annexation. Annexation of an additional 79 acres of ground was approved by the City Development Board on August 14, 2019. The property has not been previously platted.

<u>City Council Subcommittee</u>: This item was presented to the Development and Planning City Council Subcommittee on October 15, 2018 as an informational item only. Councilmembers had no comments and expressed no disagreement with the proposal.

<u>Staff Review and Comment</u>: This request was distributed to various City departments and outside agencies for their review and comment. There are no outstanding issues. Staff would note the following:

- <u>Buffers along SW Grand Prairie Pkwy:</u> Residential development will abut SW Grand Prairie Pkwy. Given the long-range intended capacity of the road, buffers are warranted to minimize impact on the adjacent residential dwellings. To preserve a natural prairie look that the applicant desires for the Preserve development, the PUD includes language that requires a 60' wide buffer with the minimum number of overstory trees typically required by code but does not require the installation of evergreen trees or shrubs which are less characteristic of a prairie.
- The Preserve Signage: The applicant is proposing a series of signs to identify the development at the gateways to the development (north and south ends of SW Grand Prairie Pkwy), boundary markers within the buffers adjacent to SW Grand Prairie Pkwy and ground monument signs at key full intersections with SW Grand Prairie Pkwy. These gateway and boundary marker signs are allowed to be up to eight feet (8') in height with The Preserve logo no greater than three (3) square feet in size. The signs may be illuminated and will be located within the 60' buffer. The monument signs may be up to seven feet (7') in height with a maximum of twelve (12) square feet of copy and setback a minimum of fifteen feet (15') from the ultimate right-of-way line of SW Grand Prairie Pkwy.
- <u>Iowa National Heritage Foundation Conservation Easements</u>: The Iowa National Heritage Foundation is the grantee of conservation easements on ground that is proposed with this action to be designated as Open Space on the Comprehensive Plan land use map and Agricultural/Open Space on the City Zoning map. The Deed of Conservation Easement that governs the areas states, "the Conservation Areas are to be preserved in their natural, scenic, forested, and/or open space condition and to prevent any use of the Conservation Areas that would significantly impair or interfere with their conservation values."</u> Designating the easement areas as Open Space, as proposed, will help to preserve the easement areas as intended by the conservation easement. The lowa National Heritage Foundation has been contacted about this land use amendment and rezoning request and has given their approval of the proposed Open Space land use and zoning designation to be applied to their easement areas.

<u>Comprehensive Plan Consistency</u>: The project has been reviewed for consistency with the Comprehensive Plan. Based upon that review, a finding has been made that the proposed project is

consistent with the Comprehensive Plan in that the project is consistent with all the goals and policies of the Comprehensive Plan and the land use map of the Comprehensive Plan.

<u>Noticing Information</u>: On September 18, 2019, notice for the September 23, 2019, Plan and Zoning Commission and October 7, 2019, City Council Public Hearings on this project was published in the Des Moines Register. Notice of these public hearings was also mailed to all surrounding property owners within 370 feet of the subject property on September 19, 2019.

Staff Recommendation And Conditions Of Approval – Comprehensive Plan Amendment: Based upon the preceding review and a finding of consistency with the goals and policies of the Comprehensive Plan, Staff recommends the Plan and Zoning Commission adopt a resolution to recommend the City Council approve the Comprehensive Plan Land Use Map amendment as illustrated in Exhibit A attached to the resolution which results in approximately 90 acres of Single Family Residential (SF), approximately 73 acres of Medium Density Residential (MD), approximately 19 acres of Neighborhood Commercial (NC), and approximately 202 acres of Open Space (OS), subject to the applicant meeting all City Code requirements.

Staff Recommendation And Conditions Of Approval – Rezoning: Based upon the preceding review and a finding of consistency with the goals and policies of the Comprehensive Plan, Staff recommends the Plan and Zoning Commission adopt a resolution to recommend the City Council approve the rezoning request to designate Agricultural/Open Space (OS) zoning on 304 acres located north and south of the Raccoon River and establish The Preserve Planned Unit Development with underlying zoning of Single Family Residential (R-1), Residential Medium Density (RM-12), Neighborhood Commercial (NC) and Agricultural/Open Space (OS), subject to the applicant meeting all City Code requirements.

#### ORDINANCE NO.

AN ORDINANCE AMENDING THE OFFICIAL ZONING MAP AND THE CITY CODE OF THE CITY OF WEST DES MOINES, IOWA, 2019 BY AMENDING TITLE 9, ZONING, CHAPTER 9, PLANNED UNIT DEVELOPMENT DISTRICT, PERTAINING TO P.U.D. (PLANNED UNIT DEVELOPMENT) DISTRICT REGULATIONS AND GUIDELINES.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WEST DES MOINES, IOWA:

**SECTION 1.** <u>AMENDMENT</u>: Amend the Zoning Map of the City of West Des Moines, Iowa, to change the zoning of the following legally described property from "Unzoned" to **The Preserve** Planned Unit Development (PUD):

#### **Legal Description**

THE SOUTHWEST 1/4 SECTION 34, AND EAST 1/2 OF THE SOUTHEAST 1/4 OF SECTION 33, AND THE NORTH 18 ACRES OF THE NORTHWEST 1/4 OF THE SOUTHEAST 1/4 OF SECTION 33, ALL IN TOWNSHIP 78 NORTH, RANGE 26 WEST OF THE 5th P.M., DALLAS COUNTY, IOWA, CONTAINING 253.8 ACRES MORE OR LESS.

#### AND

THE SOUTH 1/2 OF THE NORTHWEST 1/4 OF SECTION 3 AND THE NORTHEAST FRACTIONAL 1/4 OF THE NORTHWEST 1/4 OF SECTION 3, AND THE WEST 1/2 OF THE NORTHEAST 1/4 OF SECTION 3, ALL IN TOWNSHIP 77 NORTH, RANGE 26 WEST OF THE 5th P.M., MADISON COUNTY, IOWA, CONTAINING 194.0 ACRES MORE OR LESS.

TOTAL ACREAGE = 447.8 ACRES

**SECTION 2.** <u>SKETCH PLAN</u>: Attached hereto and made a part of this rezoning approval, for concept description and delineation is the Sketch Plan document for The Preserve PUD marked Exhibit "A". The Sketch Plan is a graphic representation of the property included in the PUD delineating the approximate location and configuration of the PUD Parcels for the purpose of easier reference for the applicable regulations of this Ordinance. Wherever conflict occurs between the written text in this document and the notations on the Sketch Plan, the written text shall prevail.

**SECTION 3. REQUIRED PLANS**: Prior to or in conjunction with development or transfer of ownership of any portion of the property covered by this PUD, the following plans shall be required:

A. Preliminary Plat and Final Plat: The PUD area shall be platted in accordance with the City's Subdivision Ordinance. Outlots intended for private development must be re-platted through the preliminary and final plat process in accordance with the associated zoning classifications prior to physical development unless its purpose is to provide for public utilities or publicly owned or accessible park ground, greenways, or other recreational amenities. Outlots within a plat shall have the proposed use clearly designated on the plat document.

B. Development Applications (Site Plans): Site plans shall be submitted to the City of West Des Moines for review and approval prior to the development of the Residential Medium Density (RM), Neighborhood Commercial (NC) and for parks, fire station and water utility structures within Agricultural/Open Space (OS) zoned properties within the PUD area. Site Plans for all phases of development within The Preserve PUD must meet the intent of the approved PUD sketch. At the discretion of the Director of Development Services, an amendment to The Preserve PUD Ordinance may be required to bring consistency between the ordinance and site plan development proposed.

Unless otherwise specifically restricted by the City Council, ground work and construction of private roads and utilities may be started, at the developer's risk, upon approval of the preliminary plat by the City Council; however, no construction of structures, including footing and foundations shall be allowed prior to site plan approval. Public street and utility construction may begin, at the sole risk of the developer, after approval of the preliminary plat by the City Council and Public Improvement Plans by the City of West Des Moines.

**SECTION 4.** <u>CONDITIONS</u>: Whereas, Title 9, Chapter 9, Planned Unit Development District of the City Code, establishes certain regulations and guidelines pertaining to accompanying information required on plat and site plan documents. In addition, the following conditions, restrictions, and regulations are adopted as part of this approval:

- A. General Conditions: In addition to the PUD Sketch Plan Map, the following general development criteria shall be integrated into and made a part of this planned unit development.
  - 1. Flood Hazard: In all areas within a Base Flood (100 Year), or adjoining drainage ways, and detention ponding areas involving potential flood hazards, all buildings proposed to be located in a flood hazard area must be elevated and designed in accordance with the American Society of Civil Engineers publication ASCE 24 and no building shall be erected which has a minimum opening elevation (including top of window well) less than one foot (1') above the determined level of the Base Flood. In areas where historical high water levels are above the Flood Insurance Rate Map (FIRM) Base Flood Elevation or special conditions exist, the City may require a Design Flood Elevation be calculated and used as the Base Flood Elevation for determination of elevation requirements. Buildings shall only be permitted within twenty five feet (25') of any easement or property boundary of a major drainageway, storm water detention basin or pond if said location is approved as part of the development entitlement by the city council and said building is structurally designed accordingly.
  - 2. Developer Responsibility: Unless otherwise specifically approved by the City Council, the developer, its successors and/or assigns, if any, shall pay all planning, engineering, and construction costs for the development of the planned unit development as required by this Ordinance, and shall pay all costs related to approved site plans, which may include but is not limited to the cost of all streets, storm sewers, sanitary sewers, water mains and service lines, drainage-way improvements, detention basins, and other improvements as required. Unless otherwise provided for in a separate development agreement, at the time of subdivision platting within the PUD, the subdivider shall be responsible for construction and/or installation of all required public infrastructure improvements in accordance with the City's Subdivision Ordinance, as indicated herein, and/or as indicated on the approved The Preserve PUD sketch plan. With any subdivision plat within the PUD, the subdivider shall be responsible for constructing and/or installing the public infrastructure necessary to support development within the subdivision in a manner that will assure that the public infrastructure functions at an acceptable level of service (per the City's Comprehensive Plan) and that complies with all City Ordinances. No occupancy permits, either temporary or permanent,

shall be issued until all necessary improvements applicable to the area/lot or structure requesting occupancy are installed and public improvements accepted by the City of West Des Moines. Nothing in this Ordinance shall be construed to prevent the developer, its successors and/or assigns, if any, from entering into private agreement(s) as it/they may desire to share the cost of improvements.

- Sanitary Sewer: Any proposed change in approved land use densities for the PUD will require
  an analysis of the downstream sanitary sewer capacity to assure that adequate capacity is
  available for the proposed change in approved land use densities.
- 4. Street Lighting: Unless otherwise provided for in a separate development agreement, the Developer shall be responsible for all costs associated with the installation of public street lights within or adjacent to any area proposed to be platted or included within a development.
- 5. Mailboxes: The Developer shall be responsible for installation of any required Cluster Box Units (CBUs) as per the local U.S. Postal Service Post Office.

**SECTION 5.** LAND USE DESIGN CRITERIA: In addition to the general criteria as stated above, the following land use regulations, development standards, and design criteria shall apply to the development of all areas designated on the Sketch Plan:

- A. Parcels A and B: All general use and bulk regulations and provisions set forth in Title 9, Zoning of the West Des Moines City Code for the Single Family Residential (R-1) district shall apply to any development proposal for these parcels, unless noted otherwise in this ordinance.
  - 1. Buffers: A minimum sixty-foot (60') buffer park shall be required along SW Grand Prairie Parkway. Plans detailing the landscape vegetation and earthen berming within the buffer park shall be provided in accordance with the West Des Moines buffer ordinance at the time of preliminary platting. The equivalent of one overstory tree shall be required per thirty five (35) linear feet of the sixty foot (60') buffer. Evergreen trees or shrubs shall not be required within the buffer. Installation of the buffer amenities shall occur prior to issuance of a building permit for any dwelling on the last 25% of lots within the platted area or when the first building permit for a lot immediately adjacent to the buffer is issued, with completion of installation of amenities within the entire buffer associated with the plat occurring prior to issuance of any occupancy permit for a dwelling that is part of the last 25% or adjacent to the buffer. If the time of the year prevents installation of the vegetation, to receive an occupancy permit for a dwelling, surety shall be provided to the City at 1.5 times the cost of the vegetation and labor to install. In this instance, installation shall occur in the first planting season after the issuance of the occupancy permit and prior to June 15th. The City reserves the right to refuse issuance of additional building permits until the buffer amenities are installed to the City's satisfaction.
  - 2. Architecture: It is desired that building architecture through Parcels A and B should be varied and provide strong visual interest through the use of design, materials, and detailing. Side and rear building facades shall incorporate a minimum of two material types. One primary and one accent material comprised of a different material type, color, or texture than the primary material. Facades that face a public or private street shall incorporate a third material of brick or stone in a percentage that provides a strong visual presence. Masonry materials shall start and stop at an interior corner created by a change in wall plane or wrap corners a minimum of two (2) feet to give authenticity to the material. Materials, trim and details used on the front façade shall be continued around all sides of the building, however, the level of detail can be reduced on the facades not visible from a street (public or private) or adjacent properties surrounding the development.
- B. Parcels C, D, and F: All general use and bulk regulations and provisions set forth in Title 9, Zoning of the West Des Moines City Code for the Residential Medium Density (RM-12) district shall apply to any development proposal for these parcels, unless noted otherwise in this ordinance.

- Parcel F, as shown on the sketch plan, shall include approximately 5 acres to be reserved
  for development of a fire station. The property will be required to be platted at the time that
  any portion of the adjacent parcels are platted. The fire station land shall be conveyed to the
  City by warranty deed free and clear of any and all liens and encumbrances including, but
  not limited to, all judgments, attachments, mortgage liens, mechanics liens, and other liens.
- 2. Buffers: A minimum sixty-foot (60') buffer park shall be required along both sides of SW Grand Prairie Parkway. Plans detailing the landscape vegetation and earthen berming within the buffer park shall be provided in accordance with the West Des Moines buffer ordinance at the time of site planning for adjacent medium-density parcels. The equivalent of one overstory tree shall be required per thirty five (35) linear feet of the sixty foot (60') buffer. Evergreen trees or shrubs shall not be required within the buffer. Installation of the buffer amenities shall occur prior to issuance of a building permit for any dwelling on the last 25% of lots within the area subject to the site plan or when the first building permit for a dwelling immediately adjacent to the buffer is issued, with completion of installation of amenities within the entire buffer associated with the plat or site plan occurring prior to issuance of any occupancy permit for a dwelling that is part of the last 25% or adjacent to the buffer. If the time of the year prevents installation of the vegetation, to receive an occupancy permit for a dwelling, surety shall be provided to the City at 1.5 times the cost of the vegetation and labor to install. In this instance, installation shall occur in the first planting season after the issuance of the occupancy permit and prior to June 15th. The City reserves the right to refuse issuance of additional building permits until the buffer amenities are installed to the City's satisfaction.
- 3. Architecture: The intent is to encourage a sense of place by allowing the imaginative and efficient utilization of land that engages residents with the street and neighborhood. Building design should reinforce a sense of community by establishing a unique identity within a cohesive design theme. This can be accomplished by careful attention to building massing and human scale, choice of exterior building materials, details and site orientation. Porches are encouraged to be made a part of the front façade of dwellings to provide a useable outdoor room and promote community connectedness.

The following shall apply to the different types of medium density dwellings proposed within The Preserve PUD:

- a. Building design for residential uses should use materials such as brick, stone, stucco, lap siding or shakes, decorative trim or similar combination of material which represents a variation of architectural styles or elements. Materials choices should be durable, substantial and of a quality that will maintain their appearance over a prolonged time. Use of natural materials is encouraged, composite materials such as fiber cement and wood composites are appropriate substitutions. Vinyl siding may be used only with appropriately scaled trim.
- b. Long blank walls are prohibited. The building and unit plans shall be designed and organized to provide variety and interest on all sides of the building. If function dictates the need for a segment of blank wall, its appearance shall be mitigated with one or more of the following strategies:
  - i. Incorporating minor changes in building footprint and roof forms along with utilizing a variety of materials for visual interest and to break-up blank wall expanses.
  - ii. Including door or window openings or changes in materials that mimic openings in a number and size that is in proportion to the other building facades. Accent windows can be located high enough that they don't interfere with furniture placement or trigger security concerns, but add interest to the façade and provide natural light to the interior of the space.

- iii. Building elements such as porches, arcades, awnings and accent lighting.
- c. Attached garages facing any street shall be designed to minimize their appearance. When the building contains more than 4 garage bays per facade, the garage doors shall be enhanced by the addition of engaged columns; secondary roof forms or decorative garage doors to mitigate the dominant appearance of the doors.
- d. Detached garages or accessory structures should be clad in the same materials and incorporate similar architectural details of the primary buildings with the use of roof forms, windows, doors and other facade detailing. Portions of accessory buildings visible from any street or adjacent property shall incorporate same level of detail as the primary buildings. Detached garages shall contain no more than eight (8) garage doors per façade.
- e. Attached Multi-Family Building (Up To 4 Units): It is desired that building architecture through Parcels C, D and F should be varied and provide strong visual interest through the use of design, materials, and detailing. Side and rear building facades shall incorporate a minimum of two material types. One primary and one accent material comprised of a different material type, color, or texture than the primary material. Facades that face a public or private street shall incorporate a third material of brick or stone in a percentage that provides a strong visual presence. Masonry materials shall start and stop at an interior corner created by a change in wall plane or wrap corners a minimum of two (2) feet to give authenticity to the material. Materials, trim and details used on the front façade shall be continued around all sides of the building, however, the level of detail can be reduced on the facades not visible from a street (public or private) or adjacent properties surrounding the development.
- f. Attached Multi-Family Building (Greater than 4 Units): All facades of the building shall be treated with the same level of architectural style and detail (360 degree architecture). Variations in building form and design such as facade modulation and articulation (stepping back or extending forward a portion of the building) and changing the roof height and form by alternating dormers, stepped roofs, gables, or other roof elements organized with the changes in plan shall be incorporated to lessen the plainness of appearance, mitigate the building mass and repetitive characteristic of large residential buildings. All building elevations shall incorporate a minimum of three material types. One primary material, one accent material, comprised of a different material type, color, or texture from the primary material and a third material comprised of brick or stone. Masonry materials shall be located principally on the base (lowest) story of the building and as the majority cladding of that story, and shall start and stop at an interior corner created by a change in wall plane or wrap corners a minimum of two (2) feet to give authenticity to the material. Variation in materials, material modules, and material heights along with expressed joints, textures, colors and details should be used to break up the mass of the buildings. The use of trim and detailing such as window and door trim, band boards, louvers, etc. shall be carried around all sides of the building and shall be appropriately sized to be noticeable and provide visual interest and detailing. Entrances into buildings should face the street and be easily identified through the use of building design and detailing. Door or window openings shall be incorporated on all sides of the building.
- g. Outdoor Living Area: For horizontally attached multi-family buildings, all dwelling units within the building shall provide a defined outdoor living space (porch, deck or patio) with a minimum usable area of 100 square feet. For multi-family buildings with vertically attached units, all dwelling units within the building shall provide a defined outdoor living space (deck or patio) with a minimum usable area of 40 square feet and a minimum usable dimension of five (5) feet deep in either direction. Buildings greater than 4 units may provide area(s) of common defined outdoor living space (of an area equivalent or

greater than the total required area of all units within the building) in lieu of outdoor living area for individual units. The common defined outdoor living space(s) must be adjacent or in close proximity to the building.

- C. Parcel E: All general use and bulk regulations and provisions set forth in Title 9, Zoning of the West Des Moines City Code for the Neighborhood Commercial (NC) district shall apply to any development proposal for the parcel, unless noted otherwise in this ordinance.
  - 1. Land Use: Uses permitted and permitted conditionally shall be allowed within Parcel E in accordance with the zoning ordinance for the Neighborhood Commercial (NC) district pursuant to title 9 of the City Code and with the approval of the appropriate review body.
  - 2. Parking: Parking for a planned commercial center constructed in parcel E shall be calculated according to subsection 9-15-7B, "Planned Commercial Center", of the city code or, if applicable, for single use commercial developments as required.
  - 3. Buffers: A minimum sixty-foot (60') buffer park shall be required along SW Grand Prairie Parkway. Plans detailing the landscape vegetation and earthen berming within the buffer park shall be provided in accordance with the West Des Moines buffer ordinance at the time of site planning. The equivalent of one overstory tree shall be required per thirty five (35) linear feet of the sixty foot (60') buffer. Evergreen trees or shrubs shall not be required within the buffer. Installation of the buffer amenities shall occur prior to issuance of an occupancy permit, either temporary or final for any building/tenant space within the site planned area. If the time of the year prevents installation of the vegetation, to receive an occupancy permit for a building/tenant space, surety shall be provided to the City at 1.5 times the cost of the vegetation and labor to install. In this instance, installation shall occur in the first planting season after the issuance of the occupancy permit and prior to June 15th. The City reserves the right to refuse issuance of additional building permits until the buffer amenities are installed to the City's satisfaction.

The buffering of any negative element, such as parking and drop off drives, trash enclosure, heating, ventilation, and air conditioning equipment shall be screened from the public view and from adjacent residential properties using earthen berming and landscaping. Utility meters shall be screened from view through architectural means.

4. Architecture: The intent is to create building facades throughout this development that are varied and articulated to provide visual interest and to establish a unique identity for the development. Although it is understood and preferred that not all buildings within this development are identical, each building will include design elements such as similar building proportion and roof forms as well as common materials, colors and detailing to provide continuity amongst buildings and to unite all structures within the development into one project concept. All sides to each building shall receive high quality materials, finishes, and details (360 degree architectural treatment). There are no "backs" to a building. Materials should be durable, economically maintained and of a quality that will maintain their appearance over a prolonged time. The architectural design of any building within this development shall be acceptable to the City.

All buildings within this development shall accommodate or incorporate the following in building design and materials:

- a. Form and Scale: Buildings shall be designed to relate specifically to the pedestrian in scale and respond to the residential context of its surroundings. The following techniques shall be used to meet this objective.
  - i. Buildings shall be organized to create a logical balance and relationship within the site, open spaces and circulation. The design of buildings shall meet context and site objectives such as providing gateways, creating linkages and framing or terminating views.

- ii. Variation in building height, mass and roof forms shall be provided while still maintaining an overall building continuity. Shifts in building planes/facades and variation in exterior materials shall be incorporated to minimize long expanses of wall.
- iii. Entrances into buildings shall be easily identified through the use of building design and detailing. Projected or recessed entryways, change in rooflines, addition of awnings or changes in building material are examples that can create this effect.
- iv. Ground floor areas shall provide the maximum possible glazing toward pedestrian areas to provide visual interest and to promote the linkage of the interior and exterior of buildings.
- v. Fenestration (door and window openings) and trim and structural elements (such as posts or columns) shall be sized to the scale of the building and be compatible with the chosen architectural style.
- vi. A building's roof form and related details/materials are an integral part of the architectural design aesthetic. Roofs shall not be designed as attention-getting devices related to the reinforcement of signage or as an identifiable corporate image.
- vii. Views of roof and building mounted mechanical equipment shall mitigate by screening incorporated into the design of the building through location and the use of parapets, screening walls, or other acceptable solutions as identified during the review of the site plan.

#### b. Material Quality and Detail:

- i. Natural materials such as brick and stone shall be used as the major cladding elements of the facade. Architectural precast concrete, composite or metal panel acceptable to the City may be incorporated in the design up to 40% of the cladding area.
  - 1. Concrete products shall have integrated color rather than surface applied paint/staining and should generally have texture for interest; smooth finish concrete products may be used in conjunction with texture for accent purposes.
  - 2. All composite or metal panel systems must have finished edges and concealed fasteners. Trim or channels must be the same color as the panels.
  - 3. The use of EIFS or synthetic stucco shall be used in moderation and primarily used as a minor cladding or trim material. Use of EIFS is limited to areas of the building seven feet (8') above grade and higher.
  - 4. The use of non-architectural metal and vinyl cladding materials is prohibited.
- ii. Variation in materials, material modules, expressed joints, textures, colors and details shall be used to break up the mass of the buildings. Changes in materials shall be aligned with changes in plan or roof form to emphasize these changes in building mass and shall have the appearance of 3-dimensional elements.
- c. Corporate architecture shall be prohibited. Limited use of architectural elements characteristic of prototypical architecture may be allowed at the discretion of the Director of Development Services or the appropriate reviewing and approval body. Implementation of these architectural elements shall be minimized and whenever possible modified to give a unique image to the establishment. No standard corporate building design without modifications shall be implemented.
- D. Parcel G: All general use and bulk regulations and provisions set forth in Title 9, Zoning of the West Des Moines City Code for the Agricultural/Open Space (OS) district shall apply to any development proposal for the property, unless noted otherwise in this ordinance.
  - Parcel G, as shown on the sketch plan, shall include approximately 5.3 acres to be reserved for development of a water tower and 5.2 acres reserved for development of a neighborhood park. The water tower and park shall be the only allowed uses within Parcel G. Each area shall be required to be platted at the time that any portion of the adjacent parcels are platted. The water tower/park land shall be conveyed to the City by warranty deed, free and clear of any and all liens

and encumbrances including, but not limited to, all judgments, attachments, mortgage liens, mechanics liens, and other liens.

**SECTION 5. SIGNAGE**: The following signage regulations and design criteria shall apply to the development of all properties designated on the Sketch Plan:

### A. Development Entrance Signs:

- 1. Primary Entrance Signs (labeled as 'P' on the PUD sketch map): Primary Entrance signs shall include the "Preserve" logo, shall not exceed seven feet (7') in height and the maximum size of the sign copy shall not exceed twelve (12) square feet. The signs shall be allowed at all corners of intersecting streets with SW Grand Prairie Parkway and shall be setback a minimum of fifteen feet (15') from the ultimate street right-of-way line. Primary Entrance signs shall be externally illuminated and/or halo lighted and may be located within the 60' buffer along SW Grand Prairie Parkway. At the time of platting, an easement shall be recorded for the sign(s) and acceptable documentation, as determined by the City, that outlines the responsibility and strategy for the long term maintenance of the sign and removal, or repair at such time that the sign is no longer desired or being maintained appropriately.
- 2. Secondary Entrance Signs (labeled as 'S' on the PUD sketch map): Secondary Entrance signs shall include the "Preserve" logo, shall not exceed six feet (6') in height and the maximum size of the sign copy area shall not exceed nine (9) square feet. The signs shall be allowed at all corners of intersecting streets with SW Grand Prairie Parkway and shall be setback a minimum of ten feet (10') from the ultimate street right-of-way line. Secondary Entrance signs shall be externally illuminated and/or halo lighted and may be located within the 60' buffer along SW Grand Prairie Parkway. At the time of platting, an easement shall be recorded for the sign(s) and acceptable documentation, as determined by the City, that outlines the responsibility and strategy for the long term maintenance of the sign and removal, or repair at such time that the sign is no longer desired or being maintained appropriately.
- 3. Gateway Signs (labeled as 'G' on the PUD sketch map): Gateway signs shall include the "Preserve" logo, shall not exceed eight feet (8') in height and the maximum sign copy shall not exceed three (3) square feet. A sign shall be allowed on each side of SW Grand Prairie Parkway at both the north and south ends of the development and shall be setback a minimum of ten feet (10') from the ultimate street right-of-way line. Gateway signs shall be externally illuminated and/or halo lighted and may be located within the 60' buffer along SW Grand Prairie Parkway. At the time of platting, an easement shall be recorded for the sign(s) and acceptable documentation, as determined by the City, that outlines the responsibility and strategy for the long term maintenance of the sign and removal, or repair at such time that the sign is no longer desired or being maintained appropriately.
- 4. Boundary Markers: Labeled as 'M' on the PUD sketch map, boundary Markers shall include the "Preserve" logo, shall not exceed eight feet (8') in height and the maximum size of the sign (from ground to top of sign) shall not exceed fourteen (14) square feet. Boundary markers shall be setback a minimum of ten feet (10') from the ultimate street right-of-way line. Boundary Markers shall be internally illuminated and/or halo lighted and may be located within the 60' buffer along SW Grand Prairie Parkway. At the time of platting, an easement shall be recorded for the sign(s) and acceptable documentation, as determined by the City, that outlines the responsibility and strategy for the long term maintenance of the sign and removal, or repair at such time that the sign is no longer desired or being maintained appropriately.
- B. Non-Development Monument Signs: Monument signs for individual properties within the development that are not part of the Preserve development sign package (i.e. multifamily residential and non-residential properties within The Preserve PUD) shall comply with current City sign code, however, the signs are required to incorporate The Preserve logo, including the

identified development colors and materials. A non-development monument sign may exceed the maximum height allowed by the City sign code by 1 foot (1') if The Preserve name or logo is added onto the top of the sign. Signs associated with medium density development shall not be in addition to Primary or Secondary Entrance signs: one or the other may be implemented at entrances off of SW Grand Prairie Parkway. Signs associated with medium density development which take primary access off of a roadway other than SW Grand Prairie Parkway shall be allowed signage in accordance with city code. It is strongly encouraged, but not required that tenant identification on multi-tenant commercial signs be of the same font style, size and color. Non-development monument signs shall be located no closer than one hundred feet (100') from Primary Entrance Signs or Secondary Entrance Signs.

C. Wall Signs: Building wall signage for medium density and commercial properties shall comply with current City sign code.

**SECTION 6.** PARKLAND DEDICATION: An area of land calculated by a set formula based upon the density (total number of dwelling units) of the proposed development is required to be dedicated for purposes of a public park and greenway as per city code. A Parkland Dedication Agreement, acceptable to the Parks and Recreation Department, detailing the specifics related to the Parkland Dedication requirements for the development of any area contained within the PUD is required to be executed in conjunction with the preliminary plat for the PUD area. At the time of final platting of land directly adjacent to the proposed park and greenway locations, the parcels shall be deeded to the City.

**SECTION 7.** MASTER PROPERTY OWNERS ASSOCIATION: If deemed applicable, proper action shall be taken to establish a master property owners association. The property owners association shall be responsible for the ongoing upkeep and maintenance of any common grounds such as buffer parks, storm water detention facilities, greenbelts, plazas and other common space, as outlined in the association documents and any other specific development improvements noted as their responsibility in this ordinance.

**SECTION 8. STORM WATER MANAGEMENT**: A Storm Water Management Plan will be required with each preliminary plat for ground within the PUD area. The Developer will have said Storm Water Management Plan prepared by a Professional Engineer licensed in the State of Iowa, in conjunction with the submittal of a preliminary plat for the development of the property. The Storm Water Management Plan shall comply with the City's current design standards for storm water management. The method of storm water management and the storm water conveyance system shall be determined prior to City approval of a preliminary plat.

At time of final platting, ownership and responsibility for all storm water detention areas and private storm water detention outlet structures will need to be established through the execution of a Storm Water Facility Maintenance Agreement prepared by the City with information provided by the developer. This agreement essentially provides that the property owner will maintain and repair their storm water facilities. If they fail to do so, the city will make repairs or perform maintenance and assess all costs back to the property owner. As part of the maintenance agreement, the property owner will be responsible to provide a letter certifying the detention facility in in conformance with the approved Storm Water Management Plan. The property owner also will need to provide as-built drawings of the detention facilities. The letter and as-built plans will be required prior to the issuance of a final occupancy permit for the first dwelling on property which is served by a particular detention facility. Both the letter and as-builts will need to be signed and sealed in accordance with Chapter 6, 193C-6.1(542B) of the lowa Code.

**SECTION 9. REPEALER:** All ordinances or parts of ordinances in conflict with the provision of this ordinance are hereby repealed.

**SECTION 10. SAVINGS CLAUSE**: If any section, provision, sentence, clause, phrase or part of the Ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity

of the Ordinance as a whole or any provision, section, subsection, sentence, clause, phrase or part hereof not adjudged invalid or unconstitutional.

**SECTION 11. <u>VIOLATIONS AND PENALTIES.</u>** Any person who violates the provisions of this Ordinance upon conviction shall be punished as set forth in Section 1-4-1 of the City Code of the City of West Des Moines, Iowa.

**SECTION 12.** OTHER REMEDIES. In addition to the provisions set out in the Violations and Penalties Section herein, the City may proceed in law or equity against any person, firm or corporation for violation of any section or subsection of this Ordinance.

**SECTION 13.** <u>EFFECTIVE DATE</u>: This Ordinance shall be in full force and effect after its passage, approval and publication as provided by law.

# THE WITTERN GROUP, INC.

An Association of Independent Companies

September 23, 2019

Dear West Des Moines Planning & Zoning Commission:

This morning I received the P&Z Agenda, which includes proposed changes in the Comprehensive Plan and establishment of a PUD for The Preserve. This meeting has been rescheduled a number of times and today was the first time I have spoken with Brian Portz to get an overview of the proposed changes. Additionally, I have requested information directly from Knapp Properties, but have not yet received an adequate response.

Given the significant amount of property that our family and others own that is adjacent to The Preserve and other property owned by the Raccoon River Land Company, it is important to allow sufficient time for everyone who might be potentially impacted by these proposed changes to analyze them. This would improve the coordinated development of all of the ground in the area. We would like to have more time to review and analyze these proposed changes, and their effect on the plans we have in place for the Wittern family property, including how the property can be used, the location of streets, utility location and capacity, traffic signals, and improvements, etc.

We want to be good neighbors and work with adjacent owners and their plans for development of their property, but the whole point of the comprehensive plan is to allow people to plan for development of their property consistent with that of the plan. Thus, proposed changes to the comprehensive plan should only be considered after everyone has had enough time to consider how those changes might impact their property and offer up comments in a thoughtful way.

We are requesting more time to study these proposed changes and to meet with City staff to discuss all the

# CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

Date: October 7, 2019

ITEM: Jordan West, Southwest corner of EP True Parkway and Jordan Creek Parkway – Amend the Jordan West Specific Plan Ordinance by rezoning the southern portion of PUD Parcel 7 from Support Commercial (SC) to Regional Commercial (RC) to allow for construction of an indoor family entertainment venue – Ryan Companies US, Inc. – ZCSP-004467-2019

**ORDINANCE: Approval of Zone Change Specific Plan Amendment** 

FINANCIAL IMPACT: Undetermined.

**BACKGROUND:** The applicant, Ryan Companies US, Inc., is requesting approval of a Specific Plan Ordinance Amendment to designate the southern 6.4 acre portion of PUD Parcel 7 (aka Lot 7, Jordan West Plat 3) as Parcel 9 and change the underlying zoning from Support Commercial (SC) to Regional Commercial (RC) to allow for construction of an indoor family entertainment venue that will include recreational uses such as, but not limited to, a bowling alley, laser tag, and video arcade, as well as a bar and grill. The venue will be located south of Slumberland which exists at 350 Jordan Creek Parkway. The Specific Plan Ordinance amendment will only allow for this specific use within newly created PUD Parcel 9.

Plan and Zoning Commission Action:

Vote: 6-0 approval, with Commissioner Crowley absent.

Date: September 23, 2019

Motion: Adopt a resolution recommending the City Council approve the Zone Change Specific Plan

Amendment

#### **OUTSTANDING ISSUES:** There are no outstanding issues.

The following items of interest are noted in the attached Plan and Zoning Commission report (see Exhibit I):

- Applicant's Request
- History
- City Council Subcommittee Development & Planning: August 19, 2019
- Staff Review and Comments
  - Specific Plan Map
- Comprehensive Plan Consistency
- Town Center Overlay District Consistency
- Noticing Information
- Staff Recommendation and Conditions of Approval
- Owner/Applicant/Applicant's Representative Information

**RECOMMENDATION:** Based upon the preceding review and a finding of consistency with the goals and policies of the Comprehensive Plan and the Town Center Overlay District, the Plan and Zoning Commission recommends the City Council approve an amendment to designate the southern 6.4 acre portion of PUD Parcel 7 (aka Lot 7, Jordan West Plat 3) as Parcel 9 and change the underlying zoning from Support Commercial (SC) to Regional Commercial (RC) to allow for construction of an indoor family entertainment venue, subject to the applicant meeting all City Code requirements.

# CITY OF WEST DES MOINES PLAN AND ZONING COMMISSION COMMUNICATION

Meeting Date: September 23, 2019

Item: Jordan West, Southwest corner of EP True Parkway and Jordan Creek Parkway –

Amend the Jordan West Specific Plan Ordinance by rezoning the southern portion of PUD Parcel 7 from Support Commercial (SC) to Regional Commercial (RC) to allow for construction of an indoor family entertainment venue – Ryan Companies

US, Inc. - ZCSP-004467-2019

Requested Action: Recommend Approval of Zone Change Specific Plan

Case Advisor: Brian Portz, AICP

Applicant's Request: The applicant, Ryan Companies US, Inc., is requesting approval of a Specific Plan Ordinance Amendment to designate the southern 6.4 acre portion of PUD Parcel 7 (aka Lot 7, Jordan West Plat 3) as Parcel 9 and change the underlying zoning from Support Commercial (SC) to Regional Commercial (RC) to allow for construction of an indoor family entertainment venue that will include recreational uses such as, but not limited to, a bowling alley, laser tag, and video arcade, as well as a bar and grill. The venue will be located south of Slumberland which exists at 350 Jordan Creek Parkway. The Specific Plan Ordinance amendment will only allow for this specific use within newly created PUD Parcel 9.

History: This property was originally part of the Bridgewood development and was removed in 2007. Bridgewood Plat 1, which this property was a part of, was approved in 1998. Jordan West Plat 1 was approved in June of 2007, and Jordan West Plat 2 approved in February 2008. In 2007, an Area Development Plan and Specific Plan Ordinance for the Jordan West property was approved that provided regulations for the development of offices on the property with limited retail aspects and internal private streets. On May 18, 2015, the City Council approved a Comprehensive Plan Amendment and Area Development Plan (ADP) amendment to allow for the more commercial oriented development that exists today. In June of 2015, the City Council approved the Jordan West Specific Plan Ordinance for the development of the property.

<u>City Council Subcommittee</u>: The intended development of this property with a family entertainment venue was presented to the Development and Planning City Council Subcommittee on August 19, 2019. Staff explained that the existing zoning of the property designated within the Jordan West Specific Plan is Support Commercial (SC), which doesn't permit the proposed use, which is considered SIC 7999, Amusement and Recreational Services, NEC. Staff presented two options to the Subcommittee to allow the use: option #1, amend City Code to allow SIC 7999 in Support Commercial districts or option #2, amend the Jordan West Specific Plan Ordinance to change the zoning of the subject property to Regional Commercial (RC) to allow the use. The Subcommittee was more comfortable with option #2, amending the Jordan West Specific Plan Ordinance to rezone the property to RC and include language to allow only this specific use on the subject property.

**Staff Review and Comment:** This request was distributed to other City departments and other agencies for their review and comment. There are no outstanding issues. Staff would summarize the following:

• <u>Specific Plan Map</u>: The Jordan West Specific Plan map will be amended with this request identifying the property where the family entertainment venue will be located as Parcel 9.

<u>Comprehensive Plan Consistency</u>: The project has been reviewed for consistency with the Comprehensive Plan. Based upon that review, a finding has been made that the proposed project is consistent with the Comprehensive Plan in that the project is consistent with all of the goals and policies of the Comprehensive Plan and the land use map of the Comprehensive Plan.

<u>Town Center Overlay District Consistency</u>: The proposed project has been reviewed for consistency with the Town Center Overlay District Guidelines. Based upon that review, a finding has been made that the proposed project is consistent with the Town Center Overlay District Guidelines in that the plan is consistent with the overall objective and intents of the Town Center Overlay District Guidelines.

**Noticing Information:** On September 18, 2019, notice for the September 23, 2019, Plan and Zoning Commission and October 7, 2019, City Council Public Hearings on this project was published in the Des Moines Register Community Section. Notice of these public hearings was also mailed to all surrounding property owners within 370 feet of the subject property on September 17, 2019.

Staff Recommendation And Conditions Of Approval: Based upon the preceding review and a finding of consistency with the goals and policies of the Comprehensive Plan and the Town Center Overlay District, staff recommends the Plan and Zoning Commission adopt a resolution recommending the City Council approve an amendment to designate the southern 6.4 acre portion of PUD Parcel 7 (aka Lot 7, Jordan West Plat 3) as Parcel 9 and change the underlying zoning from Support Commercial (SC) to Regional Commercial (RC) to allow for only construction of an indoor family entertainment venue, subject to the applicant meeting all City Code requirements.

# CITY OF WEST DES MOINES PLAN AND ZONING COMMISSION COMMUNICATION

Meeting Date: September 23, 2019

Item: Amendment to City Code, Title 9 (Zoning), Chapter 6 (Commercial, Office and Industrial

Zoning District), to modify certain regulations as they pertain to physical fitness facilities. -

City Initiated - AO-004483-2019

Request Action: Recommend Approval of Amendments to City Code

Case Advisor: J. Bradley Munford

<u>Applicant's Request</u>: Staff is requesting an amendment to the following sections within Title 9 (Zoning) of City Code to modify certain regulations as they pertain to physical fitness facilities: (See Exhibit A, Proposed Ordinance)

Title 9 Zoning

o Chapter 6 Commercial, Office And Industrial Zoning District

Section 5 Use Codes, Subsection C, Table 6.1- Use Matrix, Division I

<u>History:</u> The City received a request from a physical fitness facility to open on property that was zoned Convenience Commercial District (CVC). Physical Fitness Facilities are not an allowed use in CVC. The proposed establishment would be a smaller boutique type gym that focuses on 1-on-1 personal training and small group classes (approx. 6-10 students).

<u>City Council Subcommittee:</u> Staff presented information about the trending operational aspects that are occurring in the gym and physical fitness industry to the Development and Planning City Council Subcommittee for guidance on August 19, 2019. Staff pointed out that Physical Fitness Facilities were omitted from CVC as the district was intended to provide small commercial needs to nearby neighborhoods. The number of patrons of larger gyms such as Lifetime Fitness, Prairie Life Fitness, YMCA etc. during peak hours brings high traffic and parking demands that can adversely affect surrounding neighborhoods. Smaller boutique-style gyms such as Curves along with small group and personal training do not come with the operational impacts (high traffic and parking) of the larger gyms. The Subcommittee was supportive of the request to modify the City code to allow boutique-style gyms under 5,000 square feet in Convenience Commercial District (CVC). With the creation of the smaller category for these types of facilities, it was also included as appropriate to other non-residential zoning districts.

Staff Review and Comment: There are no outstanding issues.

<u>Comprehensive Plan Consistency</u>: The ordinance amendment has been reviewed for consistency with the Comprehensive Plan. Based upon that review, a finding has been made that the proposed ordinance amendment is consistent with the Comprehensive Plan in that the amendment is consistent with all of the goals and policies of the Comprehensive Plan.

<u>Noticing Information</u>: On September 18, 2019 notice of the September 23, 2019, Plan and Zoning Commission and the October 7, 2019 City Council public hearing for this project was published in the *Des Moines Register*.

<u>Staff Recommendation and Conditions of Approval</u>: Staff recommends the Plan & Zoning Commission approve a resolution recommending to the City Council approval of the ordinance amendment.

## CITY OF WEST DES MOINES PLAN AND ZONING COMMISSION

Meeting Date: September 23, 2019

Item: Amendment to City Code, Title 9 (Zoning), Chapter 7 (Setback and Bulk Density

Regulations) to update regulations pertaining to rear yard setback requirements for accessory structures in residential zoning districts – City Initiated (AO-003581-2017)

Request Action: Recommend Approval of an Amendment to City Code

Case Advisor: Linda Schemmel, AIA

<u>Applicant's Request</u>: The City of West Des Moines requests an amendment to the following in Title 9 (Zoning) to update regulations pertaining to rear yard setback requirements for accessory structures in residential zoning districts. (See Attachment A, Exhibit A – Proposed Ordinance):

Chapter 7 Setback and Bulk Density Regulations

Section 4 Setback and Bulk Density Regulations, Subsection C9

<u>City Council Subcommittee:</u> This item was presented to the Development and Planning City Council Subcommittee at their September 3, 2019 meeting. The Subcommittee was supportive of the amendment.

<u>Staff Review and Comment</u>: There are no outstanding issues. Staff summarizes the following key points of interest:

<u>Background:</u> As part of a recent ordinance amendment to building setbacks, separation and bulk regulations (AO-003581-2017, approved by the Commission on February 25, 2019), the required rear and side yard setback for attached accessory structures were changed to the more stringent principal building setback. This change was in response to the current trend to cover decks with a roof, and while open air initially, staff has been fielding numerous inquiries in respect to enclosing the deck into 3 or 4-season rooms, thus becoming an extension of the living area of the home or primary structure. Previously decks (openair) were allowed to be as close as 5' to a side yard and as close as 20' to the rear property line; however, if built to these standards and then enclosed, they are out of compliance with code as they must meet the setbacks of the primary structure - minimum 7 or 8' side yards and 35' rear yard setbacks. A variance would generally not be granted as the desire to enclose is a want and not a need or hardship. Since the code amendment was adopted, several of residential builders have raised concerns that this change will not allow them to build a house of typical desired size with a covered deck on some existing platted single-family lots.

Setbacks are generally intended to mitigate the building mass from being imposing on an adjoining property and to ensure a property owner has an area for outdoor living, rather than covering the lot with structures and having no outdoor space. With this in mind, staff is comfortable returning to a 20' rear yard setback, believing it is deep enough to provide a useable backyard and resolving the potential issue with existing platted lots. However, staff believes there is a benefit to keeping the side yard setback for accessory structures at the principal building setback as side yards are in closer proximity to the adjacent neighbors.

**Noticing Information:** On September 17, 2019, notice of the September 23, 2019, Plan and Zoning Commission and October 7, 2019 City Council public hearings for this project was published in the *Des Moines Register*.

<u>Staff Recommendation and Conditions of Approval</u>: Staff recommends the Plan & Zoning Commission approve a resolution recommending to the City Council approval of the ordinance amendment.

#### ORDINANCE NO.

AN ORDINANCE AMENDING THE CITY CODE OF THE CITY OF WEST DES MOINES, IOWA 2019 BY AMENDING TITLE 9 (ZONING), CHAPTER 7 (SETBACK AND BULK DENSITY REGULATIONS) TO UPDATE REGULATIONS PERTAINING TO REAR YARD SETBACK REQUIREMENTS FOR ACCESSORY STRUCTURES IN RESIDENTIAL ZONING DISTRICTS.

#### BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WEST DES MOINES, IOWA:

**Section 1.** <u>Amendment.</u> Title 9 (*Zoning*), Chapter 7 (*Setback and Bulk Density Regulations*), Section 4 (*Setback and Density Regulations*), Subsection C9 is hereby amended by deleting the highlighted strikethru text and adding the bold italic text:

- 4. Bulk Regulations, Minimum Setbacks and Building Separations for Accessory Buildings and Structures in Residential Districts:
  - a. See Chapter 14 of this Title (Accessory Structures) for additional standards and construction requirements for accessory buildings and structures.
  - b. Accessory buildings and structures that meet the minimum separation distance from the principal building are considered detached accessory structures. In such case, the detached accessory structure must meet the setback requirements as noted in Table 7.5 below.
  - c. Accessory structures that do not meet the minimum separation from the principal structure are considered part of the principal structure, no matter if they are physically separate from the principal structure. In such case, the accessory structure must meet the setback requirements for a principal structure except as noted below.
    - (1) Accessory structures (other than fences and walls) that do not exceed thirty inches (30") in height as measured from grade to the highest element and any railing or trellis designed to be open 50% or more may follow the detached accessory structure setbacks, no matter their proximity to the principal structure.
    - (2) Accessory structures that are considered part of the principal structure and which exceed thirty inches (30") in height must be setback a minimum of twenty feet (20') from the rear property line(s) and must meet the pertinent side and front yard setback of the principal structure.

- d. See Chapter 10 of this Title (Performance Standards), Section 4 (Specific Use Regulations) for additional separation requirements for accessory structures that will house animals.
- e. Accessory structures cannot encroach into any buffer area or perimeter setback.
- f. In a footprint development, detached accessory structures and fences are not allowed within footprint lots and are only allowed for development use on common property.
- g. Accessory buildings over one-thousand square feet (1,000 sf), which are only permitted in Residential Estate and Open Space zoning, shall meet the minimum front yard setback of their respective zoning district and be setback a minimum of twenty feet (20') from the side and rear property lines.
- h. Accessory buildings over one-thousand, five hundred square feet (1,500 sf) in multifamily residential districts must meet primary building setbacks and separations including setbacks adjusted for primary building height.
- **Section 2.** Repealer. All ordinances or parts of ordinances in conflict with the provision of this ordinance are hereby repealed.
- **Section 3.** <u>Savings Clause.</u> If any section, provision, sentence, clause, phrase or part of this Ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the Ordinance as a whole or any provision, section, subsection, sentence, clause, phrase or part hereof not adjudged invalid or unconstitutional.
- **Section 4.** <u>Violations and Penalties.</u> Any person who violates the provisions of this Ordinance upon conviction shall be punished as set forth in Title 1, Chapter 4, Sections 1 and 2 of the City Code of the City of West Des Moines, Iowa.
- **Section 5.** Other Remedies. In addition to the provisions set out in the Violations and Penalties Section herein, the City may proceed in law or equity against any person, firm or corporation for violation of any section or subsection of this Ordinance.

**Section 6.** Effective Date. This Ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

# CITY OF WEST DES MOINES MEMORANDUM

TO: Mayor and City Council

FROM: Clyde Evans, AICP, Director, Community and Economic Development

DATE: October 7, 2019

RE: Continuation of Development Agreement with The Iowa Clinic Westlakes I, LLC and The Iowa

Clinic, P.C.

Staff is requesting that this item be continued to the City Council meeting of October 21, 2019, in order to allow adequate time for the signatory to review the proposed Development Agreement.

### CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

DATE: October 7, 2019

ITEM:

Resolution - Opening and closing public hearing and approving termination of permanent storm sewer easement located within Corrected Michael's Landing Plat 1, Outlot C and approval and acceptance of conveyance of property interests reflecting the as-built location of the storm sewer.

FINANCIAL IMPACT: None

**SYNOPSIS:** 

As part of the 88th & Mills Civic Parkway Improvements Project, Project No. 0510-048-2018, the City acquired a permanent storm sewer easement from Edgewater, a Wesley Active Life Community, LLC. The path of the storm sewer required alterations during construction, making this storm sewer easement unnecessary surplus property that should be terminated. A new storm sewer easement reflecting the as-built location of the storm sewer is being provided by the property owner in exchange for this termination of easement.

The attached resolution terminates the easement and approves and accepts the conveyance of property interests reflecting the as-built location of the storm sewer to the City of West Des Moines

#### **RECOMMENDATION:**

Approve - Resolution opening and closing public hearing and approving termination of storm sewer easement and approval and acceptance of property interest reflecting the asbuilt location of the storm sewer to the City of West Des Moines.

# RESOLUTION OPENING AND CLOSING PUBLIC HEARING, APPROVING TERMINATION OF PERMANENT STORM SEWER EASEMENT AND CONVEYANCE OF PROPERTY INTEREST

WHEREAS, as part of the 88th & Mills Civic Parkway Improvements Project, Project No. 0510-048-2018, the City acquired a permanent storm sewer easement from Edgewater, a Wesley Active Life Community, LLC and recorded in the Office of the Dallas County, Iowa Recorder on April 18, 2019 at Book 2019, Page 5360; and

WHEREAS, the Property is no longer needed by the City; and

WHEREAS, by operation of law, upon termination of the easement all rights shall revert to the underlying fee owner; and

WHEREAS, pursuant to the Code of Iowa Sections 362.3 and 364.7, publication of notice regarding termination of the easement and conveyance of the property has been made; and

WHEREAS, this being the time and place for a public hearing regarding termination of the easement and conveyance of the property; and

WHEREAS, the City Council of the City of West Des Moines, Iowa finds that termination and release of the easement recorded in the Office of the Dallas County, Iowa Recorder on April 18, 2019 at Book 2019, Page 5360 is in the best interest of the City of West Des Moines, Iowa; and

WHEREAS, the City of West Des Moines has obtained a permanent storm sewer easement, at no cost to the City, provided by the property owner shown on Exhibit "A" reflecting the as-built location of the storm sewer; and

**WHEREAS**, it is the policy of the City of West Des Moines, Iowa, to approve the conveyance of all property interests to the City.

## NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WEST DES MOINES, IOWA THAT:

- 1. Pursuant to Code of Iowa Section 364.7, publication of notice regarding termination of the permanent storm sewer easement recorded on April 18, 2019 at Book 2019, Page 5360 in the Office of the Dallas County, Iowa Recorder has been properly made.
- 2. The public hearing regarding termination of the above legally described property is closed and the Mayor is authorized to terminate and release the easement interests recorded on April 18, 2019 at Book 2019, Page 5360 in the Office of the Dallas County, Iowa Recorder.
- 3. The new permanent storm sewer easement obtained reflecting the as-built location to the City of West Des Moines, Iowa, provided by the property owner shown on **Exhibit "A"** is hereby approved and accepted.
- 4. The City Clerk is directed to certify the Council's approval and acceptance.

#### **KNOW ALL MEN BY THESE PRESENTS:**

#### 1. Grant of Permanent Easement

The undersigned, on behalf of Edgewater, a Wesley Active Life Community, LLC, a limited liability company ("Grantor") and owner of property upon which this Easement is located, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does hereby sell, grant, and convey to the City of West Des Moines, Iowa, a municipal corporation ("City"), an exclusive permanent and perpetual Storm Sewer Easement ("Easement") upon, over, under, through and across the real property as shown and legally described on the attached Acquisition Plat as Exhibit "26-P(3)" ("Easement Area").

#### Use and Purpose of Easement

This Easement shall be granted solely for the purposes of constructing and permanently maintaining a permanent storm sewer; allowing the City to enter at any time upon and into the Easement Area and to use as much of the surface and subsurface thereof to locate, construct, replace, rebuild, enlarge, reconstruct, add to, patrol, repair and maintain the permanent storm sewer whenever necessary: and constructing the South 88th Street and Mills Civic Parkway Reconstruction Project and appurtenances (hereinafter "Project"). The use the Easement Area is subject to the following terms and conditions:

(a) No structure or building of any kind whatsoever shall be erected upon property that is the subject of this Easement without the express written consent of the City. The installation of driveways, sidewalks or other objects installed or placed in the Easement area shall be subject to removal and replacement at Grantor's expense if necessary for City to access the Easement area for its intended purpose.

- (b) The City agrees to obtain at its sole cost and expense such permits, licenses or other authority which may be required from federal, state, county, municipal or other governmental agency or units exercising jurisdiction over the installation and operation of the facilities before using the Easement or exercising the rights herein provided, and further agrees to comply with and strictly observe any and all laws, rules, and regulations of any such governmental agency or unit.
- (c) The City shall take reasonable steps to ensure that all work performed by the City in the Easement Area will be initiated and completed within a reasonable period. Following completion of the work performed by the City, the Easement Area described herein shall be restored to a condition similar to that which existed prior to the performance of work by the City, excluding the replacement of trees and landscaping and restoration of existing grade, and subject to the provisions of paragraph 1(a), above. The City shall also be responsible for removal of all debris, spoils, equipment, etc. used by the City in connection with the work performed in the Easement Area.
- (d) Unless done at the direction or by the authority of the City, nothing in this Easement Agreement shall obligate the City to perform any work or engage in any repair or restoration of the Easement Area resulting from actions taken by other individuals or entities (i.e., utility companies) other than the City or its contractors.
- (e) It is understood and agreed that the consideration for this Easement includes full compensation for damages to Grantors as agreed upon by the City and the Grantors.
- (f) Upon restoration of the Easement Area, Grantor will resume all maintenance responsibilities of the Easement Area.

#### 2. Hold Harmless

Each party shall indemnify and hold the other party harmless from and against any loss, expense or claim asserted by third parties for damage to third party tangible property, or for bodily injury, or both, related to this Agreement, to the extent such damage or injury is attributable to the negligence or willful misconduct of the indemnitor; provided, indemnitee gives the indemnitor prompt notice of any such claim and all necessary information and assistance so that indemnitor, at its option, may defend or settle such claim, and indemnitee does not take any adverse position in connection with such claim. In the event any such damage or injury is caused by the joint or concurrent negligence of both parties, the loss, expense or claim shall be borne by each party in proportion to its negligence.

#### 3. Successors and Assigns

The terms and conditions of both Easements are binding upon the Grantor, including but not limited to its successors, assigns, developers, lessees or occupants. All provisions of this instrument, including benefits and burdens, run with the land and are binding upon and inure to the successors, assigns and personal representatives of the parties hereto.

#### 4. Jurisdiction and Venue

The City and the Grantor(s) agree that the District Court in and for the State of Iowa shall have exclusive jurisdiction over the subject matter and enforcement of the terms and conditions of this Easement and said parties shall consent to the jurisdiction of **Dallas** County, Iowa.

#### 5. Lawful Authority

The Grantor covenants with the City that it holds the above-described legal property by good and marketable title, free and clear of liens, easements, and encumbrances, except any of record, and that the Grantor has a right and lawful authority to make and execute this Easement Agreement. Grantor warrants and defends said Easements against the lawful claims of all persons claiming by, through or under Grantor.

#### 6. Approval of City

These Easements shall not be binding until they have received the final approval and acceptance by the City of West Des Moines, Iowa, which approval and acceptance shall be noted on this Easement Agreement by the City Clerk.

#### 7. Words and Phrases

Words and phrases herein shall be construed as in the singular or plural number, and as masculine, feminine, or neuter gender, according to the context. #### PERMANENT PUBLIC UTILITY EASEMENT

#### KNOW ALL MEN BY THESE PRESENTS:

#### 1. Grant of Permanent Easement

The undersigned, on behalf of the CITY OF WEST DES MOINES, a municipal corporation organized under the laws of the state of Iowa, (hereinafter referred to as "City"), owner of property upon which this Easement is located), in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does hereby sell, grant, and convey to MIDAMERICAN ENERGY COMPANY, an Iowa corporation ("Grantee"), a permanent and perpetual Public Utility Easement ("Easement") upon, over, under, through, and across the real property as shown and legally described on the attached Permanent Public Utility Easement Plats as Exhibits "PUE-001" and "PUE-002" ("Easement Area").

#### 2. Use and Purpose of Easement

This Public Utility Easement shall be granted to MidAmerican Energy Company for the sole purpose of locating a transformer in the Easement Area and accessing the Easement Area to construct, reconstruct, maintain and repair, whenever necessary, the above-described transformer. No other structures or buildings of any kind whatsoever shall be erected upon the Easement Area without the express written consent of City.

The use of the Easement Area is subject to the following terms and conditions:

MidAmerican Energy shall obtain at its sole cost and expense such permits, licenses or other authority which may be required from federal, state, county, municipal or other governmental agency or units exercising jurisdiction over the installation and operation of the facilities before using the Easement or exercising the rights herein provided, and further agrees to comply with and strictly observe any and all laws, rules, and regulations of any such governmental agency or unit.

MidAmerican Energy shall take reasonable steps to ensure that all work performed in the Easement Area will be initiated and completed within a reasonable period.

Following completion of the work, MidAmerican Energy shall restore the Easement Area to a condition similar to that which existed prior to the performance of work. MidAmerican Energy Company shall also remove all debris, spoils, equipment, etc. used in connection with work performed in the Easement Area.

#### 3. Hold Harmless

Each party shall indemnify and hold the other party harmless from and against any loss, expense or claim asserted by third parties for damage to third party tangible property, or for bodily injury, or both, related to this Agreement, to the extent such damage or injury is attributable to the negligence or willful misconduct of the indemnitor; provided, indemnitee gives the indemnitor prompt notice of any such claim and all necessary information and assistance so that indemnitor, at its option, may defend or settle such claim, and indemnitee does not take any adverse position in connection with such claim. In the event that any such damage or injury is caused by the joint or concurrent negligence of both parties, the loss, expense or claim shall be borne by each party in proportion to its negligence.

#### 4. Benefits, Burdens and Assignment

All provisions of this Easement, including benefits and burdens, run with the land and are binding upon the City and the Grantee, including but not limited to future owners, developers, lessees, occupants or assignees.

#### 5. Jurisdiction and Venue

The City and MidAmerican Energy agree that the District Court in and for the State of Iowa shall have exclusive jurisdiction over the subject matter and enforcement of the terms and conditions of this Easement and said parties shall consent to the jurisdiction of **Dallas** County, Iowa.

#### 6. Words and Phrases

Words and phrases herein shall be construed as in the singular or plural number, and as masculine, feminine, or neuter gender, according to the context.

#### 7. Parties

The term "City" as used herein shall refer to the City of West Des Moines, Iowa, its elected officials, agents, employees, officers, contractors, successors and assigns. The term "Grantee"

shall refer to MidAmerican Energy Company, its assigns, successors in interest, or lessees, if any.

#### 8. Integration

This Agreement shall constitute the entire Agreement between the parties and no amendments or additions to this Agreement shall be binding unless in writing and signed by both parties.

The paragraph headings in this Agreement are included solely for convenience and shall not

affect or be used in connection with the interpretation of this Agreement.

# CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

ITEM: Public Hearing, FY 2019-20 Budget Amendment #1 DATE: October 7, 2019

**FINANCIAL IMPACT:** There will be no increase to the tax rates as a result of this amendment. Details of the more significant adjustments include the following:

**General Fund** – net decrease to the fund of \$2,899,685

The general fund piece of this amendment primarily consists of:

The hiring of additional Public Safety staff and equipment for the new hires as the result of the Local Option Sales and Services Tax passing in March of 2019.

- Increase of \$465,829 for the hiring of 5 additional police officers, 1 additional sergeant, and 1 additional lieutenant
- Increase of \$239,473 for the hiring of 5 new fire fighters, the promotion of 3 existing fire fighters to lieutenant, and the promotion of 3 existing fire fighters to driver/operator.
- Increase to expenses of \$90,000 for the purchase of 2 new police squad cars
- Increase to expenses of \$73,920 for equipment for new police officers
- Increase to expenses of \$12,000 for equipment for new fire fighters

Other less-significant adjustments within the General Fund are as follows:

- \$37,000 increase to replace a police squad car that was totaled, partially offset by insurance proceeds received in prior fiscal year.
- Carryover of \$44,200 of Fire Department expenses for uniforms which were originally budgeted in FY 18-19.
- \$21,980 increase to the WestPet expenses for updated shelter expenses and also Clive and Urbandale's share of shelter expenses, which will be reimbursed and shown as offsetting revenue
- \$30,200 increase to the Metro Salt Shed expenses for the refurbishment of a salt conveyor, expense is covered by funds contributed from other communities using the facility.
- Carryover of \$65,000 of expenses related to Engineering Services facilities software that was originally in the FY 18-19 budget.
- \$63,855 reallocation for a Secretary position which was moved to Engineering from Development Services.
- \$126,930 increase in Parks & Recreation expenses for the upgrade of the recreation coordinator to a recreation/facility supervisor and the addition of an Arts, Culture, and Enrichment Coordinator, brought on staff in anticipation of the amphitheater and boathouse facilities being constructed.
- \$20,000 increase in expenses for the repair to pumps and replacement of valves at Holiday Aquatic Center.

- \$52,092 increase in Library expenses for the hiring of a collection services assistant
- Carryover of \$27,950 of expenses related to Development Services comprehensive plan project which was originally budgeted in FY 17-18
- \$50,000 increase in Community & Economic Development expense for outside legal expenses related to Urban Renewal Areas and Development Agreements.
- Carryover of \$379,588 of expenses related to the Property Improvement and Regulatory Compliance Funds, which were originally budgeted in FY 17-18
- Carryover of \$36,649 of expenses for Metro Home Improvement Program projects started in the prior fiscal year.
- \$32,000 increase in City Manager Office Training Expense for Predictive Index training.
- \$26,600 increase in expenses for the rental of temporary furniture and moving expenses for the City Hall Interior Renovation project.
- \$13,700 increase in expenses for payroll services related to new software.
- Carryover \$80,285 of expenses originally budgeted in FY 17-18 related to the purchase and project management of the human resources software project.
- \$82,000 increase of expenses related to software maintenance of old human resources software which will need to remain active through calendar 2020.
- Reclassification of \$300,000 from an expense to a transfer out related to the Technology Replacement Fund.

#### Special Revenue Fund - net decrease to the fund of \$3,595,941

- \$128,470 increase to expenses for pension expenses related to the hiring of new public safety staff. This will be covered using Polk County LOSST funds.
- \$50,000 increase in revenue to reflect a Bravo grant for the Public Art program.
- \$214,640 increase in expenses to the Public Art Fund for the carryover of projects from FY 18-19 and the addition of a project that will be funded by a Bravo grant.
- \$124,175 increase in expenses to the 8300 Mills TIF Fund for expenses related to the Sammons development agreement
- \$5,585 increase to expenses in the Dallas County Local Housing Trust Fund for the carry-over of funds from FY 2018-19.

#### **Debt Service Fund** - net decrease to the fund of \$1,921,256

- \$6,976,471 increase to principal for bond payments as a result of recent issuances
- \$4,178,090 increase Debt Service Transfers In, for bond payments covered by TIF Revenue.

#### Capital Projects Fund - net decrease to the fund of \$45,413,838

Revenue for the Capital Projects Fund will have a net decrease of \$10,569,645 due to bond proceeds for the RecPlex will be placed in the Enterprise Fund instead of the Capital Project Fund.

Expenses for Capital Projects will increase by \$49,340,190, major adjustments in expenditures (defined as being over \$200,000) for the following public improvements are due to projects scheduled for FY 18-19 but need to be carried over to FY 19-20:

**BACKGROUND:** This is a public hearing on Amendment #1 to the City's FY 2019-20 operating and capital budget. The Finance Director and Budget Analyst developed this amendment after reviewing all expenditure levels and receiving input from several of the departments. The amendment was presented and discussed with the Finance & Administration Committee on September 18, 2019, where the Committee recommended approval.

**RECOMMENDATION:** Adopt Resolution approving Amendment #1 to the FY 2019-20 operating and capital budget.

## CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

DATE: October 7, 2019

#### **ITEM:**

Public Hearing (5:35 p.m.)
Fiber Conduit Interconnect Project – Purple Route & Duct Bank 0510-062-2018

#### **FINANCIAL IMPACT:**

The engineering estimate of construction cost was estimated to be \$2,824,993.00 for the Fiber Conduit Interconnect Project – Purple Route & Duct Bank. There were seven (7) bids submitted with the low bid of \$832,234.40 being submitted by Kramer Service Group of Weyerhaeuser, Wisconsin. Payments will be made from account no. 500.000.000.5250.490. The project includes two (2) divisions. For Division 1 the City is acting as the coordinating agency; Microsoft is providing all funding and will reimburse the City as invoiced. Division 2 is City costs paid from the Alluvion TIF (30%) and Osmium TIF (70%).

#### **BACKGROUND:**

The Fiber Conduit Interconnect Project - Purple Route & Duct Bank includes installation of one 6-way multi-duct conduit, two 2" conduits and one 7-way multi-duct conduit, structures and surface restoration along the Veterans Parkway, Maffitt Lake Road, SE Soteria Drive, and Iowa Highway 5 corridors. These corridors are known to have space restrictions affecting utility installation. The four conduits include one multi-duct to be owned by Microsoft to connect the Alluvion and Osmium data centers and three additional conduits for future City use and/or lease to other service providers. The project is anticipated to be completed by April 30, 2020.

This agenda item was distributed to the Public Services Subcommittee by e-mail only since there was no meeting.

#### **OUTSTANDING ISSUES:**

None.

#### **RECOMMENDATION:**

City Council Adopt:

- Resolution adopting Plans, Specifications, Form of Contract, and Estimate of Costs for Fiber Conduit Interconnect Project Purple Route & Duct Bank;
- Motion receiving and filing Report of Bids;
- Resolution awarding the construction contract to Kramer Service Group
- Resolution waiving bid irregularities and awarding the construction contract to Kramer Service Group.

Lead Staff Member: Brian J. Hemesath, P.E., City Engineer

## CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

DATE: October 7, 2019

#### **ITEM:**

Public Hearing (5:35 p.m.) S. 85<sup>th</sup> Street – Cascade Avenue to Mills Civic Parkway 0510-007-2019

#### **FINANCIAL IMPACT:**

The engineering estimate of construction cost was estimated to be \$2,211,404.00 for the S. 85<sup>th</sup> Street — Cascade Avenue to Mills Civic Parkway. There were eight (8) bids submitted with the low bid of \$1,413,767.80 being submitted by Alliance Construction Group, LLC of Urbandale, Iowa. Payments will be made from account no. 500.000.000.5250.490 with the ultimate funding intended to come from Tax Increment Financing and a RISE Grant.

#### **BACKGROUND:**

The project will include construction of S. 85th Street from Cascade Avenue to Mills Civic Parkway and the extension of Cascade Avenue from South 85th Street to approximately 250 feet east of South 85th Street at the existing road terminus. The construction improvements include approximately 7,740 SY of 7-inch PCC reinforced pavement, 6-inch PCC driveway pavement, storm sewer, water main, subdrain, sidewalk, pavement markings, clearing and grubbing, grading, soil stabilization, traffic control, erosion control, surface restoration, and miscellaneous associated work to complete the project. The project is anticipated to be completed by August 28, 2020.

This agenda item was distributed to the Public Services Subcommittee by e-mail only since there was no meeting.

#### **OUTSTANDING ISSUES:**

None.

#### **RECOMMENDATION:**

City Council Adopt:

- Resolution adopting Plans, Specifications, Form of Contract, and Estimate of Costs for S. 85<sup>th</sup> Street Cascade Avenue to Mills Civic Parkway;
- Motion receiving and filing Report of Bids;
- Resolution awarding the construction contract to Alliance Construction Group, LLC.

## CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

DATE: October 7, 2019

#### ITEM:

Public Hearing (5:35 p.m.) Library Interior Renovations

#### **FINANCIAL IMPACT:**

The Engineering Estimate of Construction Cost was estimated to be \$1,995,916.45 for the Library Interior Renovations. There were five (5) bids submitted with the low bid of \$1,744,000.00 being submitted by Edge Commercial, LLC of Grimes, Iowa. Payments will be made from account no. 500.000.000.5250.490 with the ultimate funding intended to come from General Obligation Bonds, Private Contributions, and Local Option Sales Tax.

#### **BACKGROUND:**

The Interior Renovations at the Public Library located at 4000 Mills Civic Parkway will include renovation of the current Library Café space to accommodate a Library Living Room, a Young Adult/Teen Area, relocation/addition of a couple of study rooms, and addition of a Health Room. In addition, the project will include carpet replacement, miscellaneous wall repairs, painting, furniture replacement in staff work area, reconfiguration of Collections area, return-air fans for air handling units, updates to first and second floor restrooms, sanitary sewer replacement for second floor plumbing, and power/data connections for new furniture. Work on the second floor of the Library is anticipated to be completed by May 8, 2020. No work will occur from June to August to accommodate the summer programs. Work on the first floor of the Library is anticipated to be completed by May 7, 2021. Final completion is anticipated to be May 28, 2021.

This agenda item was distributed to the Public Services Subcommittee by e-mail only since there was no meeting.

#### **OUTSTANDING ISSUES:** None.

#### **RECOMMENDATION:**

City Council Adopt:

- Resolution adopting Plans, Specifications, Form of Contract, and Estimate of Costs for Library Interior Renovations;
- Motion receiving and filing Report of Bids;
- Resolution awarding the construction contract to Edge Commercial, LLC.

## CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

DATE: October 7, 2019

#### **ITEM:**

Public Hearing (5:35 p.m.) City Entrance Enhancements – Phase 1B

#### **FINANCIAL IMPACT:**

The Engineering Estimate of Construction Cost was estimated to be \$200,000.00 for the City Entrance Enhancements – Phase 1B. There were two (2) bids submitted with the low bid of \$391,215.00 being submitted by Lejas Corporation of St. Louis, Missouri. Payments will be made from account no. 500.000.000.5250.490 with the ultimate funding intended to come from General Obligation Bonds.

#### **BACKGROUND:**

The project includes the construction of concrete foundations and associated site work for four (4) branded monument signs to denote key roadway entrances to the City of West Des Moines. Locations include eastern corporate limits along IA-5, eastern corporate limits along I-235, northern corporate limits along I-35/80, and 98th & University. Foundation work, utilities, and earthwork for this phase of the project is anticipated to be completed by December 13, 2019 with site restoration to occur prior to June 1, 2020.

Phase 1A of the project, including fabrication and installation of the monument signs, was awarded to Graphic House, Inc. of Wausau, Wisconsin on July 1, 2019 as part of a separate contract. Fabrication of the signs is to be completed by November 1, 2019 with installation to be completed by December 13, 2019 in coordination with Phase 1B.

The two bids for the project were in excess of the Engineer's Estimate. After discussing the bid results with both bidders on the project, it was determined that the tight completion dates, lack of availability of subcontractors to drill deep footing piers, and difficult access for getting the drilling rig set up at a couple of the sites increased costs on the project substantially. In addition, there was limited interest from other potential bidders in Iowa, specifically the Des Moines Metro area. City Staff recommend rejecting all bids at this time and rebid the project later this Fall with an extended completion date in Spring 2020.

This agenda item was distributed to the Public Services Subcommittee by e-mail only since there was no meeting.

#### **OUTSTANDING ISSUES:** None.

#### **RECOMMENDATION:**

City Council Adopt:

- Resolution adopting Plans, Specifications, Form of Contract, and Estimate of Costs for City Entrance Enhancements Phase 1B;
- Motion receiving and filing Report of Bids;
- Resolution Rejecting All Bids.

## CITY OF WEST DES MOINES PLAN AND ZONING COMMISSION COMMUNICATION

Meeting Date: September 23, 2019

<u>Item</u>: Woodspring Suites – 7255 Lake Drive – Approval of a Site Plan to develop a 4

story, 81 room hotel - VKB Management. - SP-004413-2019

Requested Action: Recommend Approval of Site Plan

Case Advisor: J. Bradley Munford

<u>Applicant's Request</u>: Erin Ollendike of €ivil Design, on behalf of the applicant, VKB Management and with permission of the property owner, Jai Hanuman LLC is requesting approval of a site plan to develop a 4 story, 81 room, Woodspring Suites hotel.

<u>History:</u> The property was annexed into the city in 1989 as a part of the West 74th Street Annexation. The office zoning for the property was established shortly after annexation. On January 8, 2018 the City Council approved a Final Plat to replat of the property into 2 commercial lots in anticipation of this development. This property is Lot 2 of that plat. On April 30, 2018 the City Council approved a Site Plan to allow reconfiguration of the parking lot for the existing building on the north side of this development. On May 14, 2018 the City Council approved a Site Plan to allow for the construction of a Comfort Inn and Suites just east of this development. On August 5, 2019, The City Council Approved a Plat of Survey to create a 1,432 square foot parcel for transfer of ownership to this property (Lot 2).

<u>City Council Subcommittee:</u> The Woodspring Suites was presented to Development and Planning Subcommittee as an informational item at the August 5, 2019 meeting. The Subcommittee was supportive of the development.

**<u>Staff Review and Comment</u>**: This request was distributed to other City departments and other agencies for their review and comment. Staff would note the following:

- <u>Water Easements:</u> This development will have water appurtenances and curb shutoff valves located on private property. A Water Easement is necessary to allow West Des Moines Water Works to have access to that infrastructure. The applicant has agreed to grant the easement, but the document is still under the applicant's review. The applicant is requesting that the site plan is approved with the condition that the executed Water Easement is submitted to staff prior to issuance of any occupancy permits, including temporary occupancy permits for the building. Staff is comfortable with the request.
- <u>Shared Parking Agreement:</u> This hotel (Woodsprings Suites) has a 16 space parking deficiency. The applicant is planning to share parking with Comfort Inn and Suites that is under the same ownership. At this point, sharing parking is not an issue because of the single ownership. However, in the future the lot could be split and sold, leaving the Woodsprings Suites deficient with parking. The applicant has agreed to enter into a shared parking agreement to assure that the deficient spaces are available in the future. The Agreement is still under the applicant's review, but will be submitted to staff shortly. The applicant is requesting that the site plan is approved with the condition that the executed Shared parking Agreement is submitted to staff prior to issuance of any occupancy permits, including temporary occupancy permits for the building. Staff is comfortable with the request.

<u>Comprehensive Plan Consistency</u>: The project has been reviewed for consistency with the Comprehensive Plan. Based upon that review, a finding has been made that the proposed project is consistent with the Comprehensive Plan in that the project is consistent with all of the goals and policies of the Comprehensive Plan and the land use map of the Comprehensive Plan.

<u>Site Plan Findings</u>: This proposed project was distributed to various city departments for review and comment. Based upon that review, the following findings have been made on the proposed project:

- 1. The proposed development and use is consistent with the West Des Moines Comprehensive Plan in that the project has been reviewed for consistency with the Comprehensive Plan. Based upon that review, a finding has been made that the proposed project is consistent with the Comprehensive Plan in that the project is consistent with all of the goals and policies of the Comprehensive Plan.
- 2. The proposed development and use does assure compatibility of property uses within the zone and general area in that this project was reviewed by various City Departments for compliance with the Zoning Ordinance.
- 3. All applicable standards and conditions have been imposed which protects the public health, safety and welfare in that this project was reviewed by various City Departments and public agencies for compliance with the various state and local regulations. Based upon that review a finding is made that the project has been adequately conditioned to protect the health, welfare and safety of the community.
- 4. There is adequate on-site and off-site public infrastructure to support the proposed development in that this project was reviewed by various public agencies and City Departments and public utilities to ensure that either the petitioner will construct or the project has been conditioned to construct adequate public infrastructure to serve the development.
- 5. The proposed development and use has met the requirements contained in the City Code in that this project was reviewed by various City Departments and the project has complied with or has been conditioned to comply with all City Code requirements.
- 6. The proposed development and use is in keeping with the scale and nature of the surrounding neighborhood in that the proposed project is consistent with the zoning designation and Comprehensive Plan which designates this site as suitable for development such as that proposed by this project.

**Staff Recommendations and Conditions of Approval**: Based upon the preceding review and a finding of consistency with the Comprehensive Plan, staff recommends that the Plan and Zoning Commission adopt a resolution approving the site plan to develop a 4 story, 81 room hotel, subject to the applicant meeting all City Code requirements and the following:

- 3. The applicant acknowledging that the Shared Parking Agreement and Water Easement must be submitted to the City prior to issuance of any occupancy permits, including temporary occupancy permits for the building.
- 4. Prior to the initiation of any site activities, the applicant providing final architectural drawings that are acceptable to the City

## CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

DATE: October 7, 2019

ITEM:

Resolution – Approval and Release of two Plats of Survey – City of West Des Moines. Excess property related to installation of storm sewer near 1<sup>st</sup> Street and Grand Avenue - create two parcels for transfer ownership (POS #2018-18 and POS #2018-19).

FINANCIAL IMPACT: None

**SYNOPSIS:** Subsequent to the installation of a portion of the Walnut Creek Storm Sewer near 1<sup>st</sup> Street and Grand Avenue, the City prepared two plats of survey comprising excess property created from installation. Following reservation by the City of a public utility easement over the property, the City Council has approved the sale of each parcel following public hearing. The attached plats of survey legally define the area and the attached Resolution approves the plats of survey for transfer of ownership and releases them for recordation.

**CITY COUNCIL SUBCOMMITTEE:** This item was not presented to the Development and Planning City Council Subcommittee.

**OUTSTANDING ISSUES:** There are no outstanding issues. There are no conditions of approval.

**COMPREHENSIVE PLAN CONSISTENCY:** The plats have been reviewed for consistency with the Comprehensive Plan. Based on that review, a finding has been made that the plats are consistent with the Comprehensive Plan, including the goals and policies of the Comprehensive Plan and the land use map of the Comprehensive Plan.

**RECOMMENDATION:** Based upon the preceding review and a finding of consistency with the goals and policies of the Comprehensive Plan, staff recommends the City Council adopt a resolution approving two Plats of Survey of Survey to establish one (1) lot for each plat for the purpose of transferring ownership, subject to complying with all other applicable City Code requirements.

Approve - Resolution approving and releasing Plat of Survey #2018-18 and Plat of Survey #2018-19 for the transfer of ownership.

## CITY OF WEST DES MOINES CITY COUNCIL MEETING COMMUNICATION

ITEM: Denial of Liquor License – Scotty's Pub and Grub

DATE: October 7, 2019

FINANCIAL IMPACT: None

#### BACKGROUND:

Scotty's Pub & Grub. Mr. Thomas has shown a pattern of behavior indicating he does not meet the definition of a "person of good moral character". In determining whether a person is of good moral character, the state law enumerates certain criteria to be considered. The following criteria were considered in making the recommendation for denial: whether the licensee has good financial standing and good reputation indicating such person will comply will applicable laws, ordinances, and regulations. In evaluating Mr. Thomas' reputation, city staff considered his criminal arrests, charges, and convictions and the recency of those charges, arrests, or convictions. City staff also considered whether the licensee engaged in illegal acts on the licensed premises, and whether the licensee or his employee(s) have pled or been found guilty of serving alcohol to a minor or serving to an intoxicated person resulting in corrective action.

Mr. Thomas has the following criminal history:

- July 2019 charged with Disorderly Conduct Fighting or Violent Behavior. Mr. Thomas admitted to being involved in the incident resulting in the charges. Of note, this incident occurred at Scotty's Pub & Grub, the licensed premises. This matter is still pending in Polk County District Court.
- December 2014 convicted of OWI 1st Offense.
- June 2013 convicted of Disorderly Conduct Fighting or Violent Behavior (amended from Assault Causing Bodily Injury).

Scotty's Pub & Grub has the following civil violation(s) since the license was last issued:

• September 2018 – Sale to Minor

In submitting his alcohol license renewal application to the City of West Des Moines and the State of Iowa on September 9, 2019, Mr. Thomas failed to disclose the most recent criminal charge(s), which he was required to do according to state law. The renewal application specifically requires the licensee to state whether the owner(s) has been charged, arrested, indicted, convicted or received a deferred judgment for any violation of any state, county, city, federal or foreign law since the license was last issued. Mr. Thomas electronically signed a statement on September 9, 2019, acknowledging that any misrepresentation of material fact in the application is a crime and is grounds for denial of the issuance of an alcohol/liquor license under Iowa law. The City considers Mr. Thomas' failure to disclose his pending charges a misrepresentation of material fact.

Additionally, the Police Department has responded to at least eight (8) calls for service over the past year involving Mr. Thomas allegedly being disruptive, four of which originated at Scotty's Pub & Grub. These multiple calls for service indicate Mr. Thomas lacks the good reputation to meet the definition of a person with good moral character.

Mr. Thomas also fails to meet the criterion regarding his financial standing as he has a federal tax lien and multiple unsatisfied judgments against him, including but not limited to three judgments and four pending cases for unpaid wages to employees of Scotty's Pub & Grub. This lack of good financial standing indicates Mr. Thomas does not meet the definition of a person of good moral character.

City staff believes that his pattern of behavior and lack of good reputation, failure to disclose his most recent criminal charge, and lack of good financial standing disqualifies Mr. Thomas as not meeting the definition of a person of good moral character and indicates he is unable to abide by the provisions detailed in Iowa Code Chapter 123 and city code that govern alcoholic beverage control.

Copies of the license application/documentation are available, for review, in the Office of the City Clerk:

Subject: [EXT] Formal Resignation

Mr. Mayor,

I've changed residency after building a new home in Norwalk. Because of the Civil Service Commission's statute that states that a commissioner must live within the city limits of West Des Moines to serve, I must resign my position immediately.

I intend on attending a meeting this month as a "person of the public", and to personally say goodbye to the wonderful employees I've gotten to know so well at City Hall and to my fellow commissioners, Chris and Kevin.

During the past 8 years, I have enjoyed the work on the Commission as well as the connections I've made with city staff and others involved in West Des Moines city government. Thank you for the appointment and the opportunity to serve my community.

Sincerely,

Lori Lavorato
