Amanda Sampino, General Manager of Element Hotel, 575 S Prairie View Drive, presented the proposal to allow a childcare center at the Element Hotel. She informed that the site was previously planned for retail use, however it was reconfigured for a meeting room. During the past year, it was decided that a better use for the space would be to provide onsite childcare service for staff and for outside people needing daycare services. Ms. Sampino stated they anticipate limiting size of service to 12 children, with about half taken up by children of employees.

Board Member Cunningham asked whether the applicant was aware that the Board's approval for the use was separate from any state requirements for child-care licensing and would not authorize the daycare business itself. Ms. Sampino responded that they were aware and had begun the process with DHS prior to applying for the use permit. She informed that the hotel will not be running the childcare center but will sublease the space to a provider.

**BOARD OF ADJUSTMENT MEETING MINUTES**

Chairperson Stevens asked for any other questions or comments from the audience and upon hearing none, declared the public hearing item closed.

Bryce Johnson, Development Services Planner, presented aerial drawings and sketches of the site, noting access to the hotel from different sides of the building, including one through the childcare play area. He noted that he believes the outdoor furniture will remain. Code does not stipulate number of children to be served based on approval of use, however code does require an outdoor play space of 1000sf for a group of 12 children. Planner Johnson informed that the Hotel proposes an exterior play area of 2250sf, which exceeds the requirement.

Ms. Sampino added that access through the childcare area would be limited to childcare staff during childcare hours. Patio furniture currently located within the outdoor space could be utilized by childcare staff or easily removed.

Chairperson Stevens asked for continued discussion or a motion and a second for this item.

Moved by Board Member Blaser, seconded by Board Member Cunningham, the Board of Adjustment adopted a resolution to approve the conditional use permit.
