Explanation of significant increases in the budget:

The total city tax rate proposed for FY 2023 will not increase from the current year (\$10.95). The projected property tax dollars to be levied will increase due to growth of the city and will be used to address the corresponding increased demand for services.

If applicable, the above notice also available online at:

www.wdm.iowa.gov

*Total city tax rate will also include voted general fund levy, debt service levy, and capital improvement reserve levy.

**Budget year effective property tax rate is the rate that would be assessed for these levies if the dollars requested is not changed in the coming budget year
