

# Site Plan – Required

An aerial view from the county or on-line website works well for showing proposed project locations and is acceptable in lieu of a drawn site plan.

## You *must* show these items:

- ❖ the proposed alteration *i.e.*: addition, deck, porch, pool, fence.
- ❖ Address including streets and street names.
- ❖ Property Lines and dimensions of the property.
- ❖ Setbacks: the distance to the property lines (front, rear & sideyards) of the proposed alteration or existing buildings.
- ❖ North directional arrow.
