

CITY OF WEST DES MOINES STAFF REPORT COMMUNICATION

Meeting Date: November 27, 2023

ITEM: Eagle Brook North, Southwest corner of Veterans Parkway and SE 3rd Street – Amend the Zoning Map to establish Single Family Residential (RS-5) and Medium Density Residential (RM-12) zoning – Eagle Brook, L.L.C. – ZC-006020-2023

RESOLUTION: Approval of Consistency Zoning of Property

Background: Branden Stubbs with Stubbs Engineering, on behalf of the applicant and property owner, Eagle Brook, L.L.C., requests approval of a zoning request on approximately 50 acres generally located at the southwest corner of Veterans Parkway and SE 35th Street. The applicant requests an amendment to the Zoning Map to designate Single Family Residential (RS-5) and Medium Density Residential (RM-12) Zoning Districts consistent with the adopted Comprehensive Plan Land Use designations of Detached Residential and Mixed Residential.

Staff Review & Comment:

- **Financial Impact:** Undetermined
- **Anticipated Development:** The requested actions are in preparation of development of the site for single family residential and medium density residential townhomes. The single family would be located on approximately the south 25 acres of the site with the townhomes located to the north on approximately 25 acres.
- **Developer Responsibilities:** In conjunction with platting of the single-family development and site development for the townhomes, unless otherwise provided in a development agreement with the city, the developer will be responsible for construction and/or installation of all required public and private infrastructure improvements necessary to support development.
- **Traffic Analysis Findings:** An initial traffic study was conducted to analyze the general densities proposed for the property. Minimal impacts were shown to exist at this level, however, concern for high traffic volumes on the east/west minor collector have been identified once a full built out of the area is completed. Other issues noted related to requirements for street improvements, right of way widths and access points. Additional traffic studies to address more specific project issues will be required once a development application is submitted providing more details on lot layout and site circulation.
 - The applicant has been notified of projections for the traffic volumes on the Minor Collector roadway to exceed 3,000 ADT. This would require that exiting from driveways onto the roadway be in a forward movement. While the minimum allowable lot width in the RS-5 designation is 50', no plat layout or individual dwelling arrangement within each parcel has been reviewed. It may be necessary to provide for wider lots to accommodate appropriate vehicle turnaround area to facilitate the forward exiting movement. Alternate methods to address the situation are also possible such as house and garage arrangement or fronting SF lots to a street with lesser projected traffic volumes. This action is only establishing zoning. The development's lot and street layout will be more thoroughly evaluated as part

of the Preliminary Plat process. Staff recommends a condition of approval for the acknowledgement of the concern and addressing appropriately, including if deemed necessary, providing more than the minimum allowed lot width under the RS-5 regulations.

Outstanding Issues: There are no outstanding issues.

Planning and Zoning Commission Action:

Date: November 27, 2023

Vote:

Recommendation:

City Council First Reading:

Date:

Vote:

Recommendation: Approve the Rezoning request, subject to the applicant meeting all City Code requirements and the following:

1. The developer of the subdivision acknowledging the anticipated traffic volumes of certain roadways and the resulting requirement that lots fronting to such roadways will need to provide a lot width that accommodates a house &/or driveway design that allows drivers to utilize a forward movement when entering onto the identified roadways.

A RESOLUTION OF THE PLANNING AND ZONING COMMISSION
NO. PZC-23-058

WHEREAS, pursuant to the provisions of Title 9, Zoning, of the West Des Moines Municipal Code, the applicant, and property owner, Eagle Brook, L.L.C., request approval for a Zoning Map Amendment for property generally located at the southwest corner of Veterans Parkway and SE 35th Street as depicted on the Consistency Zoning Illustration included in the staff report to change the zoning designation as follows:

- Amend the Zoning Map to designate Single Family Residential (RS-5) Zoning District on approximately 25 acres consistent with the Comprehensive Plan Land Use designation, and
- Amend the Zoning Map to designate Medium Density Residential (RM-12) Zoning District on approximately 25 acres consistent with the Comprehensive Plan Land Use designation, and

WHEREAS, the Consistency zoning request complies with the applicable provisions of Iowa Code Chapter 414, the Comprehensive Plan and City Code.

NOW, THEREFORE, the Planning and Zoning Commission of the City of West Des Moines recommends that City Council approve the Consistency Zoning request, (ZC-006020-2023) subject to compliance with all the conditions of approval as stated in the staff report, including conditions added at the meeting, and attached hereto as Exhibit "A", if applicable.

PASSED AND ADOPTED on November 27, 2023.

Andrew Conlin, Chair
Planning and Zoning Commission

I HEREBY CERTIFY that the foregoing resolution was duly adopted by the Planning and Zoning Commission of the City of West Des Moines, Iowa, at a regular meeting held on November 27, 2023, by the following vote:
