

# SPECIAL REVENUE FUNDS

#### **Special Revenue Funds**

Special Revenue Funds are used to account for revenues derived from specific sources that are usually required by law or regulation to be accounted for in separate funds.

The City budgets for the following Special Revenue Funds:

#### **Road Use Tax Fund**

This fund accounts for all revenues received from the State of Iowa from gasoline taxes, license fees and weight taxes. These funds are returned to the City as Road Use Taxes (RUT) as they are distributed to the cities on a per capita formula basis.

#### Rehabilitation/Economic Development Funds

These funds account for revenue from the Iowa Department of Economic Development and U.S. Department of Housing and Urban Development.

#### **Employee Benefits Fund**

This fund accounts for the employee benefits related to City employees who are compensated through government fund types, which are funded by a property tax levy.

#### **Tax Increment Financing Funds**

These funds account for revenues generated by the City's TIF districts, which are used for urban renewal and development. Tax increment financing is a means of financing public improvement projects or economic development incentives for cities, counties and community colleges. Cities may utilize TIF for commercial, industrial, and residential development. Local government investment in TIF areas enhances development, and ultimately reaps additional property tax revenue for all local taxing jurisdictions. How does TIF work? A base year for the purposes of assessing taxable valuation is established in the year prior to issuing bonds for debt associated with the district. Any taxes imposed on this base valuation are still directed to the local taxing jurisdictions. In other words if the property in pre development is assessed at \$10,000, the local jurisdictions may continue to collect taxes based on the \$10,000 assessment. If improvements to the development add an additional \$10,000 in value, taxes are still collected on the added value but the taxes are directed towards the project rather than going to jurisdictions.

#### Police and Fire Retirement Funds

These funds account for the pension of disabled and retired Firefighter and Police officers, as provided by Code of Iowa, Chapter 410 and for the City's contribution into the statewide retirement system for sworn police officers and fire personnel.

#### Park Funds

These funds account for revenues received from mandatory park dedication fees, cemetery plot sales, park donations, community center trust donations, and softball trust donations.

#### **Library Funds**

These funds account for gift trust donations and fund raising efforts by The Friends of the West Des Moines Public Library Foundation.

#### **Police Funds**

These funds account for the Police Department's share of federal and state forfeited/seized assets; and donations to the Police Department.

#### E911 Funds

These funds account for 911 surcharge revenues generated from a monthly surcharge on each telephone access line terminating within Polk and Dallas counties. These funds are used to advance the ability of public safety agencies to achieve inter operability among Police, Fire and EMS providers and improve the effectiveness and efficiency of public safety.

#### **Human Service Funds**

These funds account for donations and grants for the West Des Moines Human Services Department.

#### **EMS Funds**

These funds account for donations for the purchase of public access defibrillators.

#### **Description of the Road Use Tax Fund**

This fund accounts for all revenues received from the State of Iowa from gasoline taxes, license fees and weight taxes. These funds are returned to the City as Road Use Taxes (RUT) as they are distributed to the cities on a per capita formula basis. Road use funds are available to finance City operations dealing with street maintenance, construction, as well as providing funding for capital improvements dealing with streets.

### **Major Revenue Sources**

The City estimates it will receive \$4,429,287 in Road Use Taxes in FY 10-11. This estimate is based on the City's estimated population of 51,744, and a per capita estimate of \$85.60. Current estimates from the Iowa Department of Transportation (IDOT) project the per capita rate increasing to approximately \$97.50 in FY 2013-14. The increasing RUT receipts are generally a result of higher vehicle registration fees the state legislature passed into law during 2008 and the addition of TIME-21 funding. IDOT has indicated that the estimates will be lowered significantly based upon actual collections.

| Expend | litures |
|--------|---------|
|--------|---------|

Approximately \$3.7 million in Road Use Tax funds are being utilized for street related expenditures (CIP and operating). The remaining \$715,000 will be used for street lighting. This will effectively use all of the current year Road Use Tax funds received from the State of Iowa

| Fiscal<br>Year | Actual/<br>Current IDOT<br>per capita<br>estimates |
|----------------|--|
| 2004-05        | \$84.00  |
| 2005-06        | \$83.30  |
| 2006-07        | \$82.20  |
| 2007-08        | \$84.30  |
| 2008-09        | \$86.00  |
| 2009-10        | \$89.50  |
| 2010-11        | \$92.50  |
| 2011-12        | \$95.50  |
| 2012-13        | \$97.50  |
| 2013-14        | \$97.50  |

# **Estimated Ending Fund Balance**

The City estimates the ending fund balance of the Road Use Tax Fund to be roughly \$8.4 million dollars. Most of this balance is obligated for ongoing capital projects initiated in fiscal years prior to FY 10-11. A small portion of this balance, approximately 10% is set aside for contingency road repairs and projects.

#### Description of Rehabilitation/Economic Development Funds

These funds account for revenues received from the Iowa Department of Economic Development and, the U.S. Department of Housing and Urban Development.

#### **CDBG Entitlement Grant**

In October 2004, the United States Department of Housing and Urban Development (HUD) identified the City of West Des Moines as a grantee for the Entitlement Community Development Block Grant (CDBG) Program. As an entitlement community, West Des Moines is eligible for HUD funds to address defined needs within the community. The program provides annual grants on a formula basis to entitled cities and counties (those over 50,000 in population) to develop viable urban communities by providing decent housing and a suitable living environment, and by expanding economic opportunities, principally for low- and moderate-income persons.

### Transitional Housing

The transitional housing program is designed to help low income families with housing and additional support. The program's ultimate goal is to help families become financially self-sufficient and able to procure permanent housing. The grant will provide \$198,000 over the next three years.

#### **CEBA**

The City has participated in the State of Iowa's CEBA (Community Economic Betterment Account) Program since 1999. Providing match contributions in the form of forgivable or low interest loans totaling \$1,019,000 and involving 13 area businesses. The CEBA program provides financial assistance to companies that create new employment opportunities and/or retain existing jobs, and make new capital investment in Iowa. The amount of funding is based, in part, on the number of jobs to be created/retained. Funds are provided in the form of loans and forgivable loans. Projects eligible for CEBA funding include, but are not limited to, the following:

- · Building construction or reconstruction
- · Land or building acquisition
- Equipment purchases
- Operating and maintenance expenses
- Site development clearance, demolition and building removal
- · Working capital

CEBA investments should not be considered a sole funding source. The program leverages other financial support such as bank financing and private investment

### **Description of the Employee Benefits Fund**

This fund accounts for the employee benefits of those City employees who are compensated through government fund types.

### Financial Summary

Cities are allowed to levy in a Special Revenue Fund, for contributions under the Federal Insurance Contributions Act (FICA), the Iowa Public Employees Retirement System (IPERS), the Municipal Fire and Police Retirement System of Iowa (MFPRSI) and certain other employee benefits. In FY 10-11 the levy for employee benefits will be approximately \$4,385,000. This amount will then be transferred to the General Fund where the employee benefits are actually paid.

### **Description of the Tax Increment Financing Funds**

These funds have been established for the receipt of tax revenues from the City's TIF districts. A brief description of each of the districts is as follows:

### Valley Junction/R.R. TIF District

This district was created in 1995 and expired in fiscal year 2009-10. The purpose of the district was to defray costs of various capital improvements within the Valley Junction Urban Renewal District.

### Mills Parkway TIF District

This district was created in 1999 and is set to expire in fiscal year 2025-26. The purpose of the district is to help defray costs associated with the construction of a new municipal fire station, and an interstate interchange at the intersection of Mills Civic Parkway and Interstate Highway 35. The first amendment facilitated construction of the infrastructure (street, sanitary sewer and water lines) necessary for the Wells Fargo Mortgage Company complex with the second amendment allowing financing for construction of infrastructure to serve the Aviva campus. TIF receipts are projected to be \$6,479,134 for FY 10-11.

#### Jordan Creek TIF District

This district was created in 2000 and is set to expire in fiscal year 2018-19. The purpose of this district is to help defray the costs associated with the construction of a new municipal fire station, and numerous infrastructure improvements in the area. TIF receipts for FY 10-11 are projected to be \$4,287,163.

# **Description of the Park Funds**

These funds account for revenues received from mandatory park dedication fees, cemetery plot sales, park donations, community center trust donations, and softball trust donations.

### **Estimated Ending Fund Balance**

The projected remaining fund balance of \$171,521 is obligated for future park developments, and to support operations at the Community Center, Raccoon River Softball Complex, and park operations.

### **Description of the Library Trust Funds**

These funds account for miscellaneous donations and fund raising efforts by The Friends of the West Des Moines Public Library Foundation.

### Financial Summary

The Library expects to receive approximately \$95,000 in donations in FY 10-11, which are intended to augment and enhance the Library's services and collection materials.

A suggested expenditure budget for the Library Trust Fund is listed below:

Library Materials \$50,000 Contingency & Miscellaneous \$45,000 **Total \$95,000** 

# **Estimated Ending Fund Balance**

The projected remaining fund balance of approximately \$230,362 is reserved exclusively for the future support of Library operations.

### **Description of Police Funds**

These funds account for the Police Department's federal and state forfeiture program, and miscellaneous donations to the Police Department. The primary purpose of the federal and state forfeiture program is to deter crime by depriving criminals of the profits and proceeds of their illegal activities and to weaken criminal enterprises by removing the mechanisms of crime. An ancillary purpose is to enhance cooperation among federal, state, and local law enforcement agencies through the equitable sharing of forfeiture proceeds.

#### **Financial Summary**

Due to the unpredictable nature of the forfeiture program, revenues are conservatively estimated. In FY 10-11, the City projects revenues from the forfeiture program to be in the range of \$35,000. These funds will be used to augment police services, particularly in the areas of computer hardware, ammunition, and tactical team operations.

### **Estimated Ending Fund Balance**

The projected ending fund balance of \$692,759 is reserved exclusively for future police operations.

# **Description of E911 Funds**

These funds account for 911 surcharge revenues generated from a monthly surcharge on each telephone access line terminating within Polk and Dallas counties. These funds are used to advance the ability of public safety agencies to achieve inter operability among Police, Fire and EMS providers and improve the effectiveness and efficiency of public safety.

### **Description of the Human Services Funds**

This fund accounts for donations for various Human Services programs that target the elderly, disabled, and low-income families of West Des Moines. These programs include rental assistance, holiday programs, personal pantry programs, utility programs, and other client based programs.

### **Major Revenues Sources and Planned Expenditure Uses**

Human Services expects to receive and expend approximately \$60,000 in donations for FY 10-11. These donations are above and beyond City allocations to the Human Services Department, which are accounted for in the General Fund.

## **Estimated Ending Fund Balance**

The projected ending fund balance of \$89,665 is reserved exclusively for Human Services' outreach programs.

#### **Description of the EMS Trust Funds**

This fund accounts for donations to the Public Access Defibrillation Program, sponsored by the EMS Department. The Public Access Defibrillation Program is a joint venture between the City of West Des Moines Emergency Medical Services and various businesses within our community. The goal of the program is to have defibrillators available to cardiac arrest patients as quickly as possible following their collapse. Due to the size of our City, West Des Moines offers some unique challenges for EMS crews responding to cardiac arrest patients. Key locations were chosen for the placement of the defibrillators such as businesses with large numbers of employees, golf courses, and city owned facilities.

This fund was established to account for public and business donations for the purchase of the defibrillators and associated supplies. Each unit costs approximately \$3,000.
